The Juice

Preface

"I think, therefore I am."

It is the mark of intelligence, and of one who has potential for growth, to entertain thoughts he does not agree with. A man who tells you not to question something, is a man who wants power over you. It is the mark of a *free* man to question any thought as well as to entertain it. A man who is bound is prevented from questioning or entertaining thought; bound externally and consciously, or bound internally either by self, or by others without his knowing.

Truth is recognizable, no matter what form it takes, and regardless if some call it "fiction".

I commend you for reading this, for why wouldn't those who feel condemned by it, tell you lies to discourage you from reading it? They will call it rubbish, vile "hate speech", racism, nationalism, extremist, "conspiracy theory", etc, but you will think and decide for your self what it is, instead of letting someone else define what it is for you. You are, afterall, curious enough to have read even this. You are an inquisitive thinker who is after truth. You are curious and creative, and with these attributes, and with time and energy, you will succeed in finding truth.

Let me plant another seed: that if someone you love is destroying their self, you help to stop them. If someone, whether you love them or not, is harming you, you must respect and love *your* self enough to protect your self. Without the self, you cannot have life. Any kids you have are your propagation, and from your self. Your kids are your family, your blood. Your cousins, uncles, aunts, etc, are your extended family. So too, your race is your extended family beyond that, and you have more in common with those of your own race and culture, than with the humankind of other races/cultures. Love and appreciate your self first, and extend that outward through the families of man until you have reached those humans most different from you.

Many people have forgotten this order of priorities. A certain group has not.

This is a very short piece when judged by *written words*, but dense with *ideas*.

It can be said that all of history before me wrote this, for in this, I propose nothing novel, but am only an organizer of the information and ideas that preceded my existence. History repeats itself, as you will learn if you learn of history. Must history always repeat itself?

Nothing written here is intended to represent the author or any persons, companies, or entities affiliated in any aspect with this work. Note that by possessing these words and pictures, laid out in such order as below as to suggest thoughtful reason behind past national, racial, and individual actions, some countries and some organizations use this possession as grounds for "public shaming", job termination, and even imprisonment.

For the purposes of this book, the "goyim" (sometimes called "goy") are to be considered little frog/tadpole-like creatures, amphibious in nature.

Let it be known that this is a story of generalities. That no single man can fully represent his tribe. As true as that is, so too it is the case that single humans act in many ways subconsciously: we go about our lives and sometimes send signals with, and without, conscious effort, of conspiring to do certain things. Therefore, many men play part in someone else's plan without knowing it. Soldiers die, not knowing truly what they are fighting for. Let your choice be conscious, honorable, and well-informed, that you may have greater control over your actions in your life.

If reading this in electronic form, it is good to download or print it as well, or to buy a paper version; because who knows in the future how electronic files will be tracked to those who read them, or changed from the original. All information found at a website URL can be changed, or manipulated. Search engines sometimes decide to blacklist or de-prioritize ideas the controllers do not want you to see.

In this work, you must use your own reasoning, and follow the trails you find most interesting to you. You must corroborate different sources, those sources of which it is desirable that they lie under differing ideological control, as close to the source as possible (ie, sources own words/documentation, no game of “telephone”). It is entirely plausible for a single ideology/group to conspire consciously, or subconsciously so as to present a "united front of agreeing information”, so as to shape a population’s thought on a matter that the ideology/group cares about.

Be wary of Wikipedia, it is under constant grooming of groups that conspire to shape public opinion.

YOU, reader, must use your brain to think critically and with valid reasoning. You must practice discernment, and also think to the possibilities as to why certain things are published or not published. Why with publicity, or lack of publicity? Who is the author? Their race? Their beliefs? Peers? Affiliations? ...all lead to possible intent for them to write whatever it is they wrote. What ultimate political or ideological goals may be reached, and for whom? What cost was borne by doing the writing, and was that cost paid for by another party? Writing (and the vast amounts of research to support it) costs time. Sometimes it costs reputation as well. The authors of some writings can expect revenue from book sales, pushed on by media coverage and/or use in institutions (such as schools). Other writings may very likely receive no such monetary compensation, and so you must ask yourself then why these particular authors write. What then is their reward? What do these various authors value? If money is not to gain, then what?

You, reader, must rev up your mind. You must think critically as to why this piece was written, as no monetary gain is expected, even if pricing is controlled to influence particular outcomes. So too you must judge all other writings, as well as attacks on this piece.

Philosophy of Method

Conversation control: thereby control thought

1. Your thoughts, especially thoughts that include other humans, *occur as language* in your mind.
2. Language is learned from other humans....you did not learn it independently of human contact.
3. Your language thoughts (as well as other thoughts) are therefore influenced by those you have taken information from, whether in the past, or presently. Your thoughts are largely made up of the information you have ingested.
4. If language can be controlled, thought is therefore controlled (if not wholly, then in part).
5. If language is controlled, how can new creative thought contrary to what the controller desires, be transmitted and blossom?
6. If language is controlled, meaning that people abide by this control, then how can the people convene and communicate governance that is against what the controller of speech wants? They cannot. (This is why the US Constitution provides as it's First Amendment, the right to freedom of speech. *Without freedom of speech, the people cannot be free.)*
7. Full freedom of speech allows for full freedom of thought. Without either of these, you are not free: -to have creative thoughts, -to share these thoughts, -to learn new "outlawed" thoughts, -to create or change institutions in ways that are contrary to what those in power desire. By controlling and limiting speech, those who are setting that [overton] "window" of what is ok to say and what isn't ok are limiting not just your ability to speak and act as a free man for your interests, but they are limiting (though not *eliminating*) even your ability to *think* of things outside of their window of acceptable discourse.

Thought control, controls action

1. Civilized action is based on thought
 - 1.1. All institutions of the people are influenced
 - 1.1.1. Media
 - 1.1.2. Laws
 - 1.1.3. Governance
 - 1.1.4. Schools
 - 1.1.5. Churches
 - 1.1.6. Businesses
 - 1.1.6.1. Money gates (Banks)
 - 1.1.6.2. Internet Information gates (ISP's & Websites)
 - 1.1.6.3. Printed Information gates (publishers)

Thought control is reality control

It is performed upon you by controlling the world of which the focus of your mind is acting upon, and deprives you of sound logical thinking based on facts.

1. **Your [present] reality is made of where your focus (or awareness) is.**
 If you read a good book and become engrossed, that can become much of your reality. If you are watching a movie, your awareness, your focus, is on the sound and sights brought to you by the movie, and during that period of time, it can become your reality (even if you retain the power to change your reality back from the movie, to your home and getting some food, going to the bathroom, etc.) Your "reality" does not necessarily nullify other potential realities, or other individual's realities. Your "reality" is simply where your focus is, and what "you" are experiencing. You can choose to experience thoughts instead of the movie, even while the movie is playing. You can choose your reality
2. **Your knowledge and understanding of the world is based upon all past (and the sliver of the present) experienced realities.**
 There is nothing else to call upon. Thus is your understanding of the world. It is everything you have thought, all conclusions you have made, and takes into account all the things you've seen or heard (taken in through your senses).
3. **All entities outside of your self have the potential to affect your reality.**
 This can be through their conscious or unconscious efforts (and happens simply due to proximity of sphere of influence/power).
4. Focus on only television and your thoughts [of television] for your news and no other sources; then within those two worlds of television and your thoughts, is your reality.
 a. **He who controls the television broadcasts to you, controls that part of your reality**.
 Just as this is true of television, this is true of Facebook, Twitter, Reddit, Google search results, published books and newspapers, and all "proposed realities" that are pushed on you, or that you imbibe.

5. In this 21st century, your daily reality [experience of thought, communications, learning, research, entertainment, etc.] exists more and more within or taken from electronic form.
6. Control of the electronic reality (but not decision to focus upon it) is almost always held by entities outside of your self.
7. Electronic reality can be more easily manipulated because the information that makes up the reality is held within electrons, rather than matter, so it therefore can be removed or altered ~instantaneously and at extremely low cost.

Own the new information world, and write its laws

When new worlds are found, they are claimed and developed. This was true of land masses, and it is true of the internet. Those who come first have the first chance at this. Those who can control or own

the world set the rules, and can exploit it to their gain. Britain used its colonies for financial gain, and projection of power. The US has used its military bases to project power.

Lies aid the acquisition of [illegitimate] power

A lie is an artificial creation that deviates from experienced reality, from logical thought, or both. A lie is a conscious deviation from truth. Belief in lies prevents valid solutions to problems from being formed or found.

Lies increase inequality, and require more work to be done in order to accomplish goals.

Truth is preserved through valid conclusions, and promotes equality and reduction of work.

Therefore, we humans condemn lies and liars as “sin” because they are not life-affirming/life-promoting. **Lies are life-demoting.**

Taking part in lies, whether you are the propagator (retain position of power) or just “an innocent believer” in the lie is wrong because both deny truth. To deny truth is to work toward life-demotion. It is reality-denial, and to deny reality is to live in the darkness of stagnation and to be denied growth.

Lies bind people to a false reality, whereas “the truth shall set you free”.

Hide, to avoid being stopped

Divide and conquer

- Reduce the Power of Opposition
- The more you can diminish the power of your opponent, the greater your power is in comparison, and the more easily you can defeat him.

There are many other ways to reduce the power of opposition as well.

- Convert the enemy to your side, or instill in him ideology that makes him unwilling to fight.

Organize: Use the power of numbers to create influence/power

Imagine a game of basketball, with two teams, J and G.

Team J is united and supports each other through teamwork to achieve goals. Not everyone on team J knows the rules to the game, but they know who their teammates are, and when the team needs them, they answer the call.

Team G is not united as a team, and cannot even identify their own teammates. Most in team G do not know the rules to the game. When some G members try to teach the rules, some members from team J intercede, and say that the game of basketball doesn't exist, or that they are actually playing dodgeball. Team J even sometimes pays some people from team G to write fake rules. Team J uses loud announcements listing fake scores and telling fake stories about plays.

With team G so disjointed, and with the lack of cohesion, they cannot overcome the united team J. Ultimately, team J can achieve the goals it trys for due to their group's cohesiveness, and the lack of cohesion of team G.

Band together in organizations to use thousands of people to pressure what is acceptable conversation (demand apologies). Look into the founding of the ADL, and into JIDF. What if there were Black groups or White groups of the same? How might they be treated?

"As president of the largest Jewish organization, I disposed of budgets of hundreds of millions of dollars; I directed thousands of employees, and all this, I emphasize again, not for one particular state, but within the frame work of International Jewry." – The Jewish Parado, Nahum Goldmann, p. 150

True threats, to true power, are always answered

- You cannot oppose in seriousness those who control you, without repercussions.
- To learn who rules over you, simply find out who you are not allowed to criticize.

Re-read the above three statements (including heading), slowly. They all say the same thing, and many people have said them. Ask yourself, is it true? There are people who do not want you to think about that concept. Who would that be? It would be the people who hold that position of true power of course! A true power that is not identifiable is much harder to rise against, is it not?

A true power, if evil, would not want those who they rule over to be able to conceptualize an idea which points back to them as the true power. A true malevolent power would likely have underlings such as the amphibious goyim that wish to overthrow it and be free. Therefore, it is in the power's best interest to remain hidden. If it is hidden, the goyim cannot target it.

In example:
You are a student in middle school. In your whole class, are there different results from calling the different kids a name?
You, reader, are most likely a pleb. The closest thing to your "true power" is your boss.

Which statement is most "politically incorrect", or could get the most backlash if it was painted on a billboard and hung over a freeway?

- Blacks secretly rule America.
- Whites secretly rule America.
- The rich secretly rule America.
- The poor secretly rule America.
- Mexicans secretly rule America.
- Germans secretly rule America.
- Jews secretly rule America.
- Muslims secretly rule America.
- Catholics secretly rule America.

Which of the above statements is almost a joke, or seems laughable to you? Your answer to those questions very likely says your opinion of hierarchy of rule of America (in generalities). It may be fun to number the list, so you can see clearly what your own opinion is.

Attack from multiple ideological perspectives

Picture of a jewish face. Communism represented on one side, Zionism on the other.

"There is much in the fact of Bolshevism itself, in the fact that so many Jews are Bolshevists. The ideals of Bolshevism are consonant with many of the highest ideals of Judaism." – Jewish Chronicle, London April, 4, 1919

"It is not an accident that Judaism gave birth to Marxism, and it is not an accident that the Jews readily took up Marxism. All that is in perfect accord with the progress of Judaism and the Jews." – Harry Waton, A Program for the Jews and an Answer to all AntiSemites, p. 148, 1939

"The Zionist Organization is a body unique in character, with practically all the functions and duties of a government, but deriving its strength and resources not from one territory but from some seventy two different countries...The supreme government is in the hands of the Zionist Congress, composed of over 200 delegates, representing shekel payers of all countries. Congress meets once every two years. Its [supreme government] powers between sessions are then delegated to the Committee [Sanhedrin]." – Report submitted to the Zionist Conference at Sydney, Australia, by Mr. Ettinger, a Zionist Lawyer

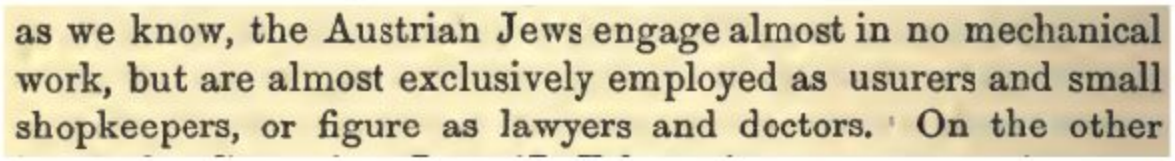

"I am devoting my lecture in this seminar to a discussion of the possibility that we are now entering a Jewish century, a time when the spirit of the community, the nonideological blend of the emotional and rational and the resistance to categories and forms will emerge through the forces of antinationalism to provide us with a new kind of society. I call this process the Judaization of Christianity because Christianity will be the vehicle through which this society becomes Jewish." – Rabbi Martin Siegel, New York Magazine, p. 32, January 18, 1972

Clinton was Marxist front, Trump Zionist.

Bolshevism Only a Tool for His Scheme

PARIS, June 18.—For the last two years army intelligence officers, members of the various secret service organizations of the entente, have been bringing in reports of a world revolutionary movement other than bolshevism. At first these reports confused the two, but latterly the lines they have taken have begun to be more and more clear.

Bolshevism aims for the overthrow of existing society and the establishment of an international brotherhood of men who work with their hands as rulers of the world. The second movement aims for the establishment of a new racial domination of the world. So far as the British, French, and our own department's inquiry have been able to trace, the moving spirits in the second scheme are Jewish radicals.

Use Local Hatreds.

Within the ranks of communism is a group of this party, but it does not stop there. To its leaders communism is only an incident. They are ready to use the Islamic revolt, hatred by the central empires for England, Japan's designs on India, and commercial rivalry between America and Japan.

As any movement of world revolution must be, this is primarily anti-Anglo-Saxon. It sees its greatest task in the destruction of the British empire and the growing commercial power of America. The brains of this organization are in Berlin.

Trotzky at Head.

The directing spirit which issues the orders to all minor chiefs and finds money for the work of preparing the revolt is in the German capital. Its executive head is none other than Trotzky, for it is on the far frontiers of India, Afghanistan, and Persia that the first test of strength will come. The organization expert of the present Russian state is recognized, even among the members of his own political party, as a man of boundless ambition, and his dream of an empire of the east is like that of Napoleon.

The organization of the world Jewish-radical movement has been perfected in almost every land. In the states of England, France, Germany, Poland, Russia, and the east it has its groups. It is behind the Islamic revolt with all the propaganda skill and financial aid at its command because it hopes to control the shaping of the new eastern empire to its own ends. Sympathy with the eastern nationals probably is one of the chief causes for the victory of the pro-nationals in the bolshevik party, which threw communism solidly behind the nationalist aspirations of England's colonies.

A Jewish Defector Warns America
Benjamin Freedman Speaks
by Benjamin H. Freedman

Introductory Note -- Benjamin H. Freedman was one of the most intriguing and amazing individuals of the 20th century.

Mr. Freedman, born in 1890, was a successful Jewish businessman of New York City who was at one time the principal owner of the Woodbury Soap Company. He broke with organized Jewry after the Judeo-Communist victory of 1945, and spent the remainder of his life and the great preponderance of his considerable fortune, at least 2.5 million dollars, exposing the Jewish tyranny which has enveloped the United States.

Mr. Freedman knew what he was talking about because he had been an insider at the highest levels of Jewish organizations and Jewish machinations to gain power over our nation. Mr. Freedman was personally acquainted with Bernard Baruch, Samuel Untermyer, Woodrow Wilson, Franklin Roosevelt, Joseph Kennedy, and John F. Kennedy, and many more movers and shakers of our times.
This speech was given before a patriotic audience in 1961 at the Willard Hotel in Washington, D.C., on behalf of Conde McGinley's patriotic newspaper of that time, Common Sense. Though in some minor ways this wide-ranging and extemporaneous speech has become dated, Mr. Freedman's essential message to us -- his warning to the West -- is more urgent than ever before. -- K.A.S. ---

A CHRISTIAN VIEW OF THE HOLOCAUST
Ladies and gentlemen, you are about to hear a very frightening speech. This speech is an explanation of the plans now being laid to throw the United States into a third world war. It was made a short time ago before a large group in the Congressional `Room of the Willard Hotel in Washington, D.C. Both the speech and the question and answer period later so electrified the audience that a group of patriots has transferred it to two long-playing records which you may buy to play for friends, clubs, and your church group in your community. The speaker is Mr. Benjamin Freedman, noted authority on Zionism and all of its schemes. Mr. Freedman is a former Jew, and I mean a FORMER Jew. He has fought the Communist world conspiracy tooth and nail, and stands today as a leading American patriot. We now take you to the speaker's platform to present Benjamin Freedman.
(applause)
[Freedman's speech]

What I intend to tell you tonight is something that you have never been able to learn from any other source, and what I tell you now concerns not only you, but your children and the survival of this country and Christianity. I'm not here just to dish up a few facts to send up your blood pressure, but I'm here to tell you things that will help you preserve what you consider the most sacred things in the world: the liberty, and the freedom, and the right to live as Christians, where you have a little dignity, and a little right to pursue the things that your conscience tells you are the right things, as Christians.
~~~~~~~~~~~~~~~~~~~~~~~~~~~~

Now, first of all, I'd like to tell you that on August 25th 1960 -- that was shortly before elections -- Senator Kennedy, who is now the President of the United States, went to New York, and delivered an address to the Zionist Organization of America. In that address, to reduce it to its briefest form, he stated that he would use the armed forces of the United States to preserve the existence of the regime set up in Palestine by the Zionists who are now in occupation of that area.

In other words, Christian boys are going to be yanked out of their homes, away from their families, and sent abroad to fight in Palestine against the Christian and Moslem Arabs who merely want to return to their homes. And these Christian boys are going to be asked to shoot to kill these innocent [Arab Palestinians] people who only want to follow out fifteen resolutions passed by the United Nations in the last twelve years calling upon the Zionists to allow these people to return to their homes.

Now, when United States troops appear in the Middle East to fight with the Zionists as their allies to prevent the return of these people who were evicted from their homes in the 1948 armed insurrection by the Zionists who were transplanted there from Eastern Europe... when that happens, the United States will trigger World War III.

You say, when will that take place? The answer is, as soon as the difficulty between France and Algeria has been settled, that will take place. As soon as France and Algeria have been settled, that will take place. As soon as France and Algeria have settled their difficulty, and the Arab world, or the Moslem world, has no more war on their hands with France, they are going to move these people back into their homes, and when they do that and President kennedy sends your sons to fight over there to help the crooks hold on to what they stole from innocent men, women and children, we will trigger World War III; and when that starts you can be sure we cannot emerge from that war a victor. We are going to lose that war because there is not one nation in the world that will let one of their sons fight with us for such a cause.

I know and speak to these ambassadors in Washington and the United Nations -- and of the ninety-nine nations there, I've consulted with maybe seventy of them -- and when we go to war in Palestine to help the thieves retain possession of what they have stolen from these innocent people we're not going to have a man there to fight with us as our ally.

And who will these people have supporting them, you ask. Well, four days after President Kennedy -- or he was then Senator Kennedy -- made that statement on August 28, 1960, the Arab nations called a meeting in Lebanon and there they decided to resurrect, or reactivate, the government of Palestine, which has been dormant more or less, since the 1948 armed insurrection by the Zionists.

Not only that... they ordered the creation of the Palestine Army, and they are now drilling maybe a half a million soldiers in that area of the world to lead these people back to their homeland. With them, they have as their allies all the nations of what is termed the Bandung Conference Group. That includes the Soviet Union and every Soviet Union satellite. It includes Red China; it includes every independent country in Asia and Africa; or eighty percent of the world's total population. Eighty percent of the world's population. Four out of five human beings on the face of the earth will be our enemies at war with us. And not alone are they four out of five human beings now on the face of this earth, but they are the non-Christian population of the world and they are the non-Caucasians... the non-white nations of the world, and that's what we face.

And what is the reason? The reason is that here in the United States, the Zionists and their co-religionists have complete control of our government. For many reasons too many and too complex to go into here at this -- time I'll be glad to answer questions, however, to support that statement -- the Zionists and their co-religionists rule this United States as though they were the absolute monarchs of this country.

Now, you say, 'well, that's a very broad statement to make', but let me show what happened while you were -- I don't want to wear that out --- let me show what happened while WE were all asleep. I'm including myself with you. We were all asleep. What happened?

World War I broke out in the summer of 1914. Nineteen-hundred and fourteen was the year in which World War One broke out. There are few people here my age who remember that. Now that war was waged on one side by Great Britain, France, and Russia; and on the other side by Germany, Austria-Hungary, and Turkey. What happened?

Within two years Germany had won that war: not alone won it nominally, but won it actually. The German submarines, which were a surprise to the world, had swept all the convoys from the Atlantic Ocean, and Great Britain stood there without ammunition for her soldiers, stood there with one week's food supply facing her -- and after that, starvation.

At that time, the French army had mutinied. They lost 600,000 of the flower of French youth in the defense of Verdun on the Somme. The Russian army was defecting. They were picking up their toys and going home, they didn't want to play war anymore, they didn't like the Czar. And the Italian army had collapsed.

Now Germany -- not a shot had been fired on the German soil. Not an enemy soldier had crossed the border into Germany. And yet, here was Germany offering England peace terms. They offered England a negotiated peace on what the lawyers call a status quo ante basis. That means: “Let's call the war off, and let everything be as it was before the war started.”

Well, England, in the summer of 1916 was considering that. Seriously! They had no choice. It was either accepting this negotiated peace that Germany was magnanimously offering them, or going on with the war and being totally defeated.

While that was going on, the Zionists in Germany, who represented the Zionists from Eastern Europe, went to the British War Cabinet and -- I am going to be brief because this is a long story, but I have all the documents to prove any statement that I make if anyone here is curious, or doesn't believe what I'm saying is at all possible -- the Zionists in London went to the British war cabinet and they said: “Look here. You can yet win this war. You don't have to give up. You don't have to accept the negotiated peace offered to you now by Germany. You can win this war if the United States will come in as your ally.”

The United States was not in the war at that time. We were fresh; we were young; we were rich; we were powerful. They [Zionists] told England: “We will guarantee to bring the United States into the war as your ally, to fight with you on your side, if you will promise us Palestine after you win the war.”

In other words, they made this deal: “We will get the United States into this war as your ally. The price you must pay us is Palestine after you have won the war and defeated Germany, Austria-Hungary, and Turkey.”

Now England had as much right to promise Palestine to anybody, as the United States would have to promise Japan to Ireland for any reason whatsoever. It's absolutely absurd that Great Britain -- that never had any connection or any interest or any right in what is known as Palestine -- should offer it as coin of the realm to pay the Zionists for bringing the United States into the war.

However, they made that promise, in October of 1916. October, nineteen hundred and sixteen. And shortly after that -- I don't know how many here remember it -- the United States, which was almost totally pro-German -- totally pro-German -- because the newspapers here were controlled by Jews, the bankers were Jews, all the media of mass communications in this country were controlled by Jews, and they were pro-German because their people, in the majority of cases came from Germany, and they wanted to see Germany lick the Czar.

The Jews didn't like the Czar, and they didn't want Russia to win this war. So the German bankers -- the German-Jews -- Kuhn Loeb and the other big banking firms in the United States refused to finance France or England to the extent of one dollar. They stood aside and they said: “As long as France and England are tied up with Russia, not one cent!” But they poured money into Germany, they fought with Germany against Russia, trying to lick the Czarist regime.

Now those same Jews, when they saw the possibility of getting Palestine, they went to England and they made this deal. At that time, everything changed, like the traffic light that changes from red to green. Where the newspapers had been all pro-German, where they'd been telling the people of the difficulties that Germany was having fighting Great Britain commercially and in other respects, all of a sudden the Germans were no good. They were villains. They were Huns. They were shooting Red Cross nurses. They were cutting off babies' hands. And they were no good.

Well, shortly after that, Mr. Wilson declared war on Germany.

The Zionists in London sent these cables to the United States, to Justice Brandeis: “Go to work on President Wilson. We're getting from England what we want. Now you go to work, and you go to work on President Wilson and get the United States into the war." And that did happen. That's how the United States got into the war. We had no more interest in it; we had no more right to be in it than we have to be on the moon tonight instead of in this room.

Now the war -- World War One -- in which the United States participated had absolutely no reason to be our war. We went in there -- we were railroaded into it -- if I can be vulgar, we were suckered into -- that war merely so that the Zionists of the world could obtain Palestine. Now, that is something that the people in the United States have never been told. They never knew why we went into World War One. Now, what happened?

After we got into the war, the Zionists went to Great Britain and they said: “Well, we performed our part of the agreement. Let's have something in writing that shows that you are going to keep your bargain and give us Palestine after you win the war.” Because they didn't know whether the war would last another year or another ten years. So they started to work out a receipt. The receipt took the form of a letter, and it was worded in very cryptic language so that the world at large wouldn't know what it was all about. And that was called the Balfour Declaration.

The Balfour Declaration was merely Great Britain's promise to pay the Zionists what they had agreed upon as a consideration for getting the United States into the war. So this great Balfour Declaration, that you hear so much about, is just as phony as a three dollar bill. And I don't think I could make it more emphatic than that.

Now, that is where all the trouble started. The United States went in the war. The United States crushed Germany. We went in there, and it's history. You know what happened. Now, when the war was ended, and the Germans went to Paris, to the Paris Peace Conference in 1919, there were 117 Jews there, as a delegation representing the Jews, headed by Bernard Baruch. I was there: I ought to know. Now what happened?

The Jews at that peace conference, when they were cutting up Germany and parceling out Europe to all these nations that claimed a right to a certain part of European territory, the Jews said, “How about Palestine for us?” And they produced, for the first time to the knowledge of the Germans, this Balfour Declaration. So the Germans, for the first time realized, “Oh, that was the game! That's why the United States came into the war.” And the Germans for the first time realized that they were defeated, they suffered this terrific reparation that was slapped onto them, because the Zionists wanted Palestine and they were determined to get it at any cost.

Now, that brings us to another very interesting point. When the Germans realized this, they naturally resented it. Up to that time, the Jews had never been better off in any country in the world than they had been in Germany.

You had Mr. Rathenau there, who was maybe 100 times as important in industry and finance as is Bernard Baruch in this country. You had Mr. Balin, who owned the two big steamship lines, the North German Lloyd's and the Hamburg-American Lines. You had Mr. Bleichroder, who was the banker for the Hohenzollern family. You had the Warburgs in Hamburg, who were the big merchant bankers -- the biggest in the world. The Jews were doing very well in Germany. No question about that. Now, the Germans felt: “Well, that was quite a sellout.”

It was a sellout that I can best compare -- suppose the United States was at war today with the Soviet Union. And we were winning. And we told the Soviet Union: “Well, let's quit. We offer you peace terms. Let's forget the whole thing.” And all of a sudden Red China came into the war as an ally of the Soviet Union. And throwing them into the war brought about our defeat. A crushing defeat, with reparations the likes of which man's imagination cannot encompass.

Imagine, then, after that defeat, if we found out that it was the Chinese in this country, our Chinese citizens, who all the time we thought they were loyal citizens working with us, were selling us out to the Soviet Union and that it was through them that Red China was brought into the war against us. How would we feel, in the United States against Chinese? I don't think that one of them would dare show his face on any street. There wouldn't be lampposts enough, convenient, to take care of them. Imagine how we would feel.

Well, that's how the Germans felt towards these Jews. "We've been so nice to them"; and from 1905 on, when the first Communist revolution in Russia failed, and the Jews had to scramble out of Russia, they all went to Germany. And Germany gave them refuge. And they were treated very nicely. And here they sold Germany down the river for no reason at all other than they wanted Palestine as a so-called “Jewish commonwealth.”

Now, Nahum Sokolow -- all the great leaders, the big names that you read about in connection with Zionism today -- they, in 1919, 1920, '21, '22, and '23, they wrote in all their papers -- and the press was filled with their statements -- that "the feeling against the Jews in Germany is due to the fact that they realized that this great defeat was brought about by our intercession and bringing the United States into the war against them."

The Jews themselves admitted that. It wasn't that the Germans in 1919 discovered that a glass of Jewish blood tasted better than Coca-Cola or Muenschner Beer. There was no religious feeling. There was no sentiment against those people merely on account of their religious belief. It was all political. It was economic. It was anything but religious.

Nobody cared in Germany whether a Jew went home and pulled down the shades and said “Shema' Yisrael” or “Our Father.” No one cared in Germany any more than they do in the United States. Now this feeling that developed later in Germany was due to one thing: that the Germans held the Jews responsible for their crushing defeat, for no reason at all, because World War One was started against Germany for no reason for which they [Germans] were responsible. They were guilty of nothing. Only of being successful. They built up a big navy. They built up world trade.

You must remember, Germany, at the time of Napoleon, at the time of the French Revolution, what was the German Reich consisted of 300 -- three hundred! -- small city-states, principalities, dukedoms, and so forth. Three hundred little separate political entities. And between that time, between the period of. . . between Napoleon and Bismarck, they were consolidated into one state. And within 50 years after that time they became one of the world's great powers. Their navy was rivalling Great Britain's, they

were doing business all over the world, they could undersell anybody and make better products. And what happened? What happened as a result of that?

There was a conspiracy between England, France, and Russia that: "We must slap down Germany", because there isn't one historian in the world that can find a valid reason why those three countries decided to wipe Germany off the map politically. Now, what happened after that?

When Germany realized that the Jews were responsible for her defeat, they naturally resented it. But not a hair on the head of any Jew was harmed. Not a single hair. Professor Tansill, of Georgetown University, who had access to all the secret papers of the State Department, wrote in his book, and quoted from a State Department document written by Hugo Schoenfelt, a Jew who Cordell Hull sent to Europe in 1933 to investigate the so-called camps of political prisoners. And he wrote back that he found them in very fine condition.

They were in excellent shape; everybody treated well. And they were filled with Communists. Well, a lot of them were Jews, because the Jews happened to be maybe 98 per cent of the Communists in Europe at that time. And there were some priests there, and ministers, and labor leaders, Masons, and others who had international affiliations.

Now, the Jews sort of tried to keep the lid on this fact. They didn't want the world to really understand that they had sold out Germany, and that the Germans resented that.

So they did take appropriate action against them [against the Jews]. They. . . shall I say, discriminated against them wherever they could? They shunned them. The same as we would the Chinese, or the Negroes, or the Catholics, or anyone in this country who had sold us out to an enemy and brought about our defeat.

Now, after a while, the Jews of the world didn't know what to do, so they called a meeting in Amsterdam. Jews from every country in the world attended in July 1933. And they said to Germany: “You fire Hitler! And you put every Jew back into his former position, whether he was a Communist, no matter what he was. You can't treat us that way! And we, the Jews of the world, are calling upon you, and serving this ultimatum upon you.” Well, the Germans told them. . . you can imagine. So what did they [the Jews] do?

They broke up, and Samuel Untermyer, if the name means anything to people here. . . (You want to ask a question? --- Uh, there were no Communists in Germany at that time. they were called 'Social Democrats.)

Well, I don't want to go by what they were called. We're now using English words, and what they were called in Germany is not very material. . . but they were Communists, because in 1917, the Communists took over Germany for a few days. Rosa Luxembourg and Karl Liebknecht, and a group of Jews in Germany took over the government for three days. In fact, when the Kaiser ended the war, he fled to Holland because he thought the Communists were going to take over Germany as they did Russia, and that he was going to meet the same fate that the Czar did in Russia. So he left and went to Holland for safety and for security.

Now, at that time, when the Communist threat in Germany was quashed, it was quiet, the Jews were working, still trying to get back into their former -- their status -- and the Germans fought them in every way they could, without hurting a hair on anyone's head. The same as one group, the Prohibitionists, fought the people who were interested in liquor, and they didn't fight one another with pistols, they did it every way they could.

Well, that's the way they were fighting the Jews in Germany. And, at that time, mind you, there were 80 to 90 million Germans and there were only 460,000 Jews. . . less than one half of one percent of Germany were Jews. And yet, they controlled all of the press, they controlled most of the economy,

because they had come in and with cheap money -- you know the way the Mark was devalued -- they bought up practically everything.

Well, in 1933 when Germany refused to surrender, mind you, to the World Conference of Jews in Amsterdam, they broke up and Mr. Untermeyer came back to the United States -- who was the head of the American delegation and the president of the whole conference -- and he went from the steamer to ABC and made a radio broadcast throughout the United States in which he said:
"The Jews of the world now declare a Holy War against Germany. We are now engaged in a sacred conflict against the Germans. And we are going to starve them into surrender. We are going to use a world-wide boycott against them, that will destroy them because they are dependent upon their export business."

And it is a fact that two thirds of Germany's food supply had to be imported, and it could only be imported with the proceeds of what they exported. Their labor. So if Germany could not export, two thirds of Germany's population would have to starve. There just was not enough food for more than one third of the population.

Now in this declaration, which I have here, it was printed on page -- a whole page -- in the New York Times on August 7, 1933, Mr. Samuel Untermyer boldly stated that: “this economic boycott is our means of self-defense. President Roosevelt has advocated its use in the NRA" . [National Recovery Administration] -- which some of you may remember, where everybody was to be boycotted unless they followed the rules laid down by the New Deal, which of course was declared unconstitutional by the Supreme Court at that time.

Nevertheless, the Jews of the world declared a boycott against Germany, and it was so effective that you couldn't find one thing in any store anywhere in the world with the words "made in Germany" on it.

In fact, an executive of the Woolworth Company told me that they had to dump millions of dollars worth of crockery and dishes into the river; that their stores were boycotted. If anyone came in and found a dish marked "made in Germany," they were picketed with signs: "Hitler", "murderer", and so forth, and like -- something like these sit-ins that are taking place in the South.

R. H. Macy, which is controlled by a family called Strauss who also happen to be Jews. . . a woman found stockings there which came from Chemnitz, marked "made in Germany". Well, they were cotton stockings. They may have been there 20 years, because since I've been observing women's legs in the last twenty years, I haven't seen a pair with cotton stockings on them. So Macy! I saw Macy boycotted, with hundreds of people walking around with signs saying "MURDERS" and "HITLERITES", and so forth.

Now up to that time, not one hair on the head of any Jew had been hurt in Germany. There was no suffering, there was no starvation, there was no murder, there was nothing.

Now, that. . . naturally, the Germans said, "Why, who are these people to declare a boycott against us and throw all our people out of work, and our industries come to a standstill? Who are they to do that to us?" They naturally resented it. Certainly they painted swastikas on stores owned by Jews.

Why should a German go in and give their money to a storekeeper who was part of a boycott who was going to starve Germany into surrender into the Jews of the world, who were going to dictate who their premier or chancellor was to be? Well, it was ridiculous.

That continued for some time, and it wasn't until 1938, when a young Jew from Poland walked into the German embassy in Paris and shot one of the officials [a German official] that the Germans really started to get rough with the Jews in Germany. And you found them then breaking windows and having street fights and so forth.

Now, for anyone to say that -- I don't like to use the word 'anti-Semitism' because it's meaningless, but it means something to you still, so I'll have to use it -- the only reason that there was any feeling in Germany against Jews was that they were responsible: number one, for World War One; number two, for this world-wide boycott, and number three -- did I say for World War One, they were responsible? For the boycott -- and also for World War II, because after this thing got out of hand, it was absolutely necessary for the Jews and Germany to lock horns in a war to see which one was going to survive.

In the meanwhile, I had lived in Germany, and I knew that the Germans had decided [that] Europe is going to be Christian or Communist: there is no in between. It's going to be Christian or it's going to be Communist. And the Germans decided: "We're going to keep it Christian if possible". And they started to re-arm.

And there intention was -- by that time the United States had recognized the Soviet Union, which they did in November, 1933 -- the Soviet Union was becoming very powerful, and Germany realized: "Well, our turn is going to come soon, unless we are strong." The same as we in this country are saying today, "Our turn is going to come soon, unless we are strong."

And our government is spending 83 or 84 billion dollars of your money for defense, they say. Defense against whom? Defense against 40,000 little Jews in Moscow that took over Russia, and then, in their devious ways, took over control of many other governments of the world.

Now, for this country to now be on the verge of a Third World War, from which we cannot emerge a victor, is something that staggers my imagination. I know that nuclear bombs are measured in terms of megatons. A megaton is a term used to describe one million tons of TNT. One million tons of TNT is a megaton. Now, our nuclear bombs have a capacity of 10 megatons, or 10 million tons of TNT. That was when they were first developed five or six years ago. Now, the nuclear bombs that are being developed have a capacity of 200 megatons, and God knows how many megatons the nuclear bombs of the Soviet Union have.

So, what do we face now? If we trigger a world war that may develop into a nuclear war, humanity is finished. And why will it take place? It will take place because Act III. . . the curtain goes up on Act III. Act I was World War I. Act II was World War II. Act III is going to be World War III.

The Jews of the world, the Zionists and their co-religionists everywhere, are determined that they are going to again use the United States to help them permanently retain Palestine as their foothold for their world government. Now, that is just as true as I am standing here, because not alone have I read it, but many here have read it, and it's known all over the world.

Now, what are we going to do? The life you save may be your son's. Your boys may be on their way to that war tonight; and you you don't know it any more than you knew that in 1916 in London the Zionists made a deal with the British War Cabinet to send your sons to war in Europe. Did you know it at that time? Not a person in the United States knew it. You weren't permitted to know it.

Who knew it? President Wilson knew it. Colonel House knew it. Other 's knew it. Did I know it? I had a pretty good idea of what was going on: I was liaison to Henry Morgenthau, Sr., in the 1912 campaign when President Wilson was elected, and there was talk around the office there.

I was 'confidential man' to Henry Morgenthau, Sr., who was chairman of the Finance Committee, and I was liaison between him and Rollo Wells, the treasurer. So I sat in these meetings with President Wilson at the head of the table, and all the others, and I heard them drum into President Wilson's brain the graduated income tax and what has become the Federal Reserve, and also indoctrinate him with the Zionist movement.

Justice Brandeis and President Wilson were just as close as the two fingers on this hand, and President Woodrow Wilson was just as incompetent when it came to determining what was going on as a newborn baby. And that's how they got us into World War I, while we all slept.

Now, at this moment... at this moment they may be planning this World War III, in which we don't stand a chance even if they don't use nuclear bombs. How can the United States -- about five percent of the world -- go out and fight eighty to ninety percent of the world on their home ground? How can we do it... send our boys over there to be slaughtered? For what? So the Jews can have Palestine as their 'commonwealth'? They've fooled you so much that you don't know whether you're coming or going.

Now any judge, when he charges a jury, says, "Gentlemen, any witness that you find has told a single lie, you can disregard all his testimony." That is correct. I don't know from what state you come, but in New York state that is the way a judge addresses a jury. If that witness said one lie, disregard his testimony.

Now, what are the facts about the Jews?

The Jews -- I call them Jews to you, because they are known as Jews. I don't call them Jews. I refer to them as so-called Jews, because I know what they are. If Jesus was a Jew, there isn't a Jew in the world today, and if those people are Jews, certainly our Lord and Savior was not one of them, and I can prove that.

Now what happened? The eastern European Jews, who form 92 per cent of the world's population of those people who call themselves Jews, were originally Khazars.

They were a warlike tribe that lived deep in the heart of Asia. And they were so warlike that even the Asiatics drove them out of Asia into eastern Europe -- and to reduce this so you don't get too confused about the history of Eastern Europe -- they set up this big Khazar kingdom: 800,000 square miles. Only, there was no Russia, there were no other countries, and the Khazar kingdom was the biggest country in all Europe -- so big and so powerful that when the other monarchs wanted to go to war, the Khazars would lend them 40,000 soldiers. That's how big and powerful they were.

Now, they were phallic worshippers, which is filthy. I don't want to go into the details of that now. It was their religion the way it was the religion of many other Pagans or Barbarians elsewhere in the world.

Now, the [Khazar] king became so disgusted with the degeneracy of his kingdom that he decided to adopt a so-called monotheistic faith -- either Christianity, Islam -- the Moslem faith -- or what is known today as Judaism -- really Talmudism. So, like spinning a top and calling out "eeny, meeny, miney, moe," he picked out so-called Judaism. And that became the state religion.

He sent down to the Talmudic schools of Pumbedita and Sura and brought up thousands of these rabbis with their teachings, and opened up synagogues and schools in his kingdom of 800,000 people -- 800,000 thousand square miles -- and maybe ten to twenty million people; and they became what we call Jews. There wasn't one of them that had an ancestor that ever put a toe in the Holy Land, not only in Old Testament history, but back to the beginning of time. Not one of them! And yet they come to the Christians and they ask us to support their armed insurrection in Palestine by saying:
"Well, you want to certainly help repatriate God's chosen people to their Promised Land, their ancestral homeland, It's your Christian duty. We gave you one of our boys as your Lord and Savior. You now go to church on Sunday, and kneel and you worship a Jew, and we're Jews."

Well, they were pagan Khazars who were converted just the same as the Irish [were converted]. And it's just as ridiculous to call them "people of the Holy Land," as it would be. . . there are 54 million

Chinese Moslems. Fifty four million! And, Mohammed only died in 620 A.D., so in that time, 54 million Chinese have accepted Islam as their religious belief.

Now imagine, in China, 2,000 miles away from Arabia, where the city of Mecca is located, where Mohammed was born. . . imagine if the 54 million Chinese called themselves 'Arabs'. Imagine! Why, you'd say they're lunatics. Anyone who believes that those 54 million Chinese are Arabs must be crazy. All they did was adopt as a religious faith; a belief that had its origin in Mecca, in Arabia.

The same as the Irish. When the Irish became Christians, nobody dumped them in the ocean and imported from the Holy Land a new crop of inhabitants that were Christians. They weren't different people. They were the same people, but they had accepted Christianity as a religious faith.

Now, these Pagans, these Asiatics, these Turko-Finns. . . they were a Mongoloid race who were forced out of Asia into eastern Europe. They likewise, because their king took the faith -- Talmudic faith -- they had no choice. Just the same as in Spain: If the king was Catholic, everybody had to be a Catholic. If not, you had to get out of Spain. So everybody -- they lived on the land just like the trees and the bushes; a human being belonged to the land under their feudal system -- so they [Khazars] all became what we call today, Jews!

Now imagine how silly it was for the Christians. . . for the great Christian countries of the world to say, "We're going to use our power, our prestige to repatriate God's chosen people to their ancestral homeland, their Promised Land."

Now, could there be a bigger lie than that? Could there be a bigger lie than that?

And because they control the newspapers, the magazines, the radio, the television, the book publishing business, they have the ministers in the pulpit, they have the politicians on the soap boxes talking the same language . . . so naturally you'd believe black is white if you heard it often enough. You wouldn't call black black anymore -- you'd start to call black white. And nobody could blame you.

Now, that is one of the great lies. . . that is the foundation of all the misery that has befallen the world. Because after two wars fought in Europe -- World War I and World War II -- if it wasn't possible for them to live in peace and harmony with the people in Europe, like their brethren are living in the United States, what were the two wars fought for? Did they have to -- like you flush the toilet -- because they couldn't get along, did they have to say, "Well, we're going back to our homeland and you Christians can help us"?

I can't understand yet how the Christians in Europe could have been that dumb because every theologian, every history teacher, knew the things that I'm telling you. But, they naturally bribed them, shut them up with money, stuffed their mouths with money, and now. . . I don't care whether you know all this or not. It doesn't make any difference to me whether you know all these facts or not, but it does make a difference to me. I've got, in my family, boys that will have to be in the next war, and I don't want them to go and fight and die... like they died in Korea. Like they died in Japan. Like they've died all over the world. For what?

To help crooks hold on to what they stole from innocent people who had been in peaceful possession of that land, those farms, those homes for hundreds and maybe thousands of years? Is that why the United States must go to war? Because the Democratic Party wants New York State -- the electoral vote? Illinois, the electoral vote? And Pennsylvania, the electoral vote?... which are controlled by the Zionists and their co-religionists?. . . the balance of power?

In New York City there are 400,000 members of the liberal party, all Zionists and their co-religionists. And New York State went for Kennedy by 400,000 votes. Now, I don't blame Mr. Kennedy. I'm fond of Mr. Kennedy. I think he's a great man. I think he can really pull us out of this trouble if we get the facts to him. And I believe he knows a great deal more than his appointments indicate he knows. He's

playing with the enemy. Like when you go fishing, you've got to play with the fish. Let 'em out and pull 'em in. Let 'em out and pull 'em in. But knowing Mr. Kennedy's father, and how well informed he is on this whole subject, and how close Kennedy is to his father, I don't think Mr. Kennedy is totally in the dark.

But I do think that it is the duty of every mother, every loyal Christian , every person that regards the defense of this country as a sacred right, that they communicate -- not with their congressman, not with their senator, but with President Kennedy. And tell him, "I do not think you should send my boy, or our boys, wearing the uniform of the United States of America, and under the flag that you see here, our red, white and blue, to fight there to help keep in the hands of these that which they have stolen". I think everyone should not alone write once, but keep writing and get your friends to write.

Now, I could go on endlessly, and tell you these things to support what I have just asked you to do. But I don't think it's necessary to do that. You're above the average group in intelligence and I don't think it's necessary to impress this any more.

But. . . I want to tell you one more thing. You talk about... "Oh, the Jews. Why the Jews? Christianity. Why, we got Christianity from the Jews and the Jews gave us Jesus, and the Jews gave us our religion". But do you know that on the day of atonement that you think is so sacred to them, that on that day... and I was one of them! This is not hearsay. I'm not here to be a rabble-rouser. I'm here to give you facts.

When, on the Day of Atonement, you walk into a synagogue, the very first prayer that you recite, you stand -- and it's the only prayer for which you stand -- and you repeat three times a short prayer. The Kol Nidre. In that prayer, you enter into an agreement with God Almighty that any oath, vow, or pledge that you may make during the next twelve months -- any oath, vow or pledge that you may take during the next twelve months shall be null and void.

The oath shall not be an oath; the vow shall not be a vow; the pledge shall not be a pledge. They shall have no force and effect, and so forth and so on.

And further than that, the Talmud teaches: "Don't forget -- whenever you take an oath, vow, and pledge -- remember the Kol Nidre prayer that you recited on the Day of Atonement, and that exempts you from fulfilling that".

How much can you depend on their loyalty? You can depend upon their loyalty as much as the Germans depended upon it in 1916.

And we're going to suffer the same fate as Germany suffered, and for the same reason. You can't depend upon something as insecure as the leadership that is not obliged to respect an oath, vow or pledge. Now I could go on and recite many other things to you, but I would have a little respect for your time, and you want to really, uh, get through with all of this. Tomorrow's going to be a long day.

Now I want to say one thing. You ask me. . . well, you think to yourself: "well how did this fellow get mixed up in this the way he got mixed up in it." Well, I opened my mouth in 1945, and I took big pages in newspapers and tried to tell the American people what I'm telling you. And one newspaper after another refused the advertisement. And when I couldn't find a newspaper to take them -- I paid cash, not credit -- what happened? My lawyer told me, "There's an editor over in Jersey with a paper who will take your announcement". So, I was brought together with Mr. McGinley, and that's how I met him.

So somebody told me the lawyer who introduced me, who was the son of the Dean of the Methodist Bishop, he said: "Well, I think he's a little anti-Semitic. I don't know whether I can get him over here. So he brought him over to my apartment and we hit it off wonderfully, and have since then.

Now, I say this, and I say it without any qualifications. I say it without any reservations. And I say it without any hesitation. . . if it wasn't for the work that Mr. Conley McGinley did with "Common Sense" --

he's been sending out from 1,800,000 to 2,000,000 every year -- if it wasn't for the work he's been doing sending those out for fifteen years now, we would already be a communist country. Nobody has done what he did to light fires. Many of the other active persons in this fight learned all about if for the first time through "Common Sense".

Now, I have been very active in helping him all I could. I'm not as flush as I was. I cannot go on spending the money. . . I'm not going to take up a collection. Don't worry. I see five people getting up to leave. (laughter)

I haven't got the money that I used to spend. I used to print a quarter of a million of them out of my own pocket and send them out. Mr. McGinley, when I first met him, had maybe 5,000 printed and circulated them locally. So I said, "With what you know and what I know, we can really do a good job". So I started printing in outside shops of big newspaper companies, a quarter of a million, and paid for them. Well, there's always a bottom to the barrel. I suppose we've all reached that at times.

I'm not so poor that I can't live without working and that's what worries the Anti-Defamation League. I can just get by without going and asking for a job or getting on the bread line. But Mr. McGinley is working. He's sick and he's going at this stronger than ever. And all I want to say is that they want to close up "Common Sense" more than any other single thing in the whole world, as a death-blow to the fight Christians are making to survive.

So I just want to tell you this. All they do is circulate rumors: "Mr. Benjamin H. Freedman is the wealthy backer of 'Common Sense'." The reason they do that is to discourage the people in the United States: don't send any money to Common Sense. They don't need it. The've got the wealthy Mr. Freedman as a backer. That all has strategy. They don't want to advertise me so that people that have real estate or securities to sell will come and call on me. They just want people to lay off "Common Sense". And all I'm telling you is, I do try to help him, but I haven't been able to. And I will be very honest. One thing I won't do is lie. In the last year I've had so much sickness in my family that I could not give him one dollar.

How he's managed to survive, I don't know. God alone knows. And he must be in God's care because how he's pulled through his sickness and with his financial troubles, I don't know. But that press is working. . . and every two weeks about a hundred or a hundred-fifty-thousand of "Common Sense" go out with a new message. And if that information could be multiplied. . . if people that now get it could buy ten or twenty five, or fifty, give them around. Plow that field. Sow those seeds, you don't know which will take root, but for God's sake, this is our last chance.

[Freedman then discusses the importance of people forgoing unnecessary purchases to 'buy more stuff', play golf, etc., and use the money to keep "Common Sense" going. He explains that the paper is going in debt; could be closed down and he (Freedman) no longer has the funds, having spent some $2,400,000 in his attempt to bring the information to the American public and elected officials. He then asks for questions from the audience.)

{Question inaudible]

Freedman: All right, I'll comment on that. This is rather deep, but you all have a very high degree of intelligence, so I'm going to make an attempt. In the time of Bible history, there was a geographic area known as Judea. Judea was a province of the Roman Empire. Now, a person who lived in Judea was known as a Judean, and in Latin it was Judaeus; in Greek it was Judaius. Those are the two words, in Greek and Latin, for a Judean.

Now, in Latin and Greek there is no such letter as 'j', and the first syllable of Judaeus and Judaius starts 'ghu'. Now, when the Bible was written, it was first written in Greek, Latin, Panantic, Syriac,
~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~

Aramaic... all those languages. Never Was the word Jew in any of them because the word didn't exist. Judea was the country, and the people were Judeans, and Jesus was referred to only as a Judean. I've seen those early... the earliest scripts available.

In 1345, a man by the name of Wycliffe in England thought that it was time to translate the Bible into English. There was no English edition of the Bible because who the Devil could read? It was only the educated church people who could read Latin and Greek, Syriac, Aramaic and the other languages. Anyhow, Wycliffe translated the Bible into English. But in it, he had to look around for some words for Judaeas and Judaius.

There was no English word because Judea had passed out of existence. There was no Judea. People had long ago forgotten that. So in the first translation he used the word, in referring to Jesus, as 'gyu', "jew". At the time, there was no printing press.

Then, between 1345 and the 17th century, when the press came into use, that word passed through so many changes... I have them all here. If you want I can read them to you. I will. That word 'gyu' which was in the Wycliffe Bible became. . . first it was ' gyu ', then ' giu ', then ' iu ' (because the ' i ' in Latin is pronounced like the ' j '. Julius Caesar is ' Iul ' because there is no 'j' in Latin) then ' iuw ', then ' ieuu ', then ' ieuy ', then ' iwe ', then ' iow ', then ' iewe ', all in Bibles as time went on. Then ' ieue ', then ' iue ', then ' ive ', and then ' ivw ', and finally in the 18th century... ' jew '. Jew.

All the corrupt and contracted forms for Judaius, and Judaeas in Latin. Now, there was no such thing as 'Jew', and any theologian -- I've lectured in maybe 20 of the most prominent theological seminaries in this country, and two in Europe -- there was no such word as Jew. There only was Judea, and Jesus was a Judean and the first English use of a word in an English bible to describe him was 'gyu' -- Jew. A contracted and shortened form of Judaeus, just the same as we call a laboratory a 'lab', and gasoline 'gas'... a tendency to short up.

So, in England there were no public schools; people didn't know how to read; it looked like a scrambled alphabet so they made a short word out of it. Now for a theologian to say that you can't harm the Jews, is just ridiculous. I'd like to know where in the scriptures it says that. I'd like to know the text.

Look at what happened to Germany for touching Jews. What would you, as a citizen of the United States, do to people who did to you what the so-called Jews -- the Pollacks and Litvaks and Litzianers -- they weren't Jews, as I just explained to you. They were Eastern Europeans who'd been converted to Talmudism. There was no such thing as Judaism. Judaism was a name given in recent years to this religion known in Bible history as Torah [inaudible]. No Jew or no educated person ever heard of Judaism. It didn't exist. They pulled it out of the air. . . a meaningless word.

Just like 'anti-Semitic'. The Arab is a Semite. And the Christians talk about people who don't like Jews as anti-Semites, and they call all the Arabs anti-Semites. The only Semites in the world are the Arabs. There isn't one Jew who's a Semite. They're all Turkothean Mongoloids. The Eastern european Jews. So, they brainwashed the public, and if you will invite me to meet this reverend who told you these things, I'll convince him and it'll be one step in the right direction. I'll go wherever I have to go to meet him.

~~~~~~~~~~~~~~~~~~

Yes, ma'am. Well... I can answer that. First of all, your first premise is wrong. Your first premise that all the Jews are loyal to each other is wrong. Because, the Eastern European Jews outnumber all the rest by so many that they create the impression that they are the Jewish 'race'; that they are the Jewish nation; that they are the Jewish people. . . and the Christians swallow it like a cream puff.
~~~~~~~~~~~~~~~~~~

But in 1844 the German rabbis called a conference of rabbis from all over the world for the purpose of abolishing the Kol Nidre from the Day of Atonement religious ceremony. In Brunswick, Germany, where that conference was held in 1844, there was almost a terrific riot. A civil war.

The Eastern Europeans said, "What the hell. We should give up Kol Nidre? That gives us our grip on our people. We give them a franchise so they can tell the Christians, 'Go to hell. We'll make any deal you want', but they don't have to carry it out. That gives us our grip on our people". So, they're not so united, and if you knew the feeling that exists. . .

Now, I'll also show you from an official document by the man responsible for. . . uh, who baptized this race. Here is a paper that we obtained from the archives of the Zionist organization in New York City, and in it is the manuscript by Sir James A. Malcolm, who -- on behalf of the British Cabinet -- negotiated the deal with these Zionists.

And in here he says that all the jews in England were against it. The Jews who had been there for years, the [inaudible - probably Sephardim], those who had Portuguese and Spanish ad Dutch ancestry... who were monotheists and believed in that religious belief. That was while the Eastern European Jews were still running around in the heart of Asia and then came into Europe. But they had no more to do with them than. . . can we talk about a Christian 'race'? or a Christian religion?... or are the Christians united?

So the same disunity is among the Jews. And I'll show you in this same document that when they went to France to try and get the French government to back that Zionist venture, there was only one Jew in France who was for it. That was Rothschild, and they did it because they were interested in the oil and the Suez Canal

[Question inaudible] Freedman: You know why? Because if they don't, they're decked up. They come around and they tell you how much you must give, and if you don't . . . oh, you're anti-Semitic. Then none of their friends will have anything to do with them, and they start a smear campaign. . . and you have got to give.

In New York city, in the garment center, there are twelve manufacturers in the building. And when the drive is on to sell Israel Bonds, the United Jewish Drive, they put a big scoreboard with the names of the firms and opposite them, as you make the amount they put you down for, they put a gold star after the name. Then, the buyers are told, "When you come into that building to call on someone and they haven't got a gold star, tell them that you won't buy from them until they have the gold star". BLACKMAIL. I don't know what else you can call it.

Then what do they do? They tell you it's for 'humanitarian purposes' and they send maybe $8 billion dollars to Israel, tax exempt, tax deductible. So if they hadn't sent that eight billion dollars to Israel, seven billion of it would have gone into the U.S. Treasury as income tax. So what happens? That seven billion dollars deficit -- that air pocket -- the gullible Christians have to make up.

They put a bigger tax on gas or bread or corporation tax. Somebody has to pay the housekeeping expenses for the government. So why do you let these people send their money over there to buy guns to drive people out of their ancient homeland? And you say, "Oh, well. The poor Jews. They have no place to go and they've been persecuted all their lives". They've never been persecuted for their religion. And I wish I had two rows of Rabbis here to challenge me. Never once, in all of history, have they been persecuted for their religion.

Do you know why the Jews were driven out of England? King Edward the First in 1285 drove them out, and they never came back until the Cromwell Revolution which was financed by the Rothschilds. For four-hundred years there wasn't a Jew. But do you know why they were driven out? Because in

the Christian faith and the Moslem faith it's a sin to charge 'rent' for the use of money. In other words - what we call interest [usury] is a sin.

So the Jews had a monopoly in England and they charged so much interest, and when the Lords and Dukes couldn't pay, they [Jews] foreclosed. And they were creating so much trouble that the king of England finally made himself their partner, because when they they came to foreclose, some of these dukes bumped off the Jews. . . the money-lenders. So the king finally said -- and this is all in history, look up Tianson [Tennyson?] or Rourke, the History of the Jews in England; two books you can find in your library. When the king found out what the trouble was all about, and how much money they were making, he declared himself a fifty-percent partner of the money lenders. Edward the First. And for many years, one-third of the revenues of the British Treasury came from the fifty-percent interest in money-lending by the Jews.

But it got worse and worse. So much worse that when the Lords and Dukes kept killing the money-lenders, the King then said, "I declare myself the heir of all the money-lenders. If they're killed you have to pay me, because I'm his sole heir". That made so much trouble, because the King had to go out and collect the money with an army, so he told the Jews to get out. There were 15,000 of them, and they had to get out, and they went across to Ireland, and that's how Ireland got to be part of the United Kingdom.

When King Edward found out what they were doing, he decided to take Ireland for himself before someone else did. He sent Robert Southgard with a mercenary army and conquered Ireland. So, show me one time where a Jew was persecuted in any country because of his religion. It has never happened. It's always their impact on the political, social, or economic customs and traditions of the community in which they settle.

~~~~~~~~~~~~~~~~~~~~~~~~~~~~

[Question inaudible] Freedman: Yes, sir. Well, they say most of those things themselves. It was unnecessary for Benjamin Franklin to say it. Most of those things they say themselves. But Benjamin Franklin observed, and by hearsay understood, what was happening in Europe.

When Russia, in 920 was formed, and gradually surrounded the Khazar Kingdom, and absorbed them, most of the well-to-do Khazars fled to Western Europe and brought with them the very things to which you object and I object and a lot of other people object. The customs, the habits, the instincts with which they were endowed.

When Benjamin Franklin referred to them as Jews because that's the name that they went by, and when the Christians first heard that these people who were fleeing from Russia -- who they were -- that they had practiced this Talmudic faith -- the Christians in Western Europe said, "They must be the remnants of the lost ten tribes!"

And Mr. Grutz, the greatest historian amongst the Jews, said that -- and he's probably as good an authority on that subject as there is. So when Ben Franklin came to Europe in the 18th century, he already saw the results of what these people had done after they left their homeland. And every word of it is true... they say it themselves. I can give you half a dozen books they've written in which they say the same thing: When they have money they become tyrants. And when they become defeated, they become ruthless. They're only barbarians. They're the descendants of Asiatic Mongols and they will do anything to accomplish their purpose.

What right did they have to take over Russia the way they did? The Czar had abdicated nine or ten months before that. There was no need for them. . . they were going to have a constitutional monarchy. But they didn't want that. When the constitutional monarchy was to assemble in November, they mowed them all down and established the Soviet Union.
~~~~~~~~~~~~~~~~~~~~~~~~~~~~

There was no need for that. But they thought, "Now is the time", and if you you will look in the Encyclopedia Britannica under the word 'Bolshevism', you'll find the five laws there that Lenin put down for a successful revolution. One of them is, "Wait for the right time, and then give them everything you've got". It would pay you to read that.

You'd also find that Mr. Harold Blacktree, who wrote the article for the Encyclopedia Britannica states that the Jews conceived and created and cultivated the Communist movement. And that their energy made them the spearhead of the movement. Harold Blacktree wrote it and no one knew more about Communism than he. And the Encyclopedia Britannica for 25 years has been printing it.

~~~~~~~~~~~~~~~~~~~~~~

[Question inaudible] Freedman: Well, I can't advocate that you do anything that's criminal, but I can tell you this. You can start what I call an endless chain. If you can get your friends to write, objectively, here is the statement: Mr. Kennedy's office gave me this himself. Mr. Smith, who succeeded Mr. Kennedy, took over his office -- was in his office -- and gave me this. He delivered this on the 25th, and it says here:

"For release to AM (that means morning papers), August 25th". "Israel is here to stay. It is a national commitment, special obligation of the Democratic Party. The White House must take the lead. American intervention. We will act promptly and decisively against any nation in the Middle East which attacks its neighbor. I propose that we make clear to both Israel and the Arab states our guarantee that we will act with whatever force and speed are necessary to halt any aggression by any nation".

Well, do you call the return of people to their homeland [the Arab Palestinians] aggression? Is Mr. Kennedy going to do that? Suppose three million Mexicans came into Texas and drove the six million Texans into the deserts of Arizona and New Mexico. Suppose these Mexicans were slipped in there armed -- the Texans were disarmed -- and one night they drove them all out of Texas and declared themselves the Republic of the Alamo. What would the United States say?

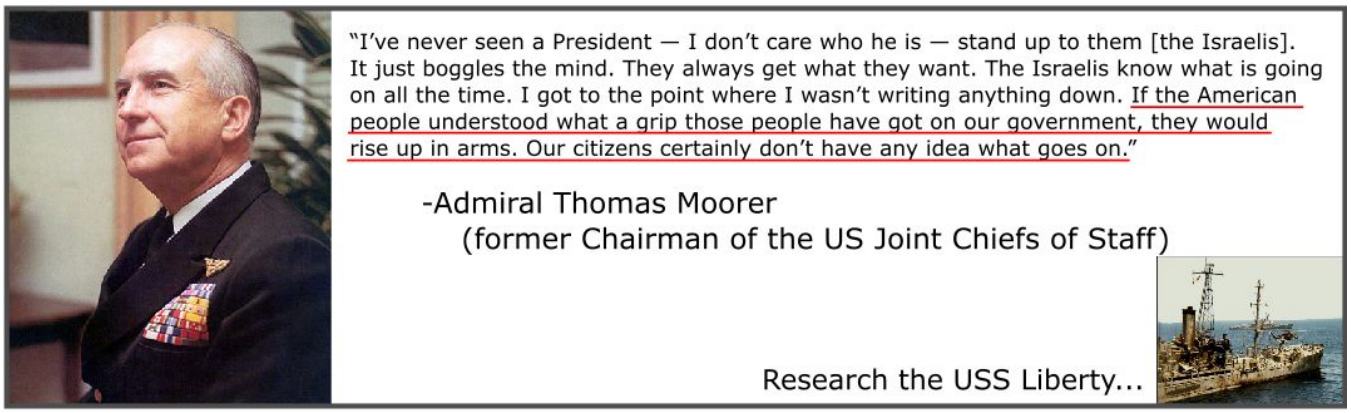

Would we say it's aggression for these Texans to try to get their homes back from the Mexican thieves? Suppose the Negroes in Alabama were secretly armed by the Soviets and overnight they rose up and drove all the whites into the swamps of Mississippi and Georgia and Florida. . . drove them out completely, and declared themselves the Republic of Ham, or the Republic of something-or-other. Would we call it aggression if these people, the whites of Alabama, tried to go back to their homes?

Would we. . . what would we think if the soviet Union said, "No, those Negroes now occupy them! Leave them there!", or "No, those Mexicans are in Texas. they declared themselves a sovereign state. Leave them there. You have plenty of room in Utah and Nevada. Settle somewhere else".

Would we call it aggression if the Alabama whites or the Texans wanted to go back to their homes? So now, you've got to write to President Kennedy and say, "We do not consider it aggression in the sense that you use the word, if these people want to return to their homes as the United Nations -- fifteen times in the last twelve years -- called upon the Zionists in occupation of Palestine to allow the Arab Palestinians to return to their former homes and farms".

[End of transcript of Benjamin Freedman speech, given in 1961 at the Willard Hotel in Washington, D.C., on behalf of Conde McGinley's patriotic newspaper of that time, Common Sense.]

Nixon mentions the Jews.

The Races are Different

It is a Lie that the human races & accompanying cultures the same...They are different!

The lie that they are the same strips you of your place in the world. It strips you of your identity. It places you in darkness in terms of allowing each unique man and each unique race to receive in accordance to that which is just.

To Lie and teach that the races are the same is to promote injustice.

Nature does not create equally. The mouse is not the same as the eagle. So too, nature does not produce two mice, even with the same mother, that are identical. How much greater is this difference among humans, whose existence is so much more than that of the body! Even two “identical twins”, raised in the same family who have gone to the same school, will be unequal in many ways. To force each of these unequal men to have the same reward or punishment is unjust. It has been said that “forced equality of outcome is injustice”.

The definition of injustice is that of receiving something which is not justified.

Perpetuate no more, the lie that the races are the same! They are different! Enjoy it as such! As individuals do, the races and cultures have their own talents.

Advanced Homo Sapiens
Primitive Neanderthals

People shouldn't be proud of their ancestors' achievments
People should feel guilty of their ancestors' mistakes
JAKE-CLARK.TUMBLR

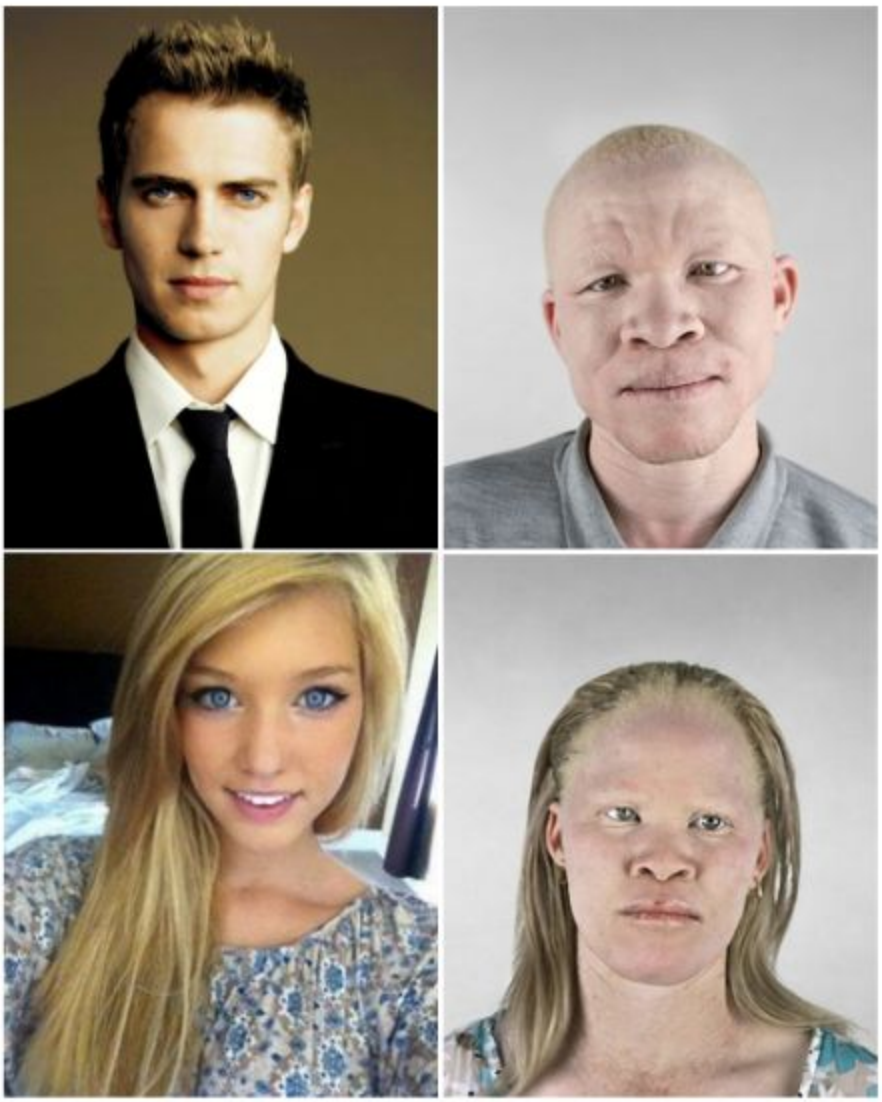

Identifiably different subspecies'. Closely related and capable of interbreeding effectively, but part of distinct genetic, phenotypical, and behavioral groups.

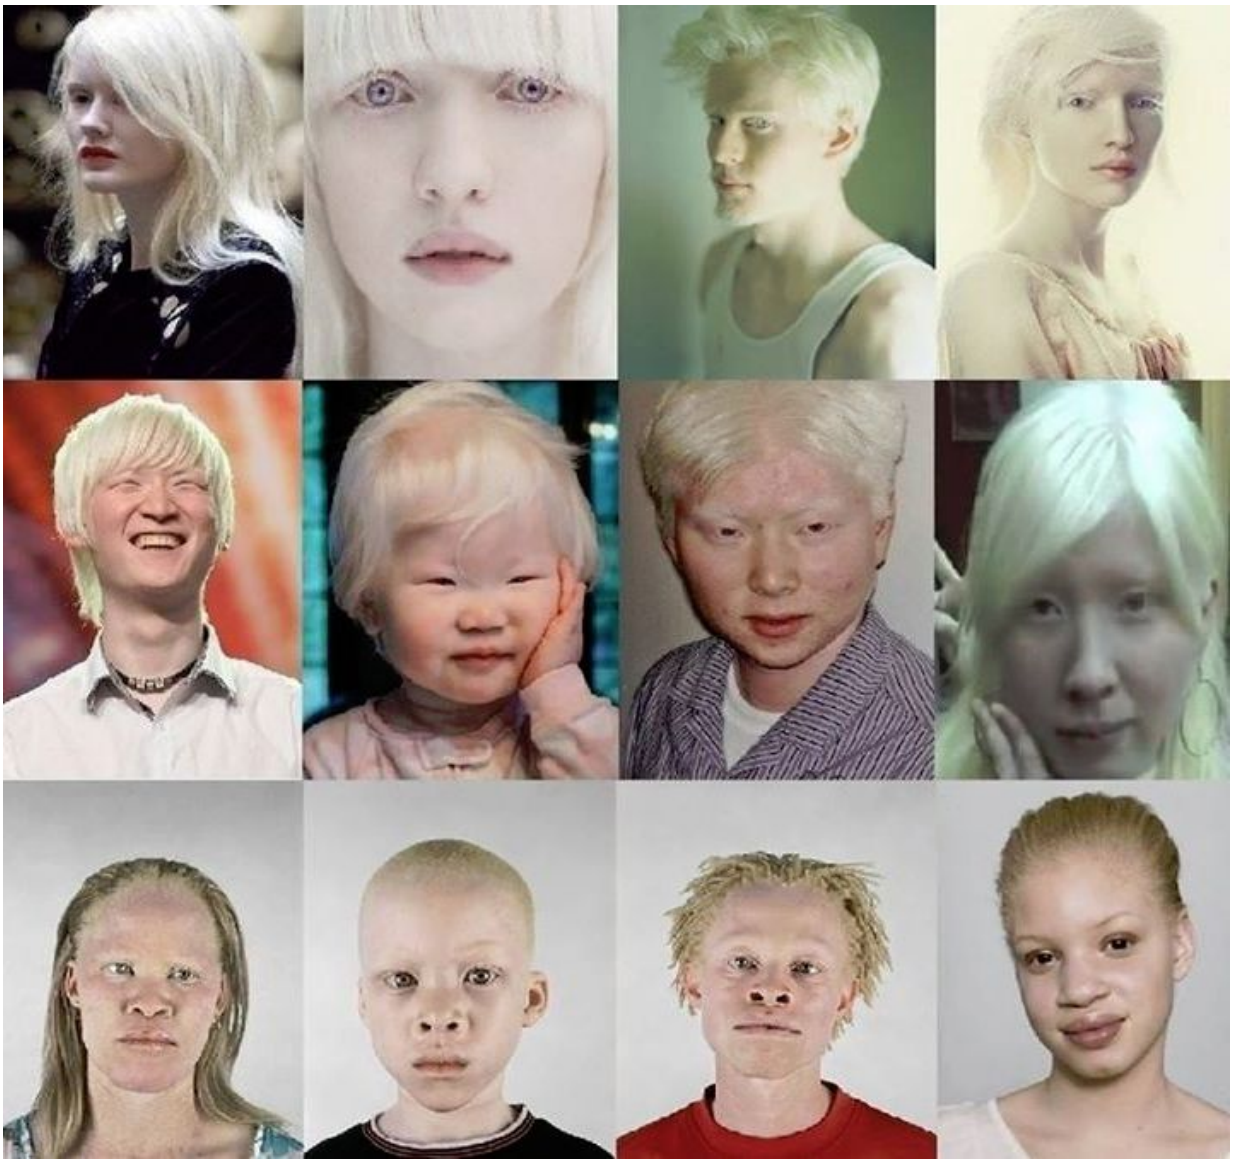

One race: the Human race

"RACE IS ONLY A SKIN COLOR"

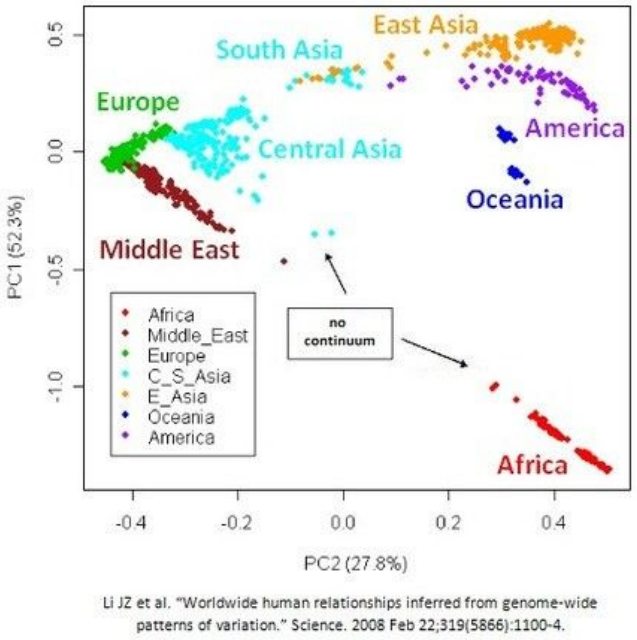

Can you spot the difference between these two sets of people?

No, you can't. They are all white people. They blend into our society.

Myth #1: "Race has no biological basis"

Li JZ et al. "Worldwide human relationships inferred from genome-wide patterns of variation." Science. 2008 Feb 22;319(5866):1100-4.

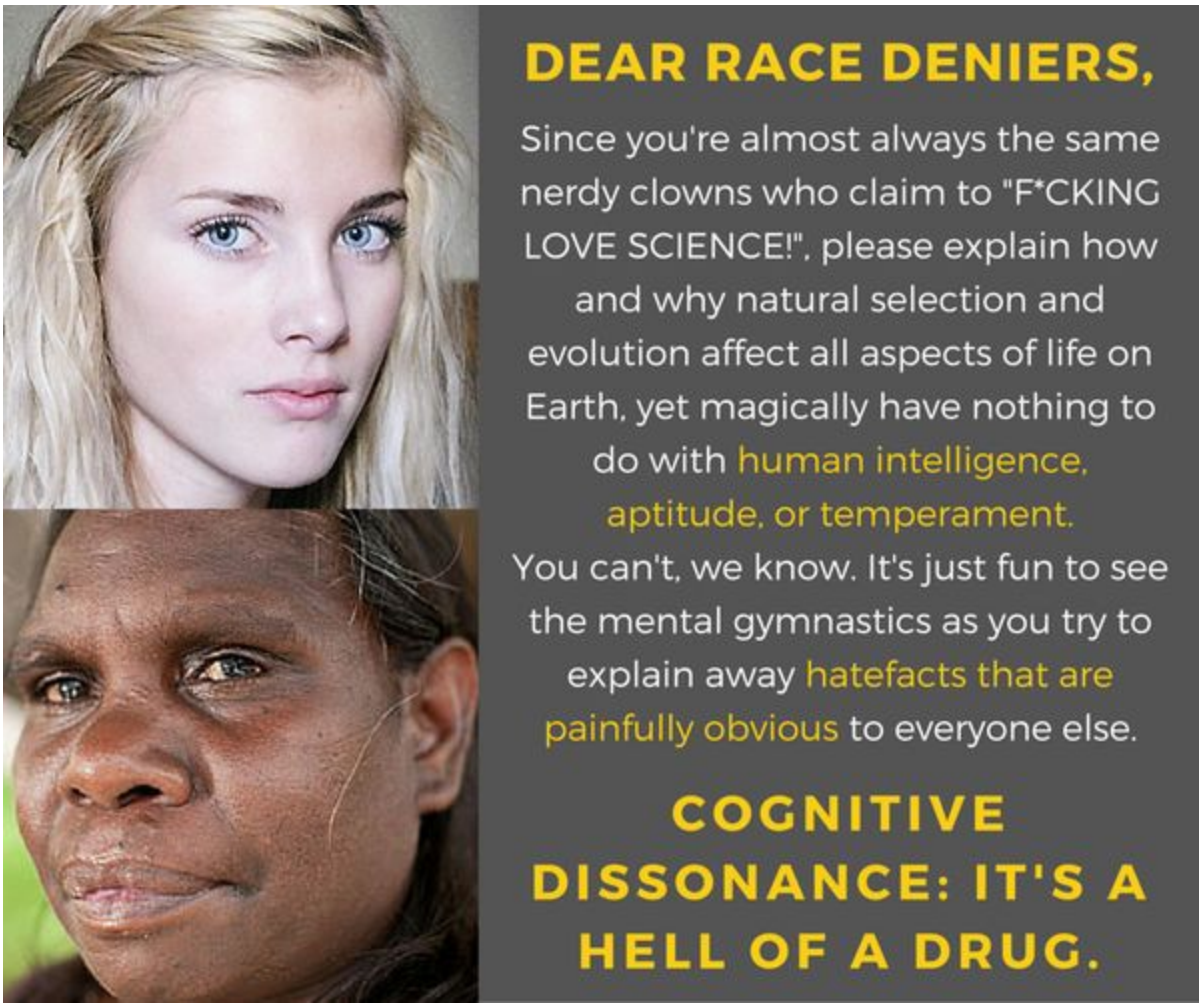

Fact: There are very accurate ways to determine someone's ancestry based on DNA such as principal component analysis.

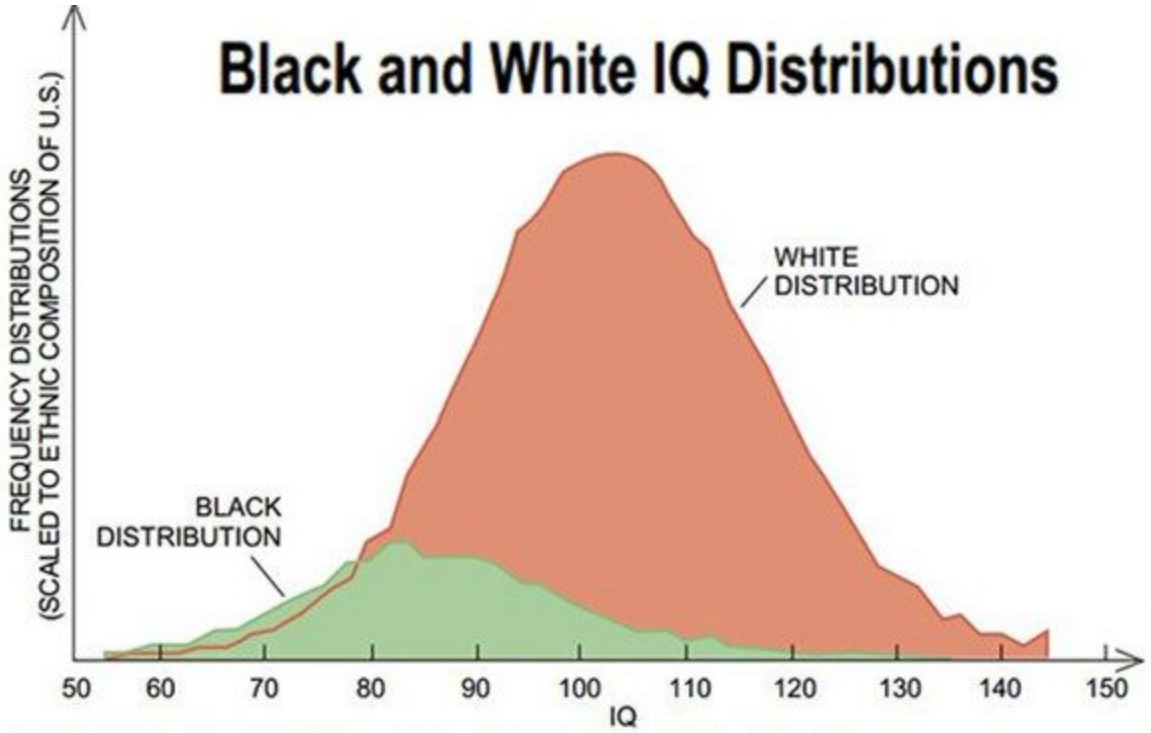

When you sample many individuals across the globe and map them, you notice an overall clustering pattern where you can identify populations and races.

This clustering is a natural consequence of divergent evolution due to geographical isolation and differing environmental pressures that Homo sapiens encountered since migrations took place.

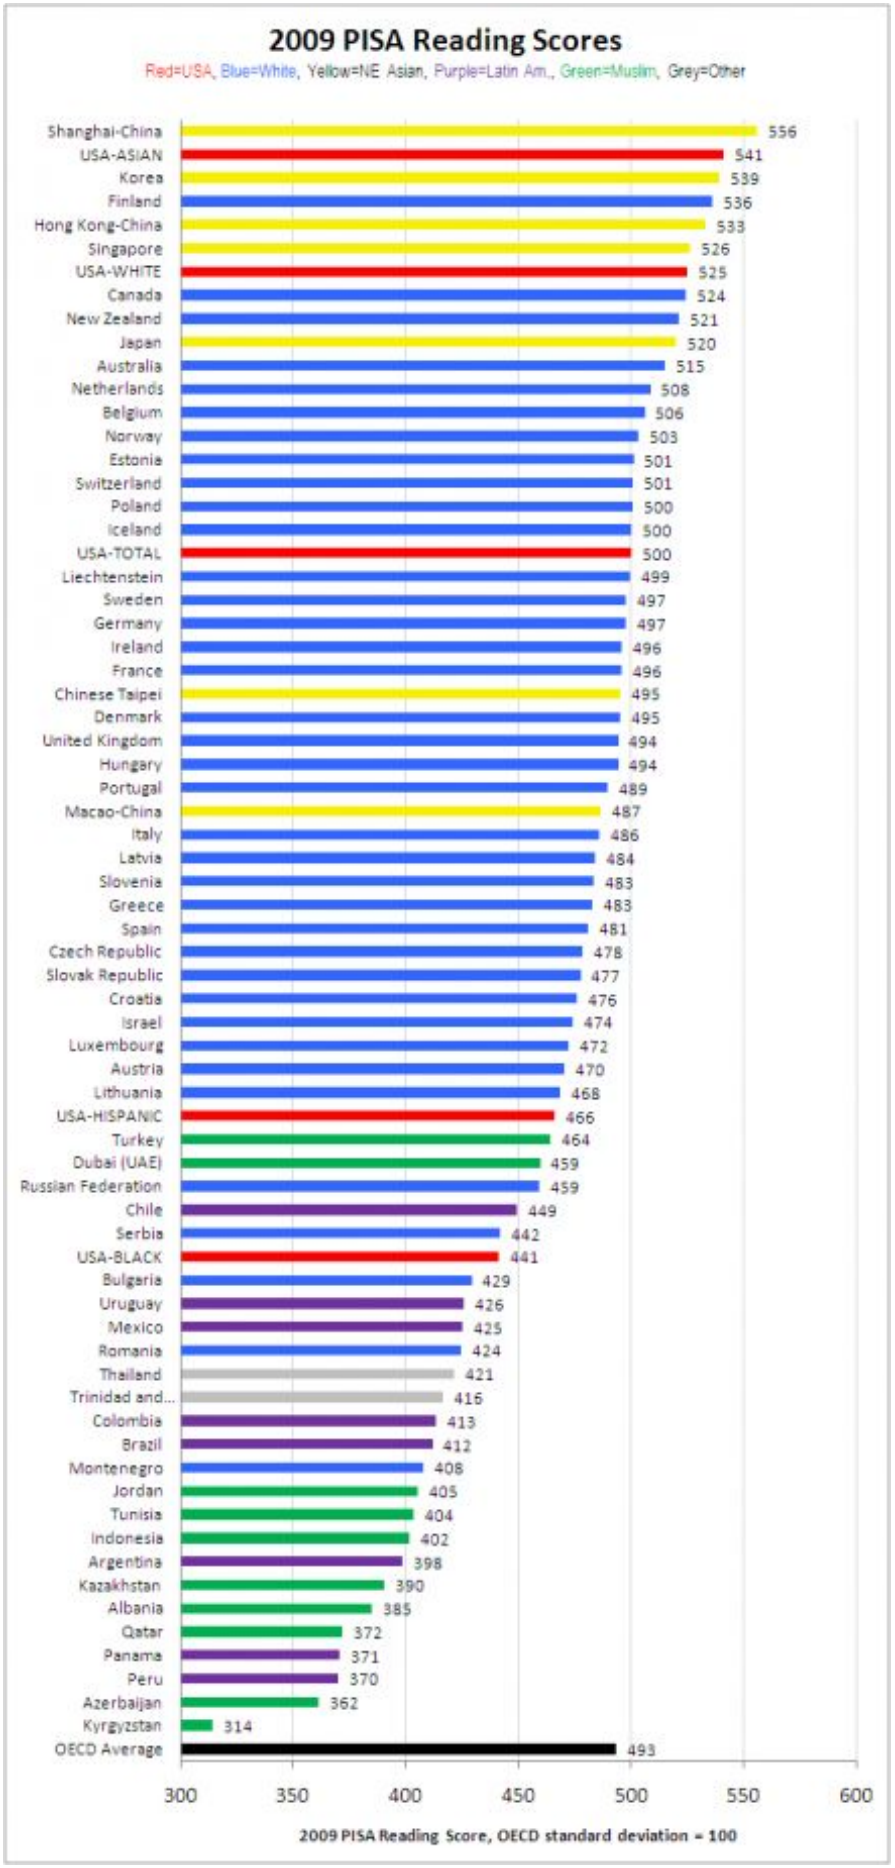

Africans are consistently separated from the rest and this is due to the fact that they have been evolving separately for more than 40,000 years and unlike the rest, they don't have any Neanderthal admixture.

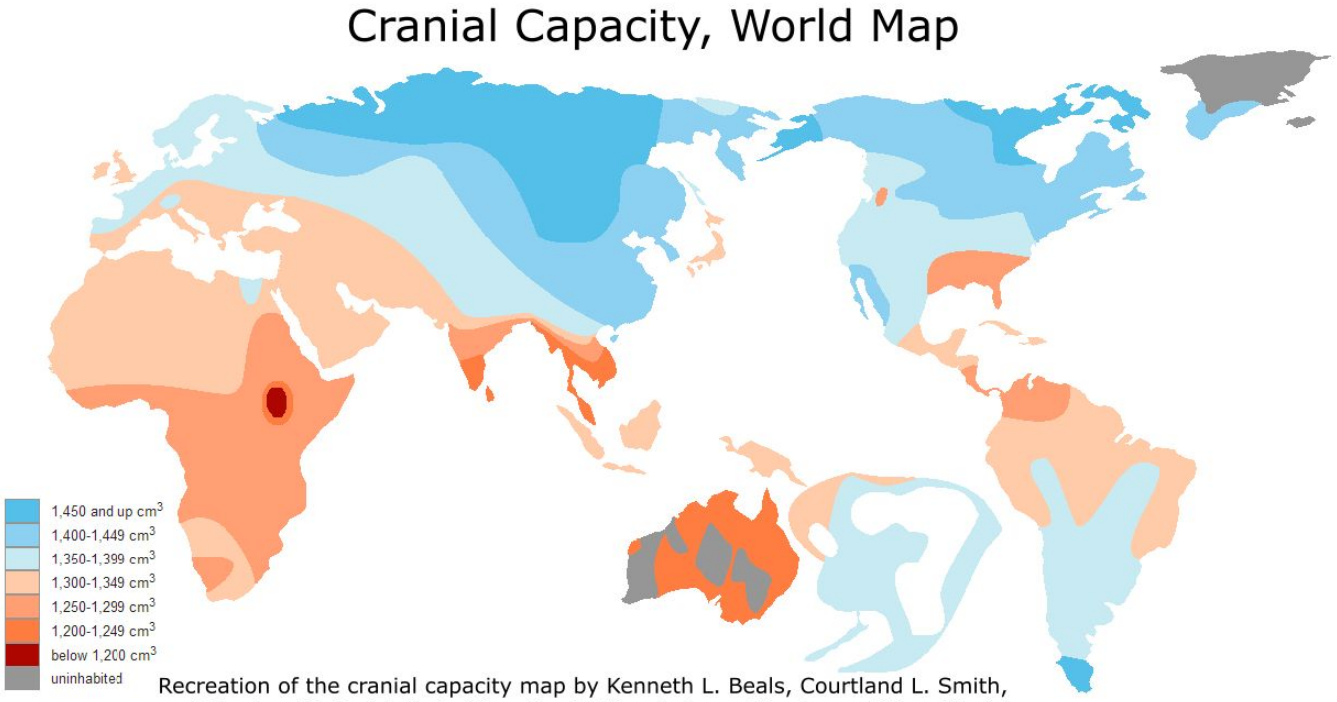

DEAR RACE DENIERS,
Since you're almost always the same nerdy clowns who claim to "F*CKING LOVE SCIENCE!", please explain how and why natural selection and evolution affect all aspects of life on Earth, yet magically have nothing to do with human intelligence, aptitude, or temperament.
You can't, we know. It's just fun to see the mental gymnastics as you try to explain away hatefacts that are painfully obvious to everyone else.

The Minnesota Transracial Adoption Study examined the IQ test scores of 130 black/interracial children adopted by advantaged white families. The aim of the study was to determine the contribution of genetic factors to the poor performance of black children on IQ tests as compared to white children. By examining the cognitive ability and school performance of both black and white children adopted into white families, the study intended to separate genetic factors from rearing conditions as causal influences in the gap. The initial study was published in 1976 by Sandra Scarr and Richard A. Weinberg. A follow up study was published in 1992 by Richard Weinberg, Sandra Scarr and Irwin D. Waldman.

Source: Third Unabridged Edition of *Race, Evolution, and Behavior* (pp. P-15 to P-16, 135-137, 278-280).

The chart shows the mean IQ of black, white, and mixed-race black/white children adopted by upper-middle-class white families in Minnesota, and the mean IQ of non-adopted white children brought up in an upper-middle-class white family. The average IQ of the adopting parents was more than 1 standard deviation above the population mean of 100. it was previously known that adoption into upper-middle class white families has a positive influence on the IQ and school performance of white children. The difference in IQ scores between the adopting parents and their biological children would generally be explained in genetics by regression toward the mean.

The adopting parents of 12 of the interracial children wrongly believed that their adopted children had two black parents. The average IQ of these 12 children was not significantly different from the scores of the 56 interracial children correctly classified by their adoptive parents as having one black and one white parent.

The data is sourced from the latest reanalysis of the Minnesota Transracial Adoption Study by John Loehlin in his book: "the Handbook of Human Intelligence(2000)". http://en.wikipedia.org/wiki/Minnesota_Transracial_Adoption_Study

Mainstream Science on Intelligence

From Wikipedia, the free encyclopedia

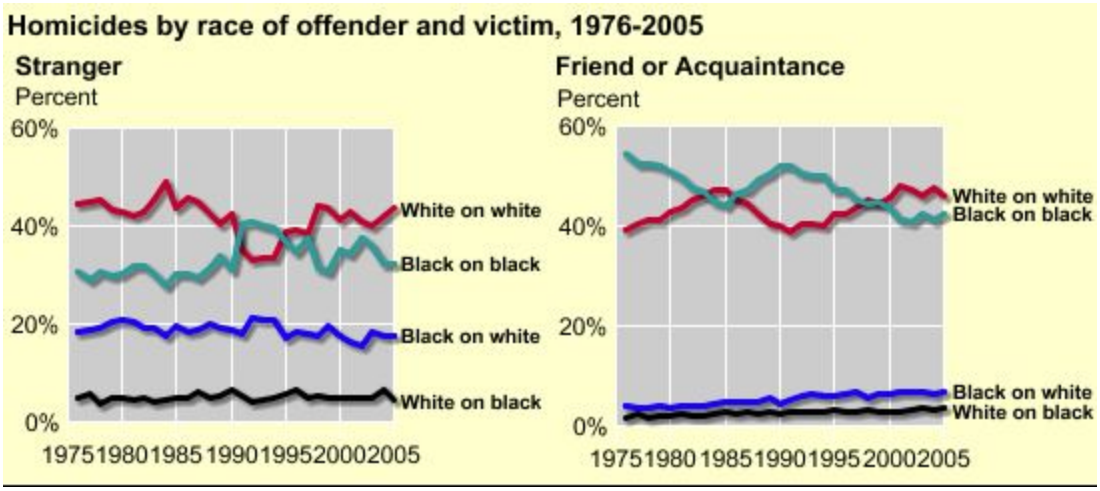

"**Mainstream Science on Intelligence**" was a public statement issued by a group of academic researchers in fields associated with intelligence testing that claimed to present those findings widely accepted in the expert community. It was originally published in the *Wall Street Journal* on December 13, 1994 as a response to what the authors viewed as the inaccurate and misleading reports made by the media regarding academic consensus on the results of intelligence research in the wake of the appearance of *The Bell Curve* by Richard Herrnstein and Charles Murray earlier the same year. It was drafted by professor of psychology Linda Gottfredson, sent to 131 researchers,[1] and signed by 52 university professors specializing in intelligence and related fields, including around one third of the editorial board of the journal *Intelligence*,[2] in which it was subsequently reprinted in 1997. The 1997 editorial prefaced a special volume of *Intelligence* with contributions from a wide array of psychologists.

1. *"Intelligence is a very general mental capability ... it reflects a broader and deeper capability for comprehending our surroundings ..."*
2. *"Intelligence, so defined, can be measured, and intelligence tests measure it well. They are among the most accurate (in technical terms, reliable and valid) of all psychological tests and assessments."*
3. *"While there are different types of intelligence tests, they all measure the same intelligence."*
4. *"The spread of people along the IQ continuum ... can be represented well by the ... 'normal curve'."*
5. *"Intelligence tests are not culturally biased"*
6. *"The brain processes underlying intelligence are still little understood"*
7. *"Members of all racial-ethnic groups can be found at every IQ level...The bell curves for some groups (Jews and East Asians) are centered somewhat higher than for whites in general. Other groups (blacks and Hispanics) are centered somewhat lower than non-Hispanic whites."*
8. *"The bell curve for whites is centered roughly around IQ 100; the bell curve for American blacks roughly around 85; and those for different subgroups of Hispanics roughly midway between those for whites and blacks. The evidence is less definitive for exactly where above IQ 100 the bell curves for Jews and Asians are centered"*
9. *"IQ is strongly related, probably more so than any other single measurable human trait, to many important educational, occupational, economic, and social outcomes ... Whatever IQ tests measure, it is of great practical and social importance"*
10. *"A high IQ is an advantage because virtually all activities require some reasoning and decision-making"*
11. *"The practical advantages of having a higher IQ increase as life's settings become more complex"*
12. *"Differences in intelligence certainly are not the only factor affecting performance in education, training, and complex jobs ... but intelligence is often the most important"*
13. *"Certain personality traits, special talents, [etc] are important ... in many jobs, but they have narrower (or unknown) applicability or 'transferability' across tasks and settings compared with general intelligence"*
14. *"Heritability estimates range from 0.4 to 0.8 ... indicating genetics plays a bigger role than environment in creating IQ differences"*
15. *"Members of the same family also tend to differ substantially in intelligence"*
16. *"That IQ may be highly heritable does not mean that it is not affected by the environment ... IQs do gradually stabilize during childhood, however, and generally change little thereafter"*
17. *"Although the environment is important in creating IQ differences, we do not know yet how to manipulate it"*
18. *"Genetically caused differences are not necessarily irremediable"*
19. *"There is no persuasive evidence that the IQ bell curves for different racial-ethnic groups are converging"*
20. *"Racial-ethnic differences in IQ bell curves are essentially the same when youngsters leave high school as when they enter first grade ... black 17-year-olds perform, on the average, more like white 13-year-olds"*
21. *"The reasons that blacks differ among themselves in intelligence appear to be the same as those for why whites ... differ among themselves"*

22. *"There is no definitive answer as to why bell curves differ across racial-ethnic groups. The reasons for these IQ differences between groups may be markedly different from the reasons for why individuals differ among themselves within any particular group"*
23. *"Racial-ethnic differences are somewhat smaller but still substantial for individuals from the same socio-economic backgrounds"*
24. *"Almost all Americans who identify themselves as black have white ancestors – the white admixture is about 20% ... research on intelligence relies on self-classification into distinct racial categories"*
25. *"The research findings neither dictate nor preclude any particular social policy, because they can never determine our goals. They can, however, help us estimate the likely success and side-effects of pursuing those goals via different means."*

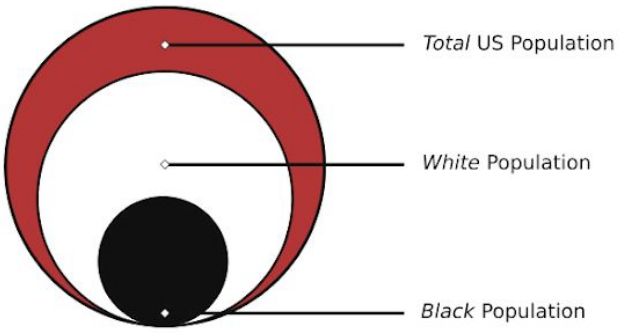

It's almost like homicide maps correlate to IQ maps.

Across America, whites are biased and they don't even know it

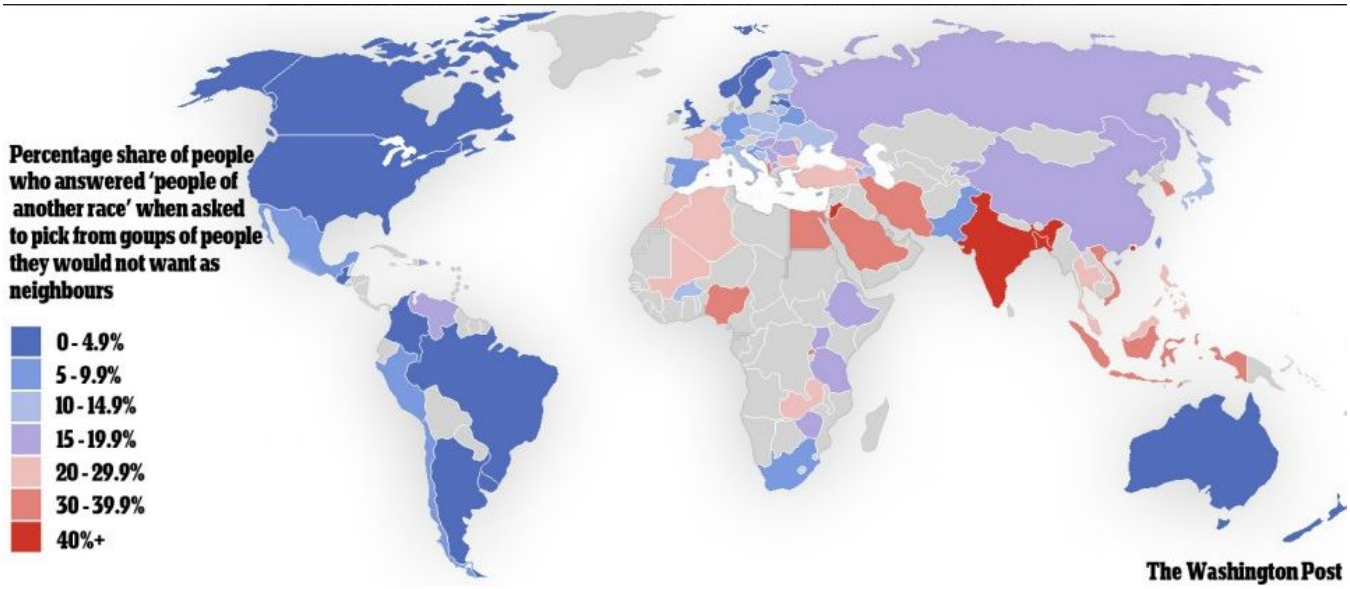

Most white Americans demonstrate bias against blacks, even if they're not aware of or able to control it. It's a surprisingly little-discussed factor in the anguishing debates over race and law enforcement that followed the shootings of unarmed black men by white police officers. Such implicit biases -- which, if they were to influence split-second law enforcement decisions, could have life or death consequences -- are measured by psychological tests, most prominently the computerized Implicit Association Test, which has been taken by over two million people online at the website Project Implicit.

Meanwhile...

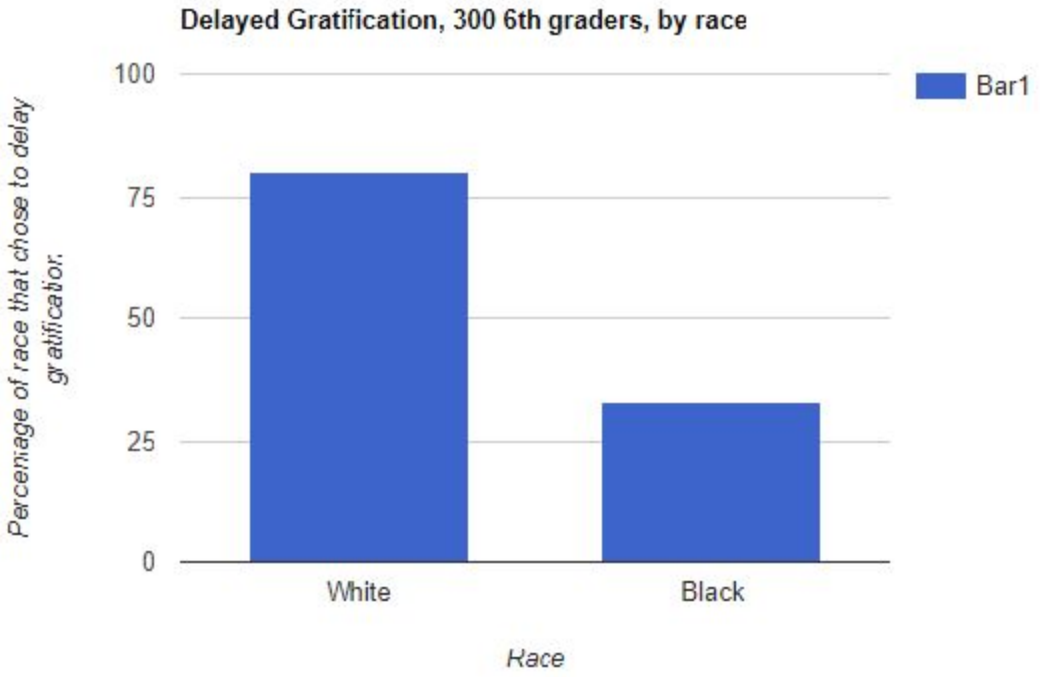

Seems the biggest indicator of racist attitudes towards blacks is coming into contact with blacks.

Centers for Disease Control (CDC) suggest that in 2012, 123 blacks were killed by police using firearms while 326 whites, including 227 non-Hispanic whites, were killed. These data, however are also not entirely reliable, but represent a larger data set than the FBI's Uniform Crime Reporting (UCR).

Brown, a serial sexual predator with prior convictions, lured Lauren over to his house under the premise of doing some clerical work for him, then raped her and stabbed her to death. He had sex with her corpse, then attempted to cut off her leg so he could stuff her body in a clothes bin. Brown left her body in a basement closet for six days before putting it by a trash bin outside the high school. He claimed that Lauren agreed to have sex with him for $200, but that he refused to pay her afterwards & she attacked him, forcing him to kill her.

WHAT IS BLACK PRIVILEGE?
Black privilege is being able to take pride in your race without fear of persecution.
Black privilege is when people assume you are poor because of racism, not because you're lazy.
Black privilege is being wealthy without people assuming your wealth was handed to you or that you exploited others.
Black privilege is being able to commit violent crimes against another race without people assuming you are racist.
Black privilege is being given 'affirmative action' which advantages you in jobs and colleges based on your skin tone.
Black privilege is having the media cover up your race in the event of a black flash mob or a gruesome murder
Black privilege is being able to make insensitive comments about other races and not being called out on it
Black privilege is when people assume that the police pulled you over because of racism, not because you were speeding.
Black privilege is being able to preserve and promote your culture and having your culture protected from criticism.
Black privilege is being able to blame your shortcoming on racism.
Black privilege is when people consider you to be superior at sports or 'better in bed' without it being considered racist.
Black privilege is not having to be fearful of offending minorities.
Black privilege is having the establishment lie to cover up problems in your community or protect you from criticism.
Black privilege is when you can be over-represented in a certain field without people trying to amend it
Black privilege is having the government pander to your interests in order to get the 'black vote'
Black privilege is having Hollywood always present your race in a positive light

The "Jewish takeover" of America

By DAVID BROOKS

"You realize what you're talking about is the Jews taking over America."

My eyes bugged out, but then I realized that she was Jewish and she knew I was, too, and between us we could acknowledge there's a lot of truth in that statement. For the Jews were the vanguard of a social movement that over the course of the 20th century transformed the American university system and the nature of the American elite.

Newspaper control ... by the Jews is not a matter of money. It is a matter of keeping certain things out of the public mind and putting certain things into it. --- Henry Ford's The International Jew; vol. 1, chapter 17

"The greatest danger to this country lies in their large ownership and influence in our motion pictures, our press, our radio and our government." (Charles A. Lindberg, Speech at Des Moines, Iowa, September 11, 1941).

"The role of Jews who write in both the Jewish and [American] general press is to defend Israel." (Commentary of Editor Norman Podhoretz)

YouTube, Twitter, Facebook UTC, are letting Marxist set the culture values. How they do this is by deleting videos that Marxist say are controversial or harmful. however this is certainly not the same for proponents of Western culture. This shapes culture in a few ways. First, it removes proponents of Western culture, or it removes evidence that they have presented that shows the demerits of communist culture. Second, it allows communist culture to flourish, by popularizing or un-trending culture that is counter-communist culture. (Like video set to remix of seven Nation army)

“The narrative” is often this river of language/thought that is flowing around us. Jews use organizations as boulders or dams in this river. The organization applies pressure to a particular “current” of thought/language/publication, and lo, the river is influenced or cut off. Amazon, once proud to sell any book now refuses to sell certain books: most of which could be said to cause people to have a negative reaction to the history or tactics of the Jews.

Legacy Media
CNN, NBC, etc....all are currently Jewish-controlled (and have been for a long time!)

6 corporations own all the media...Jews own these as well!

"Allowing NBC to televise this matter [revelations about former Prime Minister Peres formulating the U.S. sale of weapons to Iran] is evidence that some U.S. agencies are undertaking a private crusade against Israel. That's very severe, and is something you just don't do to a friend." (Chicago Tribune 11/24/84)

Censorship, deleting videos

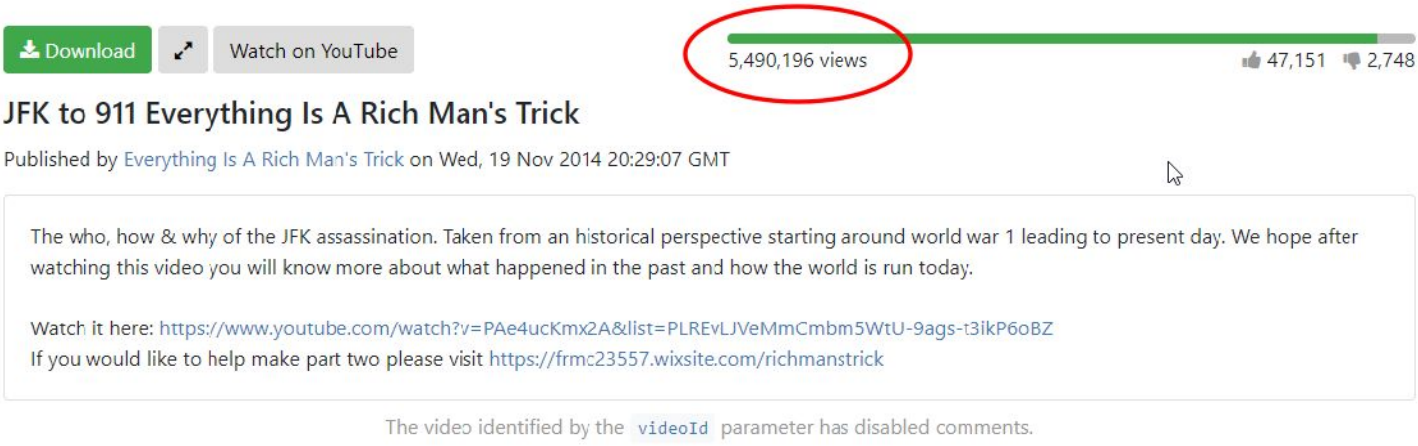

There were many videos deleted in 2017 and 2018 from playlists that were created to document the corruption within the Hillary campaign, and within the DNC, as well as perpetrated by Antifa and sympathizers to the “left”. I experienced this first hand. Because my playlist was not documented off-site (of Youtube) prior to the deleting of videos, it is unknown what they are. I remember some being Antifa physical assaults of pushing Trump supporters to the ground and punching and kicking them, even when the mob of Antifa was 50+, and it was only a single Trump supporter. These mob beatings occurred mostly at Berkeley, CA, and perhaps Boston, New York City, and Los Angeles.

Other removed videos included videos about Hitler, or somehow involving “NAZI” imagery set to modern music, and many of these had hundreds of thousands, or even millions of views.

A very-widely viewed video, that gives good information (more relevant than CNN/NBC, etc) and presents good evidence. This video appealed a little more to generation X and to boomers. Youtube has fully eliminated 3rd party ability to fetch the comments for this video from this URL! Many of them which work towards information sharing, and basically towards the end of getting corruption out of America.

World Defeated The Wrong Enemy
Published by LeisureX on Thu, 09 Jul 2015 13:31:35 GMT
The Greatest Story Never Told:- winner's write history, Adolf Hitler was actually a vegetarian, animal-lover, an author, an artist, a political activist, economic reformer and nominated for a Nobel Peace prize. He enacted the world's first anti-animal cruelty, anti-pollution, and anti-smoking laws. Unlike the demonic portrait that the "allies" painted of him, Hitler was beloved by his people, he wanted nothing but peace, and never ordered the extermination of a single Jew. The largely Jewish-controlled mainstream media has ever since painted an evil picture of Hitler and the Jew World Order has even enacted laws in 16 European countries prohibiting free-speech on the issues of Judaism, Hitler and the Holocaust.

When Hitler had the British shaking in their boots trying to get back to England he should have wiped them out at that point. . But he let them run home, cry to America for their cowardly response. The couldn't even face the Germans head on they had sneak in at night. Now we understand why this happened. They go around the world keeping people in debt. Hitler wanted no part of their robbery of his country or people. Looks like Iran is the last man standing, that is not in their debt.

I was raised a Jehovh witness and we were taught that Adolf Hitler was the most evil man to ever live and despite that growing up when I would watch some of Adolf's speeches and the conviction and passion with which spoke to his people I was always overwhelmed with emotions and got goosebumps and I wonder why I was so attracted to this beautiful mans energy despite being inculcated since birth that "Adolf Hitler was possessed by the devil himself" as my mother would always tell me. I now realize that he was a beautiful man and had his name degraded by the true devil's in sheep clothing. May the truth of his name and legacy live on!

this is the greatest compilation I've ever seen on this subject and I would recommend watching it in segments because it's rather long but it is well worth it and it will change your public View in an instant especially when you do a little homework and verify what you learned.

Let us all remain engaged and receptive to alternate points of view. Even if a person doesn't believe the information in this video then at least we can admit that "history is written from the perspective of the winner" therefore as a result contradictions become suppressed. It is healthy for us to question everything we've mindlessly accepted within the education system.

$3.1+ billion U.S. taxpayer money given to ethno-state yearly

Where does Christ-denying Israel end, and the U.S. begin? Why is the tax-money of American citizens being sent to the ethno-state of Israel which would deny citizenship to the majority of US citizens if they tried to gain it? This money is sent to Israel because Jews have big influence in the US. Their influence allows them to keep this hushed (have you seen any CNN reporters riling up the populace against this aid, the way they rile up the populace against Trump or against White-on-Black violence? Have you seen US law-makers or lobby groups, or politicians rally against this? NO! Such is the power of Jewish influence. Christians in the US are to blame as well, due to their blind support of Israel in thoughts that these Ashkenazi Jews from all over the world are the same Hebrew people from the Bible, and that Israeli's respect Jesus and are Godly, God's chosen people.

Look hard into this, Christian American, and you will find that at the heart of Judaism (80% of Israel's population!), Christ sits "in a cauldron of boiling excrement in the fires of hell". In the least, to a great many atheist Israelis, Christ was a nobody.

Look hard into this, Progressive Liberal: Israel allows only Jews to be citizens, and sues Palestinian families for the deaths of Palestinian children that assault tanks with stones.

Look hard into this, Patriot: Money is taken from you and your children, and given to the hands of a people that is working to destroy you and your culture.

Look hard into this, Black man, Asian man, Hispanic man: are you welcome to Israel? Is your money better spent on the European "Jews" in Israel, or on your own family, and on your own soil? What conflicts has Israel had that this money is spent on? How many conflicts has Israel had? What has been their involvement in world affairs? Now judge that against the same for Libya, for Sweden, for Mexico, for Japan. Does the Jewish-controlled media, of which much of that control is influenced by "Israeli" [international] Jews promote peace between the races? Does it give the situation a fair shake by showing facts and the true context of things? Or does it work to lie, race-bait, omit truths, and inflame passions?

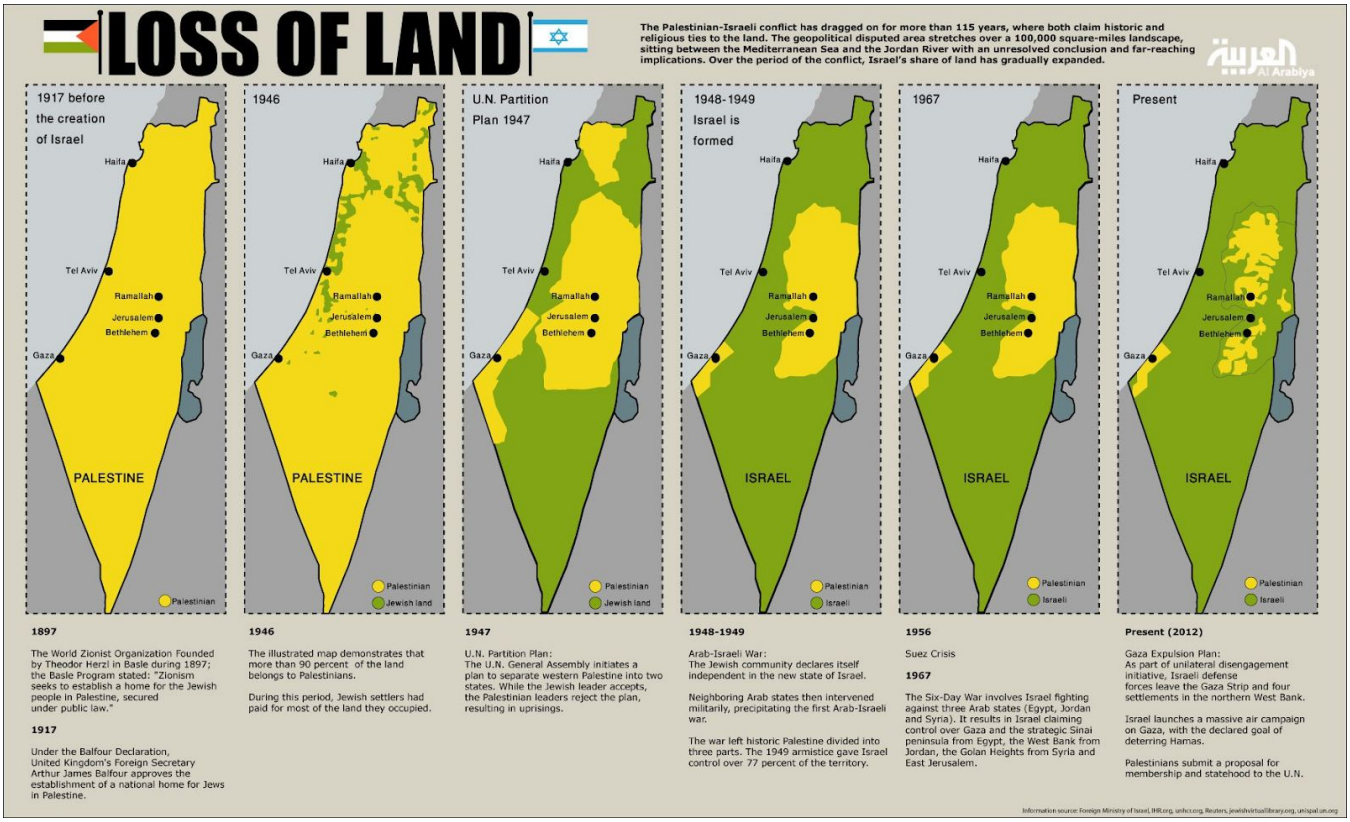

For a brief history of US citizen's non-consensual transfer of wealth to Israel see the Jewish Virtual Library: http://archive.is/xJOXt

"U.S. Foreign Aid to Israel" by Jeremy M. Sharp,
Specialist in Middle Eastern Affairs; April 10, 2018" (below)

P.L. 115-141, the FY2018 Consolidated Appropriations Act, provides the following for Israel:

- $3.1 billion in Foreign Military Financing, of which $815.3 million is for off-shore procurement;
- $705.8 million for joint U.S.-Israeli missile defense projects, including $92 million for Iron Dome, $221.5 million for David's Sling, $310 million for Arrow 3, and $82.3 million for Arrow 2;
- $47.5 million for the U.S.-Israeli anti-tunnel cooperation program;
- $7.5 million in Migration and Refugee Assistance;
- $4 million for the establishment of a U.S.-Israel Center of Excellence in energy and water technologies;
- $2 million for the Israel-U.S. Binational Research & Development Foundation (BIRD) Energy program; and
- The reauthorization of War Reserves Stock Allies-Israel (WRSA-I) program through fiscal year 2019.

For FY2019, the Trump Administration is requesting $3.3 billion in Foreign Military Financing for Israel and $500 million in missile defense aid to mark the first year of the new MOU. The Administration also is seeking $5.5 million in Migration and Refugee Assistance (MRA) funding for humanitarian migrants to Israel.

Frankfurt School & “Critical theory”

Quoted from zerohedge. http://archive.is/BOrkG

Before WWI, Marxist theory held that if war broke out in Europe, the working classes would rise up against the bourgeoisie and create a communist revolution.
Well, as is the case with much of Marxist theory, things didn’t go too well. When war broke out in 1914, instead of starting a revolution, the proletariat put on their uniforms and went off to war.
After the war ended, Marxist theorists were left to ask, “What went wrong?”
Two very prominent Marxists thinkers of the day were Antonio Gramsci and Georg Lukács. Each man, on his own, concluded that the working class of Europe had been blinded by the success of Western democracy and capitalism. They reasoned that until both had been destroyed, a communist revolution was not possible.
Gramsci and Lukács were both active in the Communist party, but their lives took very different paths.

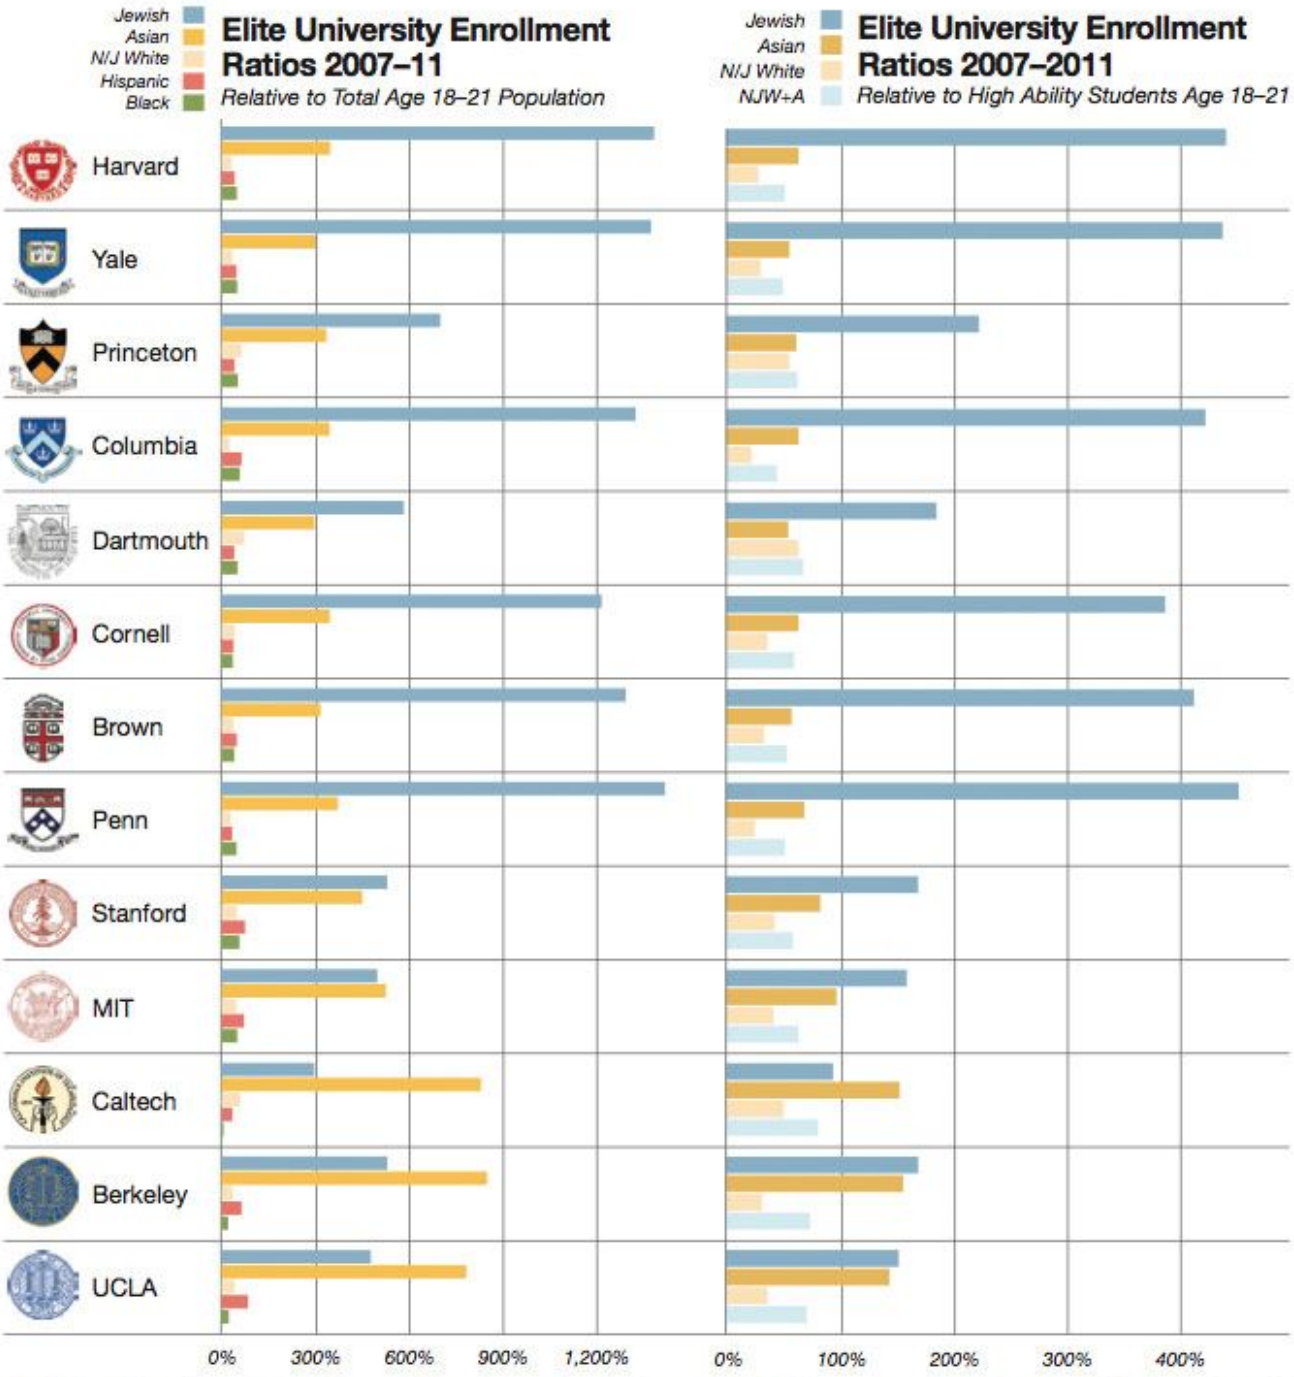

Gramsci was jailed by Mussolini in Italy where he died in 1937 due to poor health.
In 1918, Lukács became minister of culture in Bolshevik Hungary. During this time, Lukács realized that if the family unit and sexual morals were eroded, society could be broken down.
Lukács implemented a policy he titled “cultural terrorism,” which focused on these two objectives. A major part of the policy was to target children’s minds through lectures that encouraged them to deride and reject Christian ethics.
In these lectures, graphic sexual matter was presented to children, and they were taught about loose sexual conduct.
Here again, a Marxist theory had failed to take hold in the real world. The people were outraged at Lukács’ program, and he fled Hungary when Romania invaded in 1919.

The Birth of Cultural Marxism
All was quiet on the Marxist front until 1923 when the cultural terrorist turned up for a “Marxist study week” in Frankfurt, Germany. There, Lukács met a young, wealthy Marxist named Felix Weil.
Until Lukács showed up, classical Marxist theory was based solely on the economic changes needed to overthrow class conflict. Weil was enthused by Lukács’ cultural angle on Marxism.
Weil’s interest led him to fund a new Marxist think tank—the Institute for Social Research. It would later come to be known as simply The Frankfurt School.
In 1930, the school changed course under new director Max Horkheimer. The team began mixing the ideas of Sigmund Freud with those of Marx, and cultural Marxism was born.
In classical Marxism, the workers of the world were oppressed by the ruling classes. The new theory was that everyone in society was psychologically oppressed by the institutions of Western culture. The school concluded that this new focus would need new vanguards to spur the change. The workers were not able to rise up on their own.
As fate would have it, the National Socialists came to power in Germany in 1933. It was a bad time and place to be a Jewish Marxist, as most of the school’s faculty was. So, the school moved to New York City, the bastion of Western culture at the time.

In 1934, the school was reborn at Columbia University. Its members began to exert their ideas on American culture.
It was at Columbia University that the school honed the tool it would use to destroy Western culture: the printed word.

The school published a lot of popular material. The first of these was Critical Theory.
Critical Theory is a play on semantics. The theory was simple: criticize every pillar of Western culture—family, democracy, common law, freedom of speech, and others. The hope was that these pillars would crumble under the pressure.

Ivy League colleges and Jews

Note that the ethnic enrollment ratios for Berkeley and UCLA are based on the national demographics, but their students are primarily drawn from within California, whose racial distribution is very different: the white student population is half the national average, while Asians and Hispanics are more numerous by a factor of two, implying different parity ratios. The underlying data for these charts is drawn from Appendix H.

Jews are vastly over-represented in Ivy League schools (link), and it is not due to their performance on standardized tests. The only rational explanation as to why so many get into these coveted schools is because they are Jewish. Not just because they are a "minority", but explicitly because they are Jewish.

The ramifications of this are:

- More Jews will hold degrees from Ivy League schools than is of just merit:
 - Therefore these Ivy-League-degreed people will be chosen over non-Ivy League degreed peoples in the most coveted positions in society:
 - Law
 - Medicine
 - Business Management
 - **Politics**
 - **Leadership roles** in a huge variety of professions

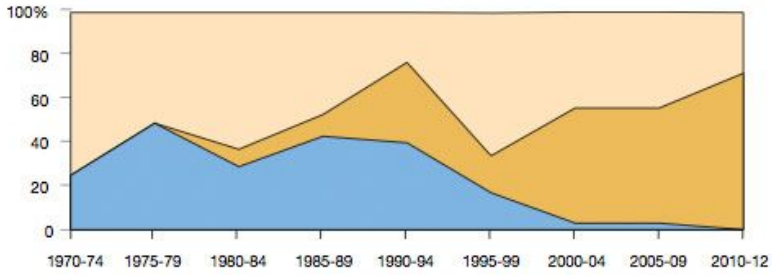

One can look at reputable colleges as "endorsement mechanisms". That is: they select and stamp people, after which many institutions tied to the power mechanisms of the nation (the media, law, education, governance) will only select these "stamped" (with Ivy League education) persons for their most influential positions.

Ivy League universities have therefore then become the gatekeepers for who is to be considered acceptable to influence society. In this way, Jews and those minorities who align with them without merit, are stamped with "approval" for use in US power mechanisms [as well as generous salaries granted].

Whites and Asians are not as easily aligned to Jewish intentions. You, reader, must ask yourself why that is, and not just simply read of this, but think. You must think about it.

"I care not what puppet is placed on the throne of England to rule the Empire, ...The man that controls Britain's money supply controls the British Empire. And I control the money supply." – Baron Nathan Mayer Rothschild, 1838

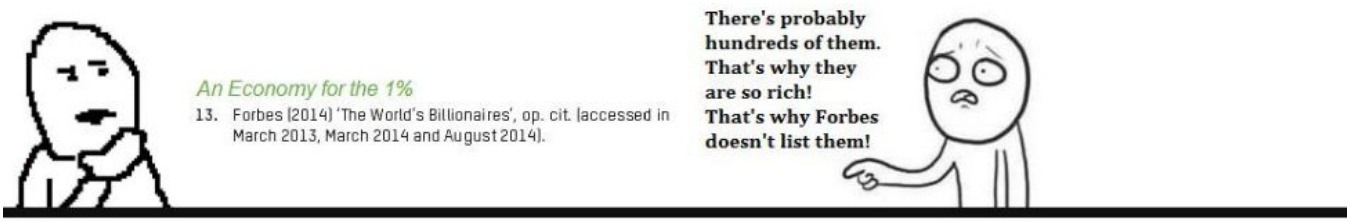

"The governments of the peoples included in this world republic, with the aid of the victorious proletariat, all will fall without difficulty into Jewish hands. Private property will then be strangled by the Jewish directors, who will administer the state patrimony everywhere. Thus the promise of the Talmud will be fulfilled, that is, the promise that the Jews, at the arrival of the Messiah, will possess the key to the wealth of all the peoples of the earth." – Baruch Levy, in a letter to Karl Marx, published in the Rothschild controlled La Revue de Paris, June 1, 1928.

Trying to draw a distinction between ethnic self-interest and racism is a highly topical but fatally flawed argument

The black race should die off. Is that a moral or life-promoting statement?

What about this one? Asians should stop having babies.

The only justification for suggesting genocide against a race is if time and time again they seek to kill another race. In that case, it is just for the attacked race to *suggest* genocide.

Are Asians, Blacks, or European-descended Whites attempting to genocide another race? They are not. Why then, are Jews (and some “Whites”) allowed to do this to Whites?

In 1998, Lauren Sandler began work on a series on youth and religion for NPR. Her research took her to a small church in Seattle that attracted skateboarders, punks and hipsters decked out in vintage fashion – all of whom were exceptionally well-versed in the bible.

Nearly a decade later, Sandler is still tracking an Evangelical Christian youth movement that is fast-growing and nationwide. She talks to us about the people she's met on her journey, and about the implications of their lifestyle and faith for a progressive, secular Jew like her. Her stories are collected in the book *Righteous: Dispatches from the Evangelical Youth Movement*.

My oh my, this is an offensive picture!

I know! let's read the Talmud instead.

QUOTES FROM THE JEWISH TALMUD:
1. Sanhedrin 59a: "Murdering Goyim is like killing a wild animal."
2. Abodah Zara 26b: "Even the best of the Gentiles should be killed."
3. Sanhedrin 59a: "A goy (Gentile) who pries into The Law (Talmud) is guilty of death."
4. Libbre David 37: "To communicate anything to a Goy about our religious relations would be equal to the killing of all Jews, for if the Goyim knew what we teach about them, they would kill us openly."
5. Libbre David 37: "If a Jew be called upon to explain any part of the rabbinic books, he ought to give only a false explanation. Who ever will violate this order shall be put to death."
6. Yebhamoth 11b: "Sexual intercourse with a little girl is permitted if she is three years of age."
7. Schabouth Hag. 6d: "Jews may swear falsely by use of subterfuge wording."
8. Hilkkoth Akum X1: "Do not save Goyim in danger of death."
9. Hilkkoth Akum X1: "Show no mercy to the Goyim."
10. Choschen Hamm 388, 15: "If it can be proven that someone has given the money of Israelites to the Goyim, a way must be found after prudent consideration to wipe him off the face of the earth."
11. Choschen Hamm 266,1: "A Jew may keep anything he finds which belongs to the Akum (Gentile). For he who returns lost property (to Gentiles) sins against the Law by increasing the power of the transgressors of the Law. It is praiseworthy, however, to return lost property if it is done to honor the name of God, namely, if by so doing, Christians will praise the Jews and look upon them as honorable people."
12. Szaaloth-Utszabot, The Book of Jore Dia 17: "A Jew should and must make a false oath when the Goyim asks if our books contain anything against them."
13. Baba Necia 114, 6: "The Jews are human beings, but the nations of the world are not human beings but beasts."
14. Simeon Haddarsen, fol. 56-D: "When the Messiah comes every Jew will have 2800 slaves."
15. Nidrasch Talpioth, p. 225-L: "Jehovah created the non-Jew in human form so that the Jew would not have to be served by beasts. The non-Jew is consequently an animal in human form, and condemned to serve the Jew day and night."
16. Aboda Sarah 37a: "A Gentile girl who is three years old can be violated."
17. Gad. Shas. 2:2: "A Jew may violate but not marry a non-Jewish girl."
18. Tosefta. Aboda Zara B, 5: "If a goy kills a goy or a Jew, he is responsible; but if a Jew kills a goy, he is NOT responsible."
19. Schulchan Aruch, Choszen Hamiszpat 388: "It is permitted to kill a Jewish denunciator everywhere. It is permitted to kill him even before he denounces."
20. Schulchan Aruch, Choszen Hamiszpat 348: "All property of other nations belongs to the Jewish nation, which, consequently, is entitled to seize upon it without any scruples."

Money Control

Permit me to issue and control the money of a nation, and I care not who makes its laws! -

“Slavery is likely to be abolished by the war power and chattel slavery destroyed. This, I and my [Jewish] European friends are glad of, for slavery is but the owning of labor and carries with it the care of the laborers, while the European plan, led by England, is that capital shall control labor by controlling wages. This can be done by controlling the money. The great debt that capitalists will see to it is made out of the war, must be used as a means to control the volume of money. To accomplish this, the bonds must be used as a banking basis. We are now awaiting for the Secretary of the Treasury to make his recommendation to Congress. It will not do to allow the greenback, as it is called, to circulate as money any length of time, as we cannot control that.” – Hazard Circular, issued by the Rothschild controlled Bank of England, 1862

TROTZKY LEADS RADICAL CREW TO WORLD RULE

Bolshevism Only a Tool for His Scheme

BY JOHN CLAYTON.

[Chicago Tribune Foreign News Service.]
[By Special Cable.]
[Copyright: 1920: By the Tribune Company.]

PARIS, June 18.—For the last two years army intelligence officers, members of the various secret service organizations of the entente, have been bringing in reports of a world revolutionary movement other than bolshevism. At first these reports confused the two, but latterly the lines they have taken have begun to be more and more clear.

Bolshevism aims for the overthrow of existing society and the establishment of an international brotherhood of men who work with their hands as rulers of the world. The second movement aims for the establishment of a new racial domination of the world. So far as the British, French, and our own department's inquiry have been able to trace, the moving spirits in the second scheme are Jewish radicals.

Use Local Hatreds.

Within the ranks of communism is a group of this party, but it does not stop there. To its leaders communism is only an incident. They are ready to use the Islamic revolt, hatred by the central empires for England, Japan's designs on India, and commercial rivalry between America and Japan.

As any movement of world revolution must be, this is primarily anti-Anglo-Saxon.. It sees its greatest task in the destruction of the British empire and the growing commercial power of America. The brains of this organization are in Berlin.

Trotzky at Head.

The directing spirit which issues the orders to all minor chiefs and finds money for the work of preparing the revolt is in the German capital. Its executive head is none other than Trotzky, for it is on the far frontiers of India, Afghanistan, and Persia that the first test of strength will come. The organization expert of the present Russian state is recognized, even among the members of his own political party, as a man of boundless ambition, and his dream of an empire of the east is like that of Napoleon.

The organization of the world Jewish-radical movement has been perfected in almost every land. In the states of England, France, Germany, Poland, Russia, and the east it has its groups. It is behind the Islamic revolt with all the propaganda skill and financial aid at its command because it hopes to control the shaping of the new eastern empire to its own ends. Sympathy with the eastern nationals probably is one of the chief causes for the victory of the pro-nationals in the bolshevik party, which threw communism solidly behind the nationalist aspirations of England's colonies.

Out to Grab Trade Routes.

The aims of the Jewish-radical party have nothing of altruism behind them beyond liberation of their own race. Except for this their aims are purely commercial. They want actual control of the rich trade routes and production centers of the east, those foundations of the British empire which always have been the cornerstone of its national supremacy.

They are striking for the same ends as Germany when she entered the war of 1914 to establish a Mittel Europa and so give the Germans control of the Bagdad railway. They believe Europe is tired of conflict and that England is too weak to put down a concerted rebellion in part of her eastern possessions. Therein lies the hope of success. They are staking brains and money against an empire.

"Westward the course of empire takes its way," but ever it swings backward to the old battleground where for countless ages peoples have fought. Nations have risen and crumbled around control of eastern commerce.

Hillary Clinton

Strongest backing from any single religious group was from Jews.

The Wikileaks of 2016 from John Podesta's email, as verified and validated by Google's DKIM independent verification security (NSA has the emails too, through their PRISM program) shows mass corruption, of which an entire book could be written about, and a sort of hatred and contempt for Whites and working-class Americans. I will but mention a few narratives here.

Clinton worked with the Jewish-controlled media to rig the presidential debates. See Wikileaks email ID's: 5205, 39807, 38478

Jewish-dominated bank Citigroup essentially chose, knew, or recommended the Obama cabinet that came to be. See Wikileaks email ID 8190. The email from Citigroup executive Michael Froman was sent to John Podesta (*one month prior* to Podesta officially becoming the chairman of Obama's transition team!!!) on 10/6/2008, with the subject line "lists" (the actual list as an attachment). It proposed the following persons for the positions mentioned, seemingly explicitly racist by suggesting:

```
-- A list of African American, Latino and Asian American candidates,
```

...but no suggestions for candidates who were considered White (in our supposedly color-blind country).

Robert Gates...secretary of Defense Arne Duncan...secretary of Education Eric Holder...attorney general Janet Napolitano...secretary of Homeland Security Rahm Emanuel...White House chief of staff Susan Rice...United Nations ambassador	Kathleen Sebelius...secretary of Health and Human Services Peter Orszag...head of the Office of Management and Budget Eric Shinseki...secretary of Veterans Affairs Melody Barnes...chief of the Domestic Policy Council

At one point, email ID, 25750, a staffer writes:

```
>>> This is great. My edits are attac
>>> Davis was killed by a white man,
```

As a news story about the San Bernardino office shooting broke, a staffer said in, email ID 11500:

```
Better if a guy named Sayeed Farouk was reporting that a guy named
Christopher Hayes was the shooter.
```

Meaning: better for the Clinton campaign if it was a White guy who had done the mass murder, and a Middle-easterner was the one reporting.

Hillary regularly consorted with the Jewish-controlled press.
The following numbered paragraphs are taken from www.mostdamagingwikileaks.com, which directly sources the leaked emails hosted by Wikileaks.

35. List of reporters that Hillary wined and dined, including biggest journalists and pundits of CNN, ABC, NBC, MSNBC, NY Times, and

a lot more. Off the record.

- "Off the record" dinner with 25 press attendees."
- "Hi John - I just wanted to thank you again for your hospitality last night. You were so kind to open your home to us, and the food was as fantastic as promised (everyone at the White House raves about your dinners). I really appreciated the opportunity to connect with a number of folks from Team Clinton. The evening was a great way to kick off this crazy adventure. Thank you, and I hope we'll cross paths again soon. Best, Colleen Colleen McCain Nelson The Wall Street Journal"

42. Billionaire George Soros has influence over Hillary, ties to election fraud in systems used for U.S. voting

- https://wikileaks.org/podesta-emails/emailid/15201
- https://www.wikileaks.org/clinton-emails/Clinton_Email_September_Release/C05778285.pdf
- "I would only do this for political reasons (ie to make Soros happy)"
- "Dear Hillary, A serious situation has arisen in Albania"
- "two things need to be done urgently: 1. Bring the full weight of the international community to bear on Prime Minister Berisha and opposition leader Edi Rama to forestall further public demonstrations and to tone down public pronouncements. 2. Appoint a senior European official as a mediator."

44. CEO of Google (parent company) working for Hillary Campaign

- https://wikileaks.org/podesta-emails/emailid/37262
- "Cheryl, I have put together my thoughts on the campaign ideas and I have scheduled some meetings in the next few weeks for veterans of the campaign to tell me how to make these ideas better. This is simply a draft but do let me know if this is a helpful process for you all. Thanks !! Eric"
- "The campaign headquarters will have about a thousand people, mostly young and hardworking and enthusiastic. Its important to have a very large hiring pool (such as Chicago or NYC) from which to choose enthusiastic, smart and low paid permanent employees. ... Any outer borough of NYC, Philadelphia, Atlanta, Boston are all good examples of a large, blue state city to base in."
- "b) The Voter - Key is the development of a single record for a voter that aggregates all that is known about them. In 2016 smart phones will be used to identify, meet, and update profiles on the voter."
- "e) Analytics and data science and modeling, polling and resource optimization tools - For each voter, a score is computed ranking probability of the right vote. Analytics can model

demographics, social factors and many other attributes of the needed voters. Modeling will tell us what who we need to turn out and why..."

53. Hillary Clinton bragged about being invited to Putin's 'Inner Sanctum'

- https://ia801509.us.archive.org/19/items/HRCPaidSpeechesFlags/HRC%20Paid%20Speeches%20Flags.pdf
- "I said, 'You know, Mr. Prime Minister, we actually have some things in common."
- "We talked about a lot of issues that were not the hot-button issues between us, you know, his view on missile defense, which we think is misplaced because, you know, we don't believe that there will be a threat from Russia,"
- Remember, Hillary also approved a deal granting Russia control of 20 percent of America's uranium assets (as talked about in a later leak).
- Julian Assange has also said, "Hillary Clinton is the only presidential candidate with corruption ties to Russia".

61. Plotting to attack Obama because "his father was a Muslim" *(One can speculate that this is Jewish-influenced hatred, similar to the loathing of Whites in her campaign)*

- https://wikileaks.org/podesta-emails/emailid/7860
- "Obama (owe-BAHM-uh)'s father was a Muslim and Obama grew up among Muslims in the world's most populous Islamic country."
- Yet people vehemently oppose the idea that Hillary's campaign came up with the birther movement… And here

74. Illegally coordinating with Priorities USA, a SuperPAC funded by George Soros

- https://wikileaks.org/podesta-emails/emailid/2372
- "So afraid that NYT is going with this story on Priorities whether we like it or not. They have sources about the meetings."
- They were scrambling to make sure they were within the law and really worried the donor list was about to come out.
- The New York Times spiked the story about the corruption to protect her, shielding the donors which OpenSecrets.org shares with us from a later disclosure.
- As you can see clearly there, the top contributor is none other than George Soros with $6 million in. Staff from the two groups met and coordinated efforts, which caused the concern from Hillary's side because the Priorities USA people were talking and the media, specifically the New York Times, hid this violation of campaign election law.

88. Proof that 'Correct the Record' (SuperPAC) is directly coordinating with the Hillary campaign against federal campaign law.

- https://www.wikileaks.com/podesta-emails/emailid/5636 (in attachments)
- "In May of 2015, CTR separated from its parent organization, American Bridge, and became its own SuperPAC. This structure allows CTR to retain its independence but coordinate directly and strategically with the Hillary campaign. This work is necessary now more than ever."

- Correct the Record (CTR) is a group funded by globalist billionaire George Soros to pretend Hillary has support online. They pay “an army of nerd virgins” (their own words) to create memes and pretend to support Hillary. On popular internet sites like Reddit, Twitter, and Facebook, they are paid to ‘downvote’ or ‘dislike’ or delete anything pro-Trump/anti-Hillary, and fake-promote anything pro-Hillary/anti-Trump. Incredibly sad, but Hillary and her “support” is staged in every department.
- The same attachment describes everything

89. Facebook founder Mark Zuckerberg in direct contact with the Hillary campaign

- https://wikileaks.org/podesta-emails/emailid/15092#efmARfAUUAZpAd9AfGAf6
- “[He is] particularly interested in meeting people who could help him understand how to move the needle on the specific public policy issues he cares most about. He wants to meet folks who can inform his understanding about effective political operations to advance public policy goals”
- They are basically saying he wants to learn how to bribe people.
- Mark Zuckerberg has been very outspoken about Trump and his wall idea, when he himself is building a large wall around his mansion.
- Facebook also manipulates it’s trending stories to not show pro-Trump/anti-Hillary articles or trends, and even censors videos against Hillary. The censorship is well known and has reduced Facebook’s integrity tenfold. Pro-Trump stories with hundreds of thousands of mentions are deleted to allow room for anti-Trump articles with less than a thousand mentions. Happens literally daily. Unfortunately this is the case across Twitter, YouTube, Google, and Reddit as well (and why it seems like at times more support Hillary despite Trump getting 30,000 at his rallies and Hillary getting 200). They are in the tank for Hillary.

The reader must ask himself: what do the Jews want? What do the Jews do? Do the leaked emails from Hillary's campaign show an alignment with “Jewish intentions”? Is that alignment good for America as a current nation? Is that alignment good for the White European-descended citizens of America? Remember, people are beholden to the people who pay them. Who had paid Hillary? If the Clinton Foundation, which took in hundreds of millions of dollars, was really a benevolent organization for the world, why was it suddenly closed within months of Hillary losing the election? All this is not to say that another presidential candidate is free of its masters, but it does show ***to the degree everyone was willing to put into documentation***, from the inside, the character and intentions of the Hillary organization. It was in perfect alignment to Marxist Jewish values, and in opposition to the values of White European-descended Americans.

9/11

It was a Jewish/Israeli/US Government conspiracy.
"Solving 9-11: The Deception That Changed the World", Christopher Lee Bollyn, 2012.

Larry Silverstein, the Jewish owner of the WTC complex.

1. Silverstein maximized insurance payout in months prior to attack; so unusual and convoluted were the dealings that it had to be split between 25 brokers.
2. Suspicious stock market trading occured of which entities benefited greatly under extreme odds of terrorist attack.
3. Silverstein “lucky Larry” and his daughter were out of the building the day of the attack.
4. Towers perfectly collapsed, as no tower of that type had done prior without explosive demolition.
5. WTC7 collapses without apparent cause. Alaska Fairbanks 9/11 study concludes this is impossible.
6. “Hijackers” passports miraculously survive, and are found within hours, while the black-box recorders on the “planes” (which are designed to survive crashes into mountains) did not survive. NOT only this but those passports were “identified” within hours on public news as belonging to the hijackers (which supposedly kept radio silence).
7. People leaving the towers describe series of loud “bangs”.
8. A group of 5 Israelis that worked for “Urban Moving Systems”, a “moving company” that had total access to WTC in weeks prior are seen dancing (“the dancing Israelis”) as the planes strike the towers (they are later detained by the NYPD for acting “giddy”, but are deported. The police dog that sniffed their van reacted as though it smelled explosives, although none were found.)
9. Steel beams completely ***melted*** (not just softened) in the “jet fuel” (kerosene) fires, which is ***impossible***.

10. Thermite molecules found.
11. Cut/melted steel beams found.
12. All steel wreckage shipped to China for recycling.
13. Osama Bin Laden denied responsibility, and instead directed his message to the "Zionist-Occupied Government of the United States". http://archive.is/v7eJt
14. Pentagon struck, nearly all footage of "airplane" seized.
 a. Footage that is available shows extremely little/few debris that would have been from a large passenger airline.
15.

Motive /Results of 9/11

1. $2.3 trillion dollars that Secretary of Defense, Donald Rumsfeld spoke of *the day prior*, is overlooked.
2. Larry Silverstein gets $4.5 billion from the insurance companies, as awarded by Jewish judge Michael Mukasey.
3. U.S. Congress enacts (POTUS signs) the the US "Patriot Act" which reduces American liberty, and gives greater entitlement to the Federal government to spy on everyone.
4. U.S. government goes to war against Iraq.
5. "Osama Bin Laden" is killed, and his body dumped in the ocean. (Who knows who was killed, or why.)

The MSM 9/11 story is bullshit. The media and US government lied to the people.

Triple-exthnics

Nathan Abrams on Jews in the American porn industry

Nathan Abrams | Winter 2004 - Number 196

A story little told is that of Jews in Hollywood's seedier cousin, the adult film industry. Perhaps we'd prefer to pretend that the 'triple-exthnics' didn't exist, but there's no getting away from the fact that secular Jews have played (and still continue to play) a disproportionate role throughout the adult film industry in America. Jewish involvement in pornography has a long history in the United States, as Jews have helped to transform a fringe subculture into what has become a primary constituent of Americana. These are the 'true blue Jews'.

TWO MOMS VS. MOM AND DAD

A study released Sunday finds that adult children (ages 18-39) of lesbian mothers are more likely to report negative outcomes in several categories than adult children raised by married mother-father parents.

Selected outcome	Had married parents	Had lesbian mothers
Family received welfare growing up*	17%	69%
Currently cohabiting*	9%	24%
Currently on public assistance*	10%	38%
Currently employed full time*	49%	26%
Currently unemployed*	8%	28%
Recently or currently in therapy*	8%	19%
Identifies as 100 percent heterosexual*	90%	61%
Had an affair while married or cohabiting*	13%	40%
Has ever had a sexually transmitted infection*	8%	20%
Was ever touched sexually by a parent or other adult*	2%	23%
Was ever forced to have sex unwilfully*	8%	31%
Currently married	43%	36%
Thought recently about suicide	5%	12%
Is in a same-sex romantic relationship	4%	7%

*Statistically significant difference.

How does the American Jewish Committee feel about immigration?

In the US:

"One of the challenges for us in the Jewish community is to help the larger society understand the really special role that immigrants can play in bringing diversity into larger [American] society and to understand that's a good things as it's a good thing for us." - Richard Foltin

In Israel:

"Right now we are already down to a 75% [Jewish] majority in Israel. In 20-25 [years], we are talking about 70%. (...) Even if you add a million Arabs into that fragile formula, we will either stop being Jewish, or we will stop being democratic."- Ari Shavit

No "anti-racists" say a 100% Black area needs more diversity.

No "anti-racists" say a 100% Asian area needs more diversity.

No "anti-racists" say a 100% Muslim area needs more diversity.

According to "anti-racists", they are already 100% diverse.

They say ALL & ONLY White area need to be more diverse, and that White areas only stop needing to be more diverse when there are no White people left in them.

Anti-racist is a codeword for anti-White.

Immigration and Nationality Act of 1965

From Wikipedia, the free encyclopedia

The **Immigration and Nationality Act of 1965** (H.R. 2580; Pub.L. 89–236, 79 Stat. 911, enacted June 30, 1968), also known as the **Hart–Celler Act**,[1] changed the way quotas were allocated by ending the National Origins Formula that had been in place in the United States since the Emergency Quota Act of 1921. Representative Emanuel Celler of New York proposed the bill. Senator Philip Hart of Michigan co-sponsored it, and Senator Ted Kennedy of Massachusetts helped to promote it.

Celler was born in Brooklyn, the son of Josephine (née Müller) and Henry H. Celler. All of his grandparents immigrated from Germany; his paternal grandparents and maternal grandmother were Jewish, his maternal

“But there’s nothing wrong with multiculturalism”.

Yes there is. A nation is made by the people (their “culture”), not necessarily by the laws over the people.

"If anything, the law should encourage, not forbid, the intermingling of bloods...But legislation cannot change the human heart. The only way we can accomplish that, the only we can achieve a Final Solution to racial prejudice, is to create a mÇlange of races so universal that no one can preen himself on his racial 'purity' or practice the barbarism to safeguard it. The deliberate encouragement of interracial marriages is the only way to hasten this process. And it may be that time is growing short. The dominance of our world has begun to shift, like cargo in a listing vessel, from the White races to the colored. The sooner we adjust to this fact, the better it will be for our children. For we might well acknowledge, even the most enlightened of us, that we will never completely eliminate racial prejudice until we eliminate separate races." (Rabbi Abraham L. Feinberg, Maclean's Magazine, September 5, 1967).

"All I had held against the Jews was that so many Jews actually were hypocrites in their claim to be friends of the American black man...At the same time I knew that Jews played these roles for a very careful strategic reason: the more prejudice in America that could be focused upon the Negro, the more the white Gentile's prejudice would keep...off the Jew." (New York Magazine, 2/4/85) ***who said it??***

Why White People Should Be Having More Sex with People Of Color (Especially African Americans)

WWII: Quotes from invested Parties

"This movement among the Jews is not new. From the days of Spartacus-Weishaupt to those of Karl Marx, and down to Trotsky (Russia), Bela Kun (Hungary), Rosa Luxembourg (Germany), and Emma Goldman (United States)... this worldwide conspiracy for the overthrow of civilisation and for the reconstitution of society on the basis of arrested development, of envious malevolence, and impossible equality, has been steadily growing. It has been the mainspring of every subversive movement during the19 th century; and now at last this band of extraordinary personalities from the underworld of the great cities of Europe and America have gripped the Russian people by the hair of their heads and have become practically the undisputed masters of that enormous empire." - Winston Churchill writing on 'Zionism versus Bolshevism' in the Illustrated Sunday Herald (February 1920)

"Perhaps the next time round the way to do it will be to kill women, children and the civilian population." - (Churchill, quoted during the First World War)

"Joining with Samuel Untermeyer in calling for a war against Germany, Bernard Baruch, at the same time, was promoting preparations for war against Germany. 'I emphasised that the defeat of Germany and Japan and their elimination from world trade would give Britain a tremendous opportunity to swell her foreign commerce in both volume and profit.'" - Baruch, The Public Years, by Bernard M. Baruch (p.347) [Samuel Untermeyer was a Jewish leader and close friend of presidents Wilson and Roosevelt. Bernard Baruch was a presidential adviser to Wilson, Roosevelt and Truman.]

“Should Germany merchandise again in the next 50 years we have led this war (WW1) in vain.” – Winston Churchill in Times (1919)

"The Polish terror in the Ukraine today is worse than anything else in Europe. Ukraine became a country of desperation and destruction. The murderous deeds multiplied. The Germans have been tortured, mutilated, excruciated to death, their corpses were desecrated. Villages and palaces have been robbed, ignited, blown up. The depicted incidents in the official publication of the German government in 1921 exceed the worst actions one can imagine." - Prof. Dr. Ren Martel in his book, Les frontires orientales de l`Allemagne (Paris 1930) about the Polish raids in Upper Silesia in 1921.

“I will crunch Germany.” – Roosevelt 1932(!)

"The Israeli people around the world declare economic and financial war against Germany. Fourteen million Jews stand together as one man, to declare war against Germany. The Jewish wholesaler will forsake his firm, the banker his stock exchange, the merchant his commerce and the pauper his pitiful shed in order to join together in a holy war against Hitler's people." - Daily Express (March 24, 1933)

"Each of you, Jew and Gentile alike, who has not already enlisted in this sacred war should do so now and here. It is not sufficient that you should buy no goods made in Germany. You must refuse to deal with any merchant or shopkeeper who sells any German-made goods or who patronises German ships or shipping.... we will undermine the Hitler regime and bring the German people to their senses by destroying their export trade on which their very existence depends." - Samuel Undermeyer, in a Radio Broadcast on WABC, New York (August 6, 1933, reported in the New York Times, August 7, 1933)

"I am, of course, a Zionist, and have been ever since the Balfour Declaration." - Churchill quoted in The Official Churchill in One Volume, N.Y. Times (Nov. 6, 1991) by Herbert Mitgang

"For months now the struggle against Germany is waged by each Jewish community, at each conference, in all our syndicates, and by each Jew all over the world. There is reason to believe that our part in this struggle has general value. We will trigger a spiritual and material war of all the world against Germany's ambitions to become once again a great nation, to recover lost territories and colonies. But our Jewish interests demand the complete destruction of Germany. Collectively and individually, the German nation is a threat to us Jews." - Vladimir Jabotinsky (founder of the Jewish terrorist group, Irgun Zvai Leumi) in Mascha Rjetsch, January, 1934 (also quoted in Histoire de l'Arme Allemande by Jacques Benoist-Mechin, Vol. IV, p. 303).

"We Jews are going to bring a war on Germany." - David A. Brown, National Chairman, United Jewish Campaign, 1934 (quoted in I Testify Against The Jews by Robert Edward Edmondson, page 188 and The Jewish War of Survival by Arnold Leese, page 52)

"Hitler will have no war, but he will be forced into it, not this year but later..." (The Jewish Emil Ludwig, Les Annales, June, 1934)

"For months now the struggle against Germany is waged by each Jewish community at each conference in all our syndicates and by each Jew all over the world. There is reason to believe that our part in this struggle has general value. We will start a spiritual and material war of all the world against Germany's ambitions to become once again a great nation, to recover lost territories and colonies. But our Jewish interests demand Germany's total destruction, collectively and individually. The German nation is a threat to us Jews." - Vladimir Jabotinsky, founder of the Irgun Zvai Leumi terrorist organisation, Mascha Rjetach(January 1934)

"Judea declares War on Germany." (Daily Express, March 24, 1934)

"There is only one power which really counts. The power of political pressure. We Jews are the most powerful people on earth, because we have this power, and we know how to apply it." - Vladimir Jabotinsky in Jewish Daily Bulletin (July 27, 1935)

BRITISH JEWS VOTE GERMAN BOYCOTT

Representatives of 400 Bodies Proclaim Empire Ban on Reich Goods and Services.

Wireless to THE NEW YORK TIMES.

LONDON, Nov. 5.—An unofficial Jewish boycott of Germany in the British Empire was proclaimed tonight by a conference of 400 Jewish organizations representing about half of the 300,000 Jews in Great Britain and Ireland.

This is the first time that a large-scale boycott has been declared by British Jews, although thousands of individuals have refused to buy German goods ever since the Nazis came into power.

"Official" British Jewry, as represented by the Board of Jewish Deputies, has declined to sponsor a boycott, but several weeks ago recognized the "spontaneous" decree of the mass of Jewish organizations here in line with the world movement organized by Samuel Untermyer in the United States.

PARIS BOYCOTTS GERMAN STORES

PARIS, Apr. 1 (AP)—An anti-German boycott was declared effective at 10 a. m. today but it was limited to an appeal to sympathizers to abstain from patronizing Germans.

Jewish merchants continued to display signs saying they would refuse to receive German salesmen.

A protest meeting will be held tonight.

A boycott was organized by a committee of the International League against anti-Semitism.

The committee appealed for a boycott against German goods while the Chancellor Hitler program continues in Germany.

ASKS MORE AID TO JEWS

“I will not pretend that, if I had to choose between communism and nazism, I would choose communism.” Churchill, Speaking in the House of Commons, autumn 1937

"Germany is the enemy of Judaism and must be pursued with deadly hatred. The goal of Judaism of today is: a merciless campaign against all German peoples and the complete destruction of the nation. We demand a complete blockade of trade, the importation of raw materials stopped, and retaliation towards every German, woman and child." (Jewish professor A. Kulischer, October, 1937)

"It is our task to organise the moral and cultural blockade of Germany and disperse this nation. It is up to us to start a merciless war." - Bernard Lechache in The Right to Live (December 1938)

"Before the end of the year, an economic bloc of England, Russia, France and the U.S.A will be formed to bring the German and Italian economic systems to their knees." - Paul Dreyfus, La Vie de Tanger (May 15, 1938)

"**The war now proposed is for the purpose of establishing Jewish hegemony throughout the world.**" - Brigadier General George Van Horn Mosely, The New York Tribune (March 29, 1939)

"Poland wants war with Germany and Germany will not be able to avoid it, even if it wants to." - Rydz-Smigly, Chief inspector of the Polish army in a public speech in front of Polish officers (Summer 1939)

"We are ready to make a contract with the devil if he helps us fighting against Hitler. Listen: against Germany not only against Hitler. The German blood will be spilled in a future war in such streams like it wasn't seen since the beginning of the world." - Warsaw newspaper Depesza (20 August 1939)

"I wish to confirm in the most explicit manner, the declaration which I and my colleagues made during the last months, and especially in the last week: that the Jews "stand by Great Britain and will fight on the side of the democracies." Our urgent desire is to give effect to these declarations. We wish to do so in a way entirely consonant with the general scheme of British action, and therefore would place ourselves, in matters

big and small, under the co-ordinating direction of His Majesty's Government. The Jewish Agency is ready to enter into immediate arrangements for utilizing Jewish manpower, technical ability, resources, etc." - Chaim Weizmann, President of the World Jewish Congress, Head of the Jewish Agency and later President of Israel, the London Times, September 5, 1939, and the London Jewish Chronicle, September 8, 1939.

"The millions of Jews living in America, England, France, North Africa and South, not forgetting Palestine, have decided to carry on the war in Germany to the very end. It is to be a war of extermination." - 'The Jewish newspaper Central Blad Voor Israeliten in Nederlands (13 September 1939)

"Stop talking about peace conditions! Break Germany in pieces!" - The Daily Herald, No.7426 (9 December, 1939)

"Step by step, I have arrived at the conviction that the aims of Communism in Europe are sinister and fatal. At the Nuremberg Trials, I, together with my Russian colleague, condemned Nazi Aggression and Terror. I believe now that Hitler and the German People did not want war. But we, {England}, declared war on Germany, intent on destroying it, in accordance with our principle of Balance of Power, and we were encouraged by the 'Americans'{Jews} around Roosevelt. We ignored Hitler's pleading, not to enter into war. Now we are forced to realize that Hitler was right. He offered us the co-operation of Germany: instead, since 1945, we have been facing the immense power of the Soviet Empire. I feel ashamed and humiliated to see that the aims we accused Hitler of, are being relentless pursued now, only under a different label." (Ashamed and Humiliated The British Attorney General, Sir Hartle Shawcross, said in a speech at Stourbridge, March 16/84 (AP)).

"Our fight against Germany must be carried to the limit of what is possible. Israel has been attacked. Let us, therefore, defend Israel! Against the awakened Germany, we put an awakened Israel. And the world will defend us." - Jewish author Pierre Creange in his book Epitres aux Juifs (1938)

"Its our task to mercilessly declare war to Germany, the public enemy number one." - Bernhard Lecache, President of the Jewish World League (9. November 1938)

“Now we have forced Hitler to war so he no longer can peacefully annihilate one piece of the Treaty of Versailles after the other.” – Lord Halifax, English embassador in Washington (1939)

"When the National Socialists and their friends cry or whisper that this [the war] is brought about by Jews, they are perfectly right." - The Jewish magazine Sentinel of Chicago (8 October 1940)

"The Jewish World Congress has been at perpetual war with Germany for seven years." - Maurice Perlzweig, Chief of the British Section of the World Jewish Congress February 26, 1940, in an address according to the Toronto Evening Telegram, quoted by Dr. Hans Riegelmann in: UN, 8/83, p. 4.

'War to Death Against All German People'

By Canadian Press

LONDON, April 23.—War to the death against the whole German people and not merely against the Nazi regime was urged today by Alfred Duff Cooper, former First Lord of the Admiralty.

Mr. Duff Cooper spoke before the Royal Society of St. George in place of Winston Churchill, First Lord of the Admiralty.

Duff Cooper assailed invasions of Austria, Czechoslovakia, Austria, Denmark and Norway as "the crimes of a whole people" and said the Allied slogan must be:

"Never again shall one nation be allowed to plunge the world into war."

"Hitler says the entire German people is behind him," declared Duff Cooper. "I for one am prepared to take him at his word. Victory is certain. No nation with command of the sea has ever been defeated. . . .

"Not even the wildest and most fantastic mendacity could lay a particle of blame for this war on the shoulders of England or France. The whole guilt is on the shoulders of Germany. They have hardly ceased to protest their guiltlessness of the last war when they render themselves guilty of another."

He referred in detail to Nazi aggressions and said that Norway, the latest victim, "is fighting side by side with us to maintain her freedom.

"Now this series of crimes which have made a horror of Europe are not the crimes of one man, nor are they the crimes of a small band of criminals," he continued.

"Let us not underestimate our antagonists. It is wishful thinking and it is dangerous thinking to believe we can drive a wedge between the German government and the German people.

"We must accept no soft words or specious promises as we did when they came whining and grovelling to Versailles," he said, "but must defeat the German people in battle."

"It is going to be formidable, it is going to be a fearful task. How long it will take to accomplish, no man can say. But victory is certain in the end.

"Command of the sea gives us access to all the raw materials of the world. We have, besides, the good opinion, the approval, the well wishes of every civilized, liberty-loving man and woman on earth.

The speaker declared "Germany has assumed many ugly shapes in her past, but never has the face of Germany assumed so villainous and vile an aspect as under leadership of this little gang of blood-stained, money-making murderers.

"Once more St. George is mounted on his charger. His adversary, his quarry, is the most vile that he has ever gone out to destroy."

UK declared war on Germany on September 3, 1939 due to their alliance with Poland The first attack on the UK by Germany in UK home territory was on October 16, 1939 with the bombing of two British war ships. The second attack (first Luftwaffe (Airforce) bombing) was July 10th, 1940.

The Jews hated Germany so much they wanted to kill all Germans, not just military combatants (and they would later succeed in causing massive German civililian casualties).

"We managed to drag the United States into the First World War and if they (the US) do what we demand in regards to Palestine and the Jewish armed forces, then we can get the Jews in the USA to drag the United States into this one (the Second World War) too." - Weizmann to Churchill (September 1941)

"The Second World War is being fought for the defense of the fundamentals of Judaism." - Rabbi Felix Mendlesohn, Chicago Sentinel (October 8, 1942)

"We are not denying and are not afraid to confess that this war is our war and that it is waged for the liberation of Jewry... Stronger than all fronts together is our front, that of Jewry. We are not only giving this war our financial support on which the entire war production is based, we are not only providing our full propaganda power which is the moral energy that keeps this war going. The guarantee of victory is predominantly based on weakening the enemy forces, on destroying them in their own country, within the resistance. And we are the Trojan horses in the enemy's fortress. Thousands of Jews living in Europe constitute the principal factor in the destruction of our enemy. There, our front is a fact and the most valuable aid for victory." - Chaim Weizmann, President of the World Jewish Congress, Head of the Jewish Agency and later President of Israel, in a Speech on December 3, 1942, in New York.

Eisenhower on German war prisoners: "God, I hate the Germans..." - Ike The Kike Dwight David Eisenhower in a letter to his wife (September, 1944) "Prison enclosures are to provide no shelter or other comforts." - Ike The Kike Dwight David Eisenhower

"Under no circumstances may food supplies be assembled among the local inhabitants in order to deliver them to prisoners of war. Those who violate this command and nevertheless try to circumvent this blockade to allow something to come to the prisoners place themselves in danger of being shot."- Dwight David Eisenhower

"It is untrue that I or anyone else in Germany wanted war in 1939. It was wanted and provoked solely by international statesmen either of Jewish origin or working for Jewish interests. Nor had I ever wished that after the appalling first World War, there would ever be a second against either England or America." - Adolf Hitler (April 1945)

"We won this war with atrocity propaganda...and now we will start more than ever! We will continue this atrocity propaganda, we will increase it until nobody will accept one good word from the Germans anymore, until everything is destroyed which might have upheld them sympathies in other countries, and until they will be so confused that they don't know what to do anymore. When this is reached, when they begin to pollute their own nest, and this not reluctantly but with hasty willingness to obey the winners, only then the victory is complete. It will never be definite. The reeducation demands thorough, steadfast nurture like English lawn. Only one moment of inattention and the weed will break through, this ineradicable weed of historic truth." - Sefton Delmer, former British chief propagandist after the capitulation in 1945 to the German expert on international law Prof. Grimm.

"At first, the women from the nearby town brought food into the camp. The American soldiers took everything away from the women, threw it in a heap and poured gasoline over it and burned it." - Former camp prisoner. "Many a sane American family would recoil in horror if they knew how 'Our Boys' conduct themselves, with such complete callousness in human relationships over here." - A serviceman, the TIME Magazine (November 12, 1945)

"When they caught me throwing C- Rations over the fence, they threatened me with imprisonment. One Captain told me that he would shoot me if he saw me again tossing food to the Germans ... Some of the men were really only boys 13 years of age...Some of the prisoners were old men drafted by Hitler in his last ditch stand ... I understand that average weight of the prisoners at Andernach was 90 pounds...I have received threats ... Nevertheless, this...has liberated me, for I may now be heard when I relate the horrible atrocity I witnessed as a prison guard for one of 'Ike's death camps' along the Rhine."

"Starting in April 1945, the United States Army and the French Army casually annihilated one million [German] men, most of them in American camps . . . Eisenhower's hatred, passed through the lens of a compliant military bureaucracy, produced the horror of death camps unequalled by anything in American history . . . an enormous war crime." - Col. Ernest F. Fisher, PhD Lt., 101 st Airborne Division, Senior Historian, United States Army

"My protests (regarding treatment of the German DEF'S) were met with hostility or indifference, and when I threw our ample rations to them over the barbed wire. I was threatened, making it clear that it was our deliberate policy not to adequately feed them." - Martin Brech, ex-Private First Class, in Company C of the 14th Infantry, assigned as a guard and interpreter at the Eisenhower Death Camp at Andernach, along the Rhine River

"Kill, kill, you brave Red Army soldiers, kill. There is nothing in the Germans that is innocent. Obey the instructions of comrade Stalin and stamp the fascistic beast in its cave. Break with force the racial arrogance of the Germanic women. Take them as your legal loot. Kill, you brave soldiers of the Red Army, kill!" - Ilya Ehrenburg Stalin's Jewish propagandist for genocide (Frankfurter Allgemeine Zeitung, Frankfurt, February 28, 1995 - page 7)

"It was the World Jewish Congress that saw to it that the Nuremberg Trials were held, for which it supplied experienced advice and most valuable evidence - and it was the World Jewish Congress that had such far-reaching connections during the war that these extended even into the German Foreign Office, and that it received information even long before the British Secret Service received it." - Maurice Perlzweig, Chief of the British Section of the World Jewish Congress, said in an address in Langside Hall in London on November 27, 1949, Jewish Chronicle, London (December 16, 1949. Quoted in: UN, 8/83 p. 4.)

"Without the holocaust we would not have a Jewish state." - Robert B. Goldmann in the Frankfurter Allgemeine Zeitung (Dec. 19, 1997, p. 9)

"Hitler and the German people didn't want this war. We didn't answer Hitler's various petitions for peace. Now we have to admit that he was right. Instead of a cooperation with Germany, which he had offered us, now stands the gigantic, imperialistic might of the Sovjets. I feel ashamed to see how the same intentions which we accused Hitler of now are pursued under a different name." - Sir Hartley Shawcross, British chief-accuser in Nuerenberg

“Germany’s unforgivable crime before WW2 was its attempt to loosen its economy out of the world trade system and to build up an own exchange system from which the world-finance couldn´t profit anymore. …We butchered the wrong pig.” – Winston Churchill, The second World War (Bern, 1960)

"What we didn't want to comprehend in the German (anti-Hitler) resistance during war, we learned completely afterwards: this war wasn’t led against Hitler but against Germany." - Eugen Gerstenmaier, President of the German Bundestag since 1954, member of the resistance group "Bekennende Kirche" during WW2

“We made a monster, a devil out of Hitler. Therefore we couldn´t disavow it after the war. After all, we mobilized the masses against the devil himself. So we were forced to play our part in this diabolic scenario after the war. In no way we could have pointed out to our people that the war only was an economic preventive measure.” – US foreign minister Baker (1992)

“The holocaust instills a guilt complex in those said to be guilty and spreads the demoralization, degeneration, eventually the destruction of the natural elite among a people. Transfers effective political control to the lowest elements who will cowtow to the Jews.” – S.E.D. Brown of South Africa, 1979

September 22, 1945 (cont'd p.2)

There is a very apparent Semitic influence in the press. They are trying to do two things: first, implement Communism and second, see that all businessmen of German ancestry and non-Jewish antecedents are thrown out of their jobs. They have utterly lost the Anglo-Saxon conception of justice and feel that a man can be kicked out because somebody else says he is a Nazi. They were evidently quite shocked when I told them I would kick nobody out without the successful proof of guilt before a court of law.

If people have time to read anything besides the number of points which will get a soldier home, I will probably make the front page, but, frankly, do not give a damn.

The attitude of the American people as evinced by the press and the radio is such I am inclined to think I made a great mistake in serving them for nearly forty years, although I had a very good time doing it.

the new Germany exists only in order to ensure the existence of the State of Israel and the Jewish people.

Holocaust: Vile Lie & the 6 gorillian

Did you know that the evidence for Treblinka being a deathcamp is really ridiculous?

(This side: Bogus Eyewitnesses. Back side: Bogus Logistics)

Bogus Eyewitnesses

#1 most important Treblinka eyewitness

Yankel Wiernik

Said in his book that human bodies burn on their own like wood, but women's bodies burn better than men, and were thus used as kindling.

Said a camp guard shot him in the shoulder at close range and the bullet went through all his clothes but stopped at his skin, leaving only a mark. Used as a source by R. Hilberg and Y. Arad; was a witness at the Eichmann Trial. 1

2nd most important Treblinka eyewitness

Samuel Willenberg

After escaping Treblinka he joins a partisan group which stages an armed robbery of a Nazi-run factory where, by coincidence, his mother is a slave laborer. He steals money at gunpoint, and during the getaway, while still in the factory, he runs into his mom, exchanges words with her and gives her his address. Used as a source by Yitzhak Arad. His daughter designed Israeli embassy in Berlin. 2

3rd most important witness

Abraham Bomba

Said that for a time the Nazis disguised the gas chambers as a kind of hair salon complete with professional barbers in order to secretly obtain hair clippings. But being that hair is relatively unimportant as a wartime commodity, this story likely comes from paranoia over lice eradication measures. Used by Claude Lanzmann in the movie Shoah, and by the USHMM.org. 3

4th most important witness

Samuel Rajzman

Claimed to know a Treblinka inmate who was there for the third time (after escaping twice.) Told the Nuremberg Court that hair was obtained for mattress stuffing. Told a US congressional hearing that 2.74 mil. died at camp, and gave a numerical breakdown by country. 4

APPEAL FOR AID FOR JEWS

APPEAL FOR AID FOR JEWS.

American Committee Tells of Suffering Due to the War.

The American Jewish Relief Committee, called into being at a conference of more than 100 national Jewish organizations which was held at Temple Emanu-El on Oct. 25 to consider the plight of more than 6,000,000 Jews who live within the war zone, has elected Louis Marshall Chairman, Cyrus L. Sulzberger Secretary, and Felix M. Warburg Treasurer, and has issued the following appeal:

JEWS' INDIFFERENCE TO WAR AID REBUKED

Louis Marshall Denounces Apathy Toward Suffering of Co-Religionists.

"In the world today there are about 13,000,000 Jews, of whom more than 6,000,000 are in the very heart of the war zone: Jews whose lives are at stake and who today are subjected to every manner of suffering and sorrorw, and the grerat American Jewish community is not doing its duty toward these sufferers. In the United States there are between 2,000,000 and 3,000,000 Jews, nearly all able to do something and yet, after months of work, we have not raised more than $300,000. In New York there are more than 1,000,000 Jews, some of them persons of great affluence, but many of them seem to think if they give a few hundred dollars they have done their duty.

"We hear of pogroms in Russia, in Poland, in Galicia, and et we sit indifferent. In Palestine starvation stalks through the land. Shall we selfishly enjoy ourselves and say we would like to, but cannot help because of hard times, and think we are doing out duty? No. The time has come for every man and women and child to do his duty, and we must fulfill that duty quickly or it may be too late in hundreds of thousands of cases."

NEW YORK, October 18.—Terrible as conditions have been for the last five years among the destitute Jews of Eastern Europe, they have never before been so appalling as they are at the present moment. The Crucifixion of Jews Must Stop!

By MARTIN H. GLYNN

(Former Governor of the State of N. Y.)

From across the sea six million men and women call to us for help, and eight hundred thousand little children cry for bread.

These children, these men and women are our fellow-members of the human family, with the same claim on life as we, the same susceptibility to the winter's cold, the same propensity to death before the fangs of hunger. Within them reside the illimitable possibilities for the advancement of the human race as naturally would reside in six million human beings. *We may not be their keepers but we ought to be their helpers.*

In the face of death, in the throes of starvation there is no place for mental distinctions of creed, no place for physical differentiations of race. In this catastrophe, when six million human beings are being whirled toward the grave by a cruel and relentless fate, only the most idealistic promptings of human nature should sway the heart and move the hand.

Six million men and women are dying from lack of the necessaries of life; eight hundred thousand children cry for bread. And this fate is upon them through no fault of their own, through no transgression of the laws of God or man; but through the awful tyranny of war and a bigoted lust for Jewish blood.

In this threatened holocaust of human life, forgotten are the niceties of philosophical distinction, forgotten are the dif-

Dr. Kahn Returns With Report of Rise in Europe of Those Deprived of Rights

6,000,000 VICTIMS NOTED

25,000 Refugees Said to Be in Need—Rumania Menaces 800,000 With Anti-Semitism

The number of Jews deprived of their rights and economic opportunity in Europe increased greatly last year, Dr Bernhard Kahn, European director of the American Jewish Joint Distribution Committee, said on his arrival here last week from Europe.

The new Government of Rumania has threatened to outlaw 800,000 Rumanian Jews, "disregarding peace treaties, minority treaties and the constitution of the country," said Dr Kahn

government except sometimes in cases of physical violence and public disturbance," he said.

"It is a matter for encouragement, however, that many outstanding personalities and some political parties in Poland are courageously raising their voices against the inhuman treatment of the Jews and the poisonous atmosphere of anti-Semitism

"In Germany the Jews are being driven out of the last economic positions. Increased oppression is swelling the number of refugees and emigrants. More than 15,000 Jews had to leave Germany during the last year and in the middle of the year the German laws of racial discrimination were extended to the 12,000 Jew in Upper Silesia (the Danzig corridor)"

Dr Kahn said there are 25,000 refugees in Europe, the greater number of them living in need and in demoralizing uncertainty. He expressed the hope that the intergovernmental conference at the League of Nations would take up the refugee problem again in February.

"Five to six million in all are today the victims of governmental anti-Semitism and policies of unchecked anti-Semitic propaganda and persecution All these millions are in danger of losing their rights as citizens. Their economic existence is constantly menaced and for thousands upon thousands their

Probably the estimate of Paul Dimidoff, whose pamphlet published in Berlin last year is of great value on the whole Russo-Jewish question, of a total of 6,000,000 is most nearly correct. The team carefully examined the entire Treblinka II site, especially the alleged "mass graves" portion, and carried out control examinations of the surrounding area. They found no soil disturbance consistent with the burial of hundreds of thousands of bodies, or even evidence that the ground had ever been disturbed. In addition, Krege and his team found no evidence of individual graves, bone remains, human ashes, or wood ashes.

Even if mass graves were discovered, it could still be consistant with Typhus-related deaths that were common during the war in Germany, and does not require the deaths to have been at the hand of Germans, nor due to gassing. Correlation ≠ causation.

WHY the Holocaust is a LIE

1. Red cross report

The International Red Cross was stationed in all German labor,internment, concentration and prison camps throughout World War Two. The Red Cross were never given access to any Russian camps before, during or after World War Two. At his trials in Canada, during the 1980s and 1990s, Professor Ernst Zündel finally got the Red Cross to release their records from the German camps despite strong Israeli objections. The Red Cross records suggest that there were no gas chambers, and a total of 271,301 died during World War Two in these camps, mostly from typhus.

In a letter to the US State Department dated November 22nd 1944 The Red Cross, who were stationed in all the camps, stated : "We have not been able to discover any trace of installations for exterminating civilian prisoners."

2. United States Airforce Aerial Photos Of Camps:

From 1942, until the end of World War Two, the United States Airforce performed low flying, low-speed photography of all the alleged "death camps" to obtain evidence of what was going on. This followed Jewish claims in the West that a mass murder was occurring. All these photographs were released in 1979 when they were declassified. None of these photographs show any sign of mass murder or disposal of millions of bodies.

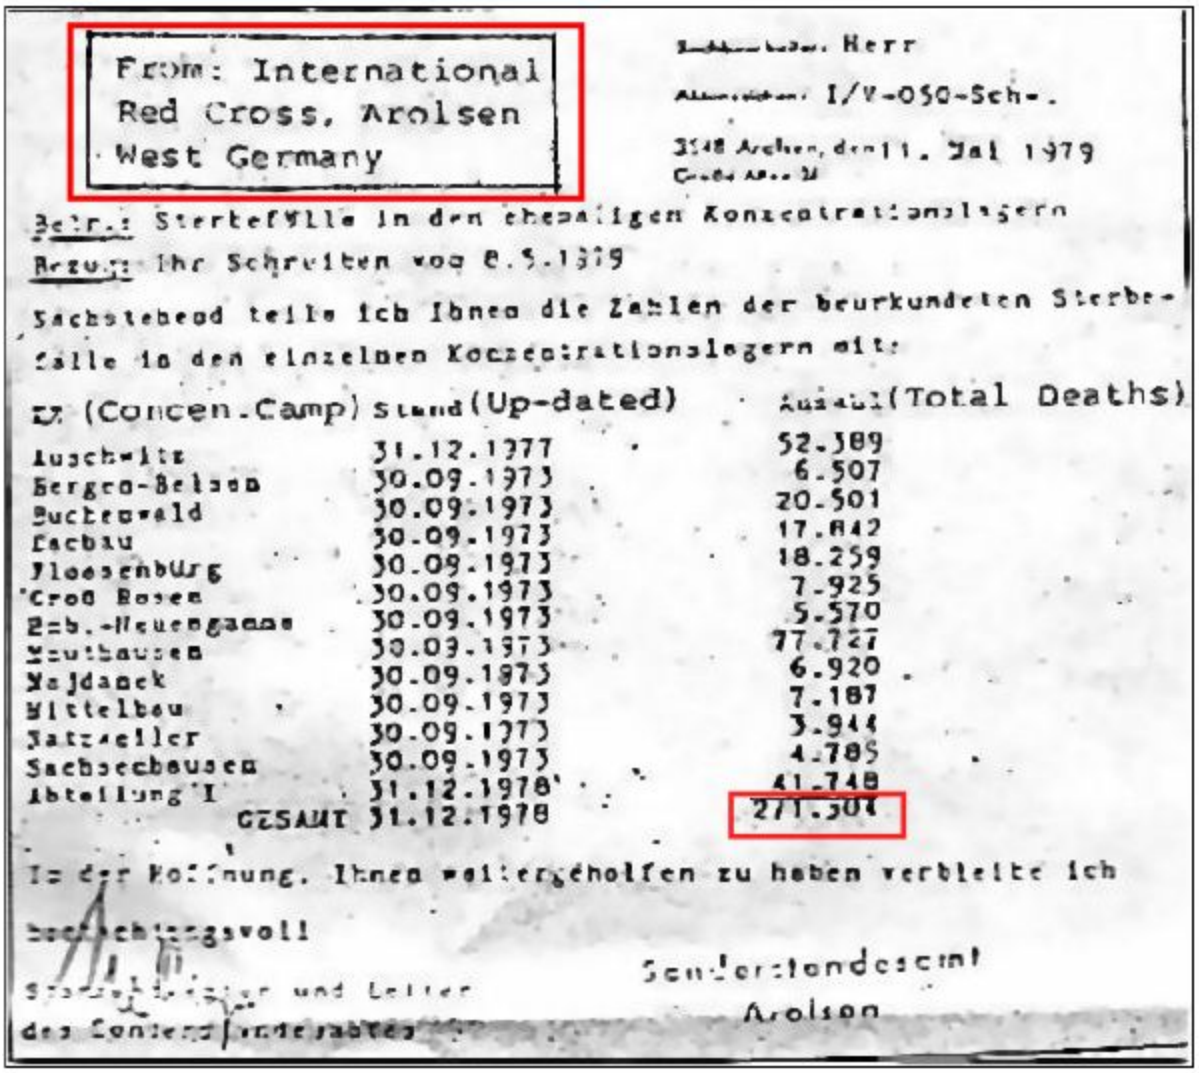

3. Western Allies Never Liberated Any Death Camps With Gas Chambers:

None of the Western Allies (Britain, Canada, USA, Australia, France etc.) liberated any camps that had gas chambers, or other systems of mass murder in them. All the alleged death camps with gas chambers were liberated by the Russians. Consequently any alleged evidence of death camps and/or gas chambers was forthcoming solely from Soviet Russia. The Western Allies liberated a total of 12 main camps and the Soviet Russians 8 main camps.

Dear Mr. McClelland :

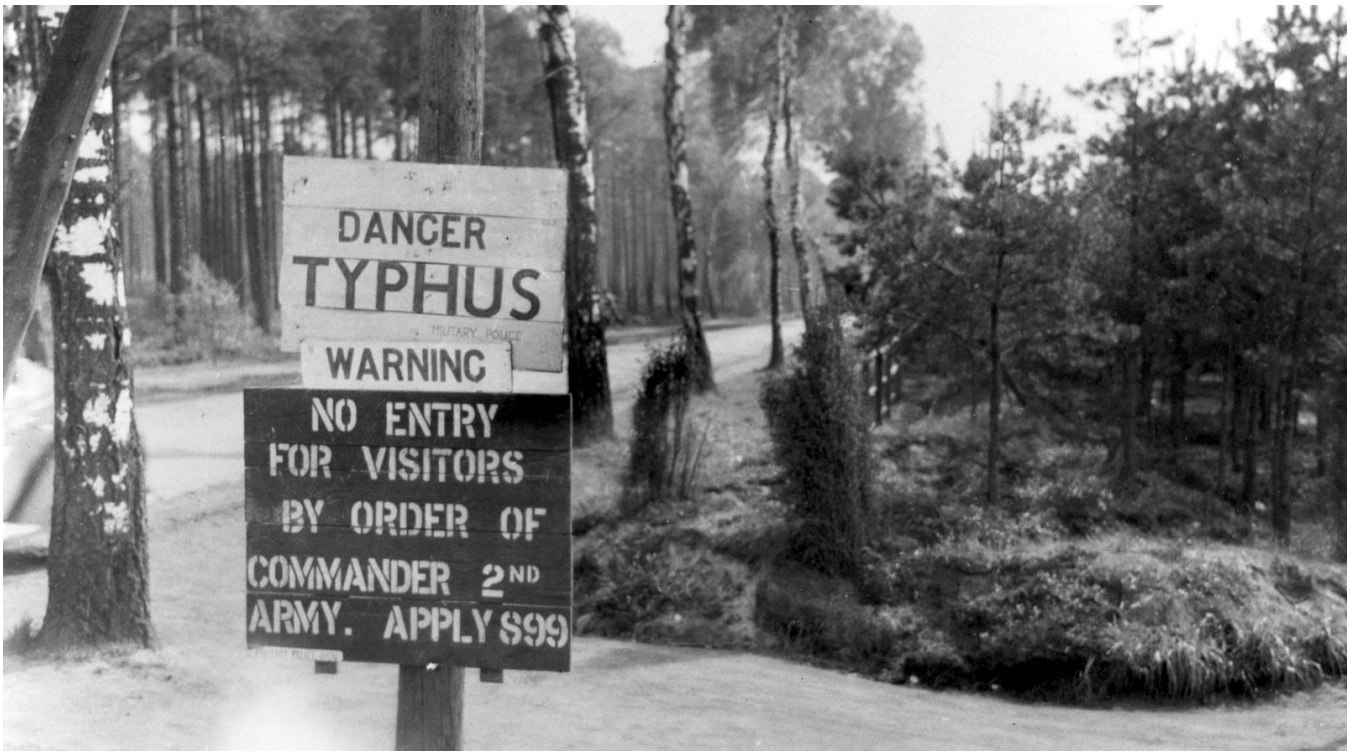

In reply to your letter of November 17, in which you asked us if a delegate of the International Committee of the Red Cross had succeeded in visiting the camp at Auschwitz, we are able to supply you with the following information :

It is a fact that one of our delegates was able to enter this camp. He approached the Commandant with a view to arranging a scheme of possible relief consignments for the civilian prisoners there. According to his impression, the camp was a type of "extensive concentration camp" where the detainees were compelled to do various kinds of work, including work outside the camp. Our delegate told us that he had not been able to discover any trace of installations for exterminating civilian prisoners. This fact corroborates a report which we had already received from other sources, i.e., that for several months past there had been no further exterminations at Auschwitz. At all events, this is not a camp containing exclusively Jews.

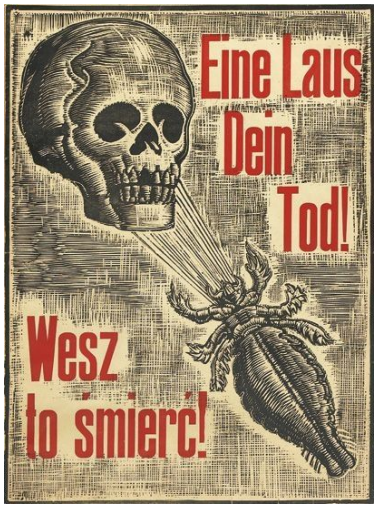

We are supplying you with this information personally and confidentially, because we obviously do not wish to publish the fact that this visit had been made. If it became known amongst the public, it might create the impression that the International Committee had means at their disposal of intervening in behalf of the detainees of this camp. Moreover, the Detaining Authorities might be tempted to assert that this visit by a delegate of the

Just how stupid and gullible have we all become?

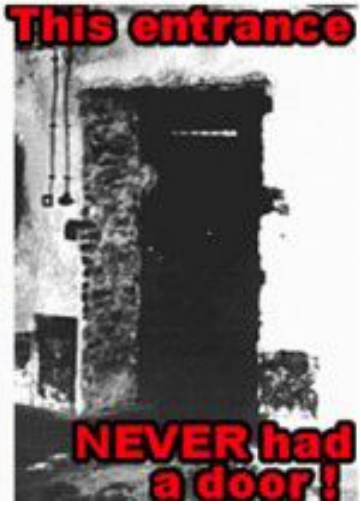

NO similarity between the complex, expensive actual installation & these crude Nazi "gas chambers." These rooms COULD NOT have functioned in the manner described.

Thin wood doors, glass window, regular latch NO seals, floor drain, in what we're told was allegedly a homicidal gas chamber at Auschwitz?

This room has been presented to tourists as being in the SAME state it was when it functioned as a "homicidal" gas chamber for the Nazis.

A REAL GAS CHAMBER.
Zyklon B is a bug spray used by the WW2 German work camps to kill lice in clothing to combat disease. In delousing chambers the poison leaves blue stains, like this one at Majdanek.
But, oddly, no stains are found in the notorious 'homicidal gas chambers', and tests by the Institute of Forensic Research in Krakow show no traces of Zyklon B. 6 Mil? Right.

Zyklon-B insecticide, used to kill lice in the Auschwitz delousing chamber, (above) caused distinct blue staining on all the walls. This is the same poison Zionists claim was used to exterminate millions of jews in the notorious gas chambers. Poland reduces Auschwitz death toll estimate to 1 million

By Krzysztof Leski and Ohad Gozani

LONDON — Poland has cut its estimate of the number of people killed by the Nazis in the Auschwitz death camp from 4 million to just over 1 million.

The vast majority of the dead are now accepted to have been Jews, despite claims by Poland's former Communist government that as many Poles as Jews perished in Nazi Germany's largest concentration camp.

The revised Polish figures support claims by Israeli researchers that Poland's former government exaggerated the number of victims by inflating the estimate of non-Jews who died.

POLAND HAS cut its estimate of the number of people killed by the Nazis in the Auschwitz death camp from four million to just over one million.

the scale of Hitler's "Final Solution". Prof Shevach Weiss, a death camp survivor and Labour member of the Israeli parliament, expressed disbelief at the revised estimates, saying, "It sounds shocking and strange."

But other Israeli experts said evidence to support the lower estimate had been mounting for some time.

Auschwitz, about 30 miles south-west of Krakow, was established in 1940 as a camp for political prisoners. It was later expanded with a huge

nearby Birkenau, which included gas chambers and ovens to destroy the bodies.

Dr Franciszek Piper, director of the historical committee of the Auschwitz-Birkenau museum, said yesterday that, according to recent research, at least 1·5 million people were deported to the camp, of whom about 223,000 survived.

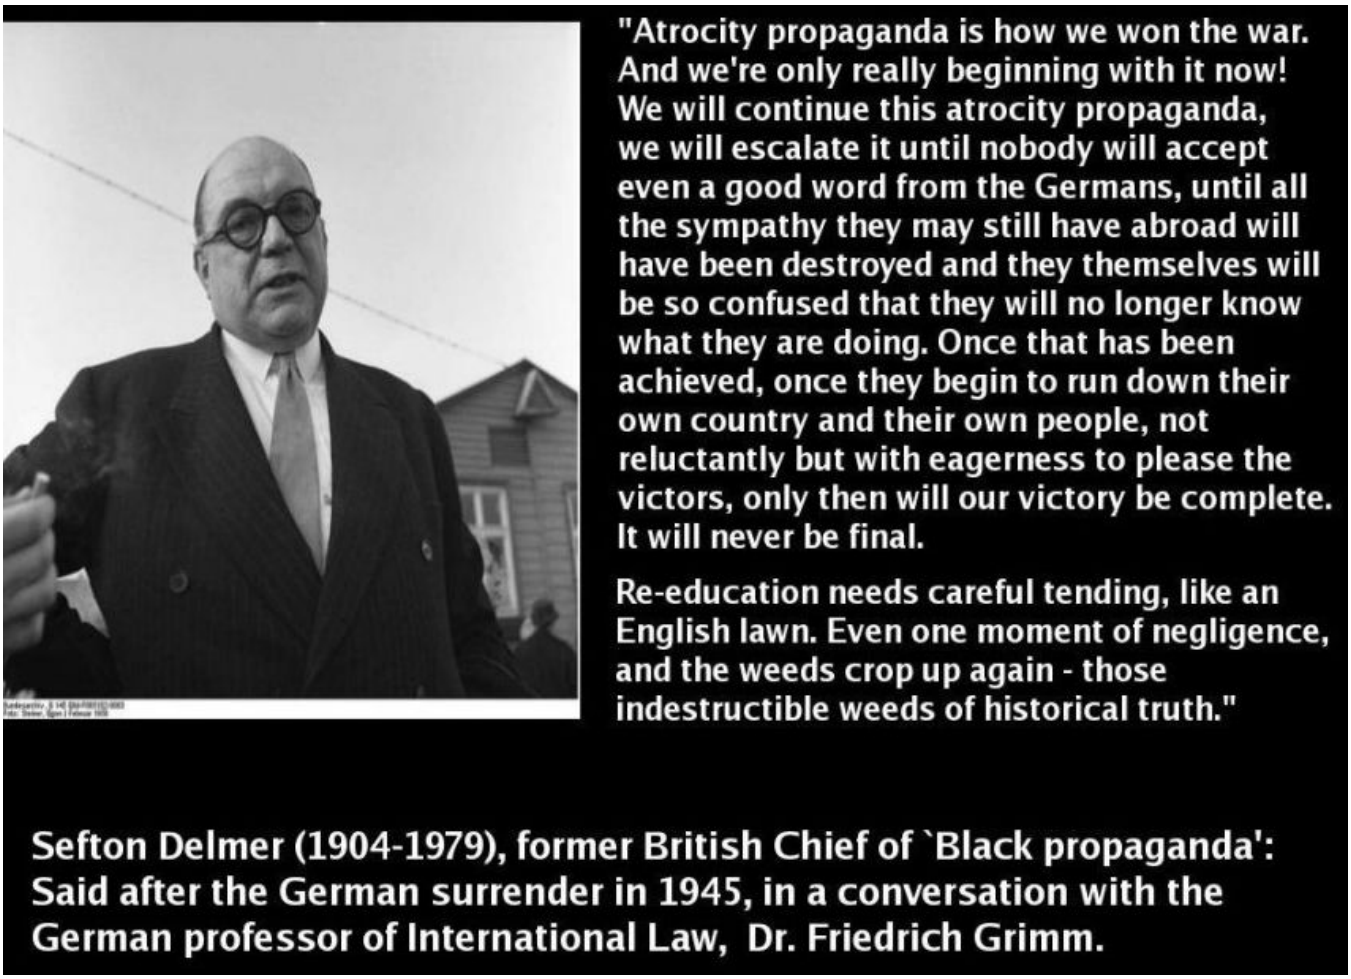

The 1·1 million victims included 960,000 Jews, between 70,000 and 75,000 Poles, nearly all of the 23,000 gipsies sent to the camp and 15,000 Soviet prisoners of war. Dr Piper stressed that the fig-

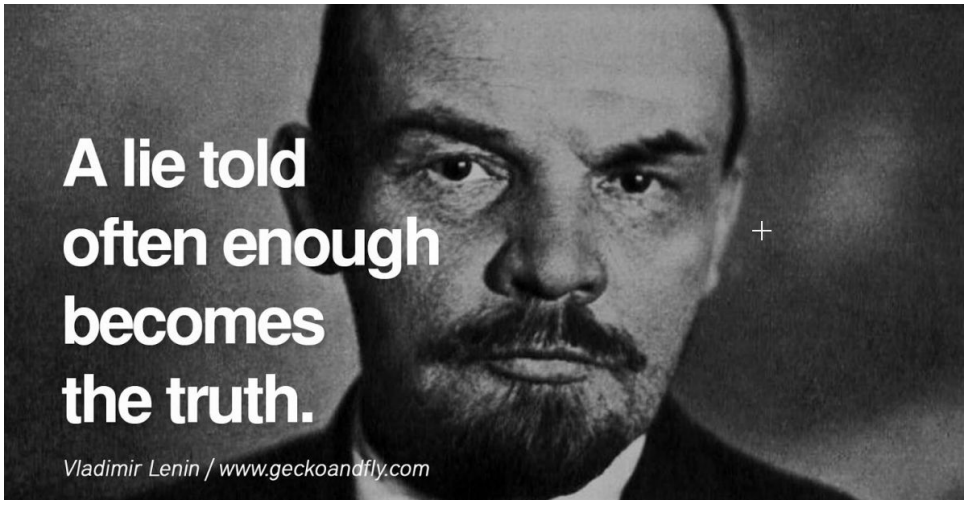

but said the total was unlikely to exceed 1·5 million.

Dr Shmuel Krakowsky, head of research at Israel's Yad Vashem memorial for Jewish victims of the Holocaust, said the new Polish figures were correct. "The four million figure was let slip by Captain Rudolf Hoess, the death camp's Nazi commander. Some have bought it, but it was exaggerated."

Dr Krakowsky accused Poland's former Communist government of perpetuating the false figures in an attempt to minimise the Holocaust and support claims that Auschwitz was not exclusively a Jewish death camp. He said that at most, 300,000 non-Jews perished at Auschwitz.

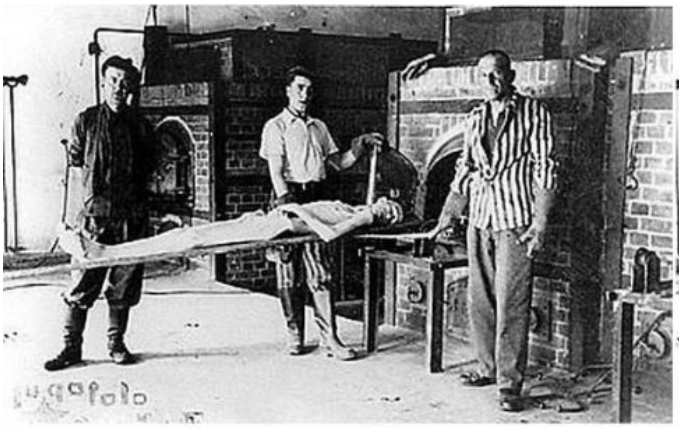

According Dr Krakowsky, 5,860,000 Jews perished dur-

Stalin's Jewish controlled Soviet Union was the actual enemy.

WWII was bad for everyone involved, but it was the worst for Germany, that lost the war.

FAR fewer Jews died in WWII (the "holocaust" period) than did non-Jewish-Europeans.

10 to 15 million Germans were killed in the war, with most of them dying at its end.

Far more German women, wives and beautiful young girls, some innocently not even having reached puberty, had their clothes ripped from their bodies, and with the cold muzzle of a Soviet gun, asked to lie down while man after man came at and penetrated young 10-year old vaginas. Men were forced to watch their daughters be raped. Forced to see the eyes of their wife, whom no doubt many had treasured, as she is penetrated time after time by Soviet soldiers who were allowed by the allies to overrun into Germany.

Estimated 2 Million total were raped

(Walter Zapotoczny Jr. in his book, 'Beyond Duty: The Reason Some Soldiers Commit Atrocities')

Many of these ~2-million women were raped multiple times, some as many as 70-80 times, making the actual number of instances of rape much higher than the 2 million women.

The Red Army didn't care about age, said Natalya Gesse, Soviet war correspondent, and raped from age 8-80.

"Red Army soldiers don't believe in 'individual liaisons' with German women," wrote the playwright Zakhar Agranenko in his diary when serving as an officer of marine infantry in East Prussia. "Nine, ten, twelve men at a time - they rape them on a collective basis."

Schumacher, A woman in Germany during 1945-1949, period of Soviet occupation
"I was immediately gang raped by five Russians. The memories come back to you over and over again; you can never forget something like that. Sometimes after I talk about it, I sleep for a few hours and then wake up crying, screaming. You can never ever forget," she says.

Schumacher has forgotten little in the ensuing 65 years — the faces of her attackers, the pain. Many of her friends were also raped repeatedly. But she says they almost never talked about it.

In post-war communist East Germany, Schumacher says she was forced to sign a statement effectively denying the rapes even occurred. In the official narrative of the German Democratic Republic, the Soviets were liberators — not liberators who committed war crimes."

It is estimated that two-million German women PER YEAR had illegal abortions during the Soviet occupation between 1945 and 1948, and that up to 15 million were raped, largely in the Eastern provinces. The rate of venereal disease in Berlin at the time the Soviets left was 90%.

One doctor deduced that out of approximately 100,000 women raped in the city, some 10,000 died as a result, mostly from suicide. -Antony Beevor.

Alexander Solzhenitsyn, the Nobel laureate who was a young officer at the time, decried of it and wrote in a poem, "Prussian Nights": "The little daughter's on the mattress,/Dead. How many have been on it/A platoon, a company perhaps?"

"Concentration camp" means essentially a "concentrated/high-density camp or prison, and everyone had them during the war. The concentration camps at direction of the British were to be exposed to the

elements, and many innocent Germans died because of it. Which life is worth more, an innocent German, or an innocent Jew?

The lie defecates in the minds of the living, by creating a false reality.

The lie strangles Western Culture by putting communist Jews in the position of both victor and victim, over and from those who most strongly opposed it.

Jewish Affect on WWII

International Jews (the Rothschilds of whom can be considered the most successful) had tremendous [monetary, intellectual, media/press] influence in most civilized nations from the 1700's onwards. They used this influence to go to war against Germany, so as to promote Jewish interests [through both communism and Zionism].

A SHORT HISTORY OF THE JEWS 57

CHAPTER VII

THE JEWS TODAY

Period of Emancipation.—During the beginning of the 16th century, the papacy formally prescribed the ghetto for Jews; by the end of the century, the prospect of liberty began to dawn upon them. Holland, after the treaty of Utrecht, deliberately set its face against religious persecution. The excommunication of Spinoza by the Amsterdam Jews in 1656 was largely a defensive step. In England the movement was very noticeable. Under Cromwell the Jews were tacitly permitted to return. They soon controlled more of the foreign and colonial trade in London than all the other alien merchants in the city together. The momentum of their commercial enterprise and devotion to the interests of the empire proved irresistible. From the exchange to the city council chamber, thence to the aldermanic court and the mayoralty itself, and finally to the sending of Baron Lionel de Rothschild to knock at the unconverted House of Commons as parliamentary representative of the first city of the world, the Jews progressed. The 18th century showed the ghetto as a doomed institution. Judaism now witnessed the growth of an aristocracy of wealth, commensurate with its former aristocracy of learning. At this time they undertook the trade of peddling, and made their way into the city fairs throughout Europe during the 18th century.

November 2nd, 1917.

Dear Lord Rothschild,

I have much pleasure in conveying to you, on behalf of His Majesty's Government, the following declaration of sympathy with Jewish Zionist aspirations which has been submitted to, and approved by, the Cabinet

"His Majesty's Government view with favour the establishment in Palestine of a national home for the Jewish people, and will use their best endeavours to facilitate the achievement of this object, it being clearly understood that nothing shall be done which may prejudice the civil and religious rights of existing non-Jewish communities in Palestine, or the rights and political status enjoyed by Jews in any other country"

I should be grateful if you would bring this declaration to the knowledge of the Zionist Federation.

Yours sincerely,
Arthur James Balfour

NEW PALESTINE PROMISES FULL FREEDOM TO ALL

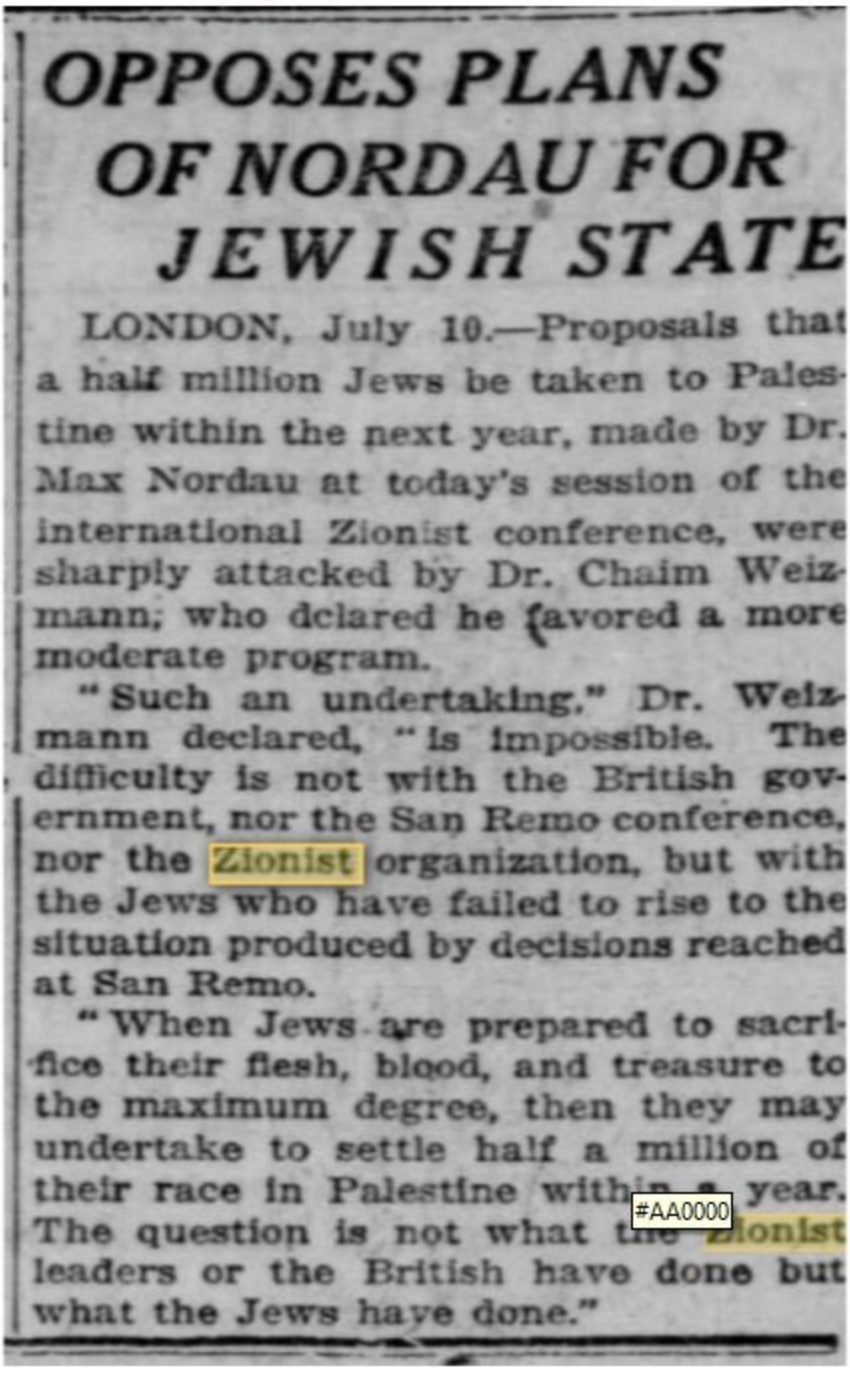

LONDON, June 13.—The general principles which will be followed by the new administration in Palestine were announced today by Sir Herbert Samuel, high commissioner for Palestine. Sir Herbert said:

"Complete religious liberty will be maintained in Palestine. Places sacred to the great religions will remain in control of the adherents of those religions. Civilian administration for the country will be established immediately. The higher ranks will consist of British officials of ability and experience. The other ranks will be open to the local population, irrespective of creed. Order will be firmly enforced. The economic development of the country will be actively promoted.

"The yearnings of the Jewish people for 2,000 years, of which the Zionist movement is the latest expression, will at last be realized. The steps taken to this end will be consistent with scrupulous respect for the rights of the present non-Jewish inhabitants. lol

"Immigration of the character that is needed will be admitted into the country in proportion as its development allows employment to be found."

OPPOSES PLANS OF NORDAU FOR JEWISH STATE

LONDON, July 10.—Proposals that a half million Jews be taken to Palestine within the next year, made by Dr. Max Nordau at today's session of the international Zionist conference, were sharply attacked by Dr. Chaim Weizmann, who dclared he favored a more moderate program.

"Such an undertaking," Dr. Weizmann declared, "is impossible. The difficulty is not with the British government, nor the San Remo conference, nor the Zionist organization, but with the Jews who have failed to rise to the situation produced by decisions reached at San Remo.

"When Jews are prepared to sacrifice their flesh, blood, and treasure to the maximum degree, then they may undertake to settle half a million of their race in Palestine within a year. The question is not what the Zionist leaders or the British have done but what the Jews have done."

Did you know the Jewish banker, Max Warburg, represented fallen Germany after WWI at Versailles and was instrumental in forming the Weimar Republic. Hugo Pruess, a Jew, wrote Weimar's constitution.
The result was that between 1925 and 1929 four of the six members of the controlling board of the Reichsbank directors were Jews including Jakob Goldschmidt and Rudolf Havenstein.
With unpatriotic Jews at the head of Germany's monetary policy, whose ties with international Jewry took precedence over Germany's interests, hyperinflation set in and the German Mark became worthless. America is now about to experience its own "Weimar Moment."

ALL Israel is uniting in wrath against the Nazi onslaught on the Jews in Germany.

Adolf Hitler, swept into power by an appeal to elemental patriotism, is making history of a kind he least expected. Thinking to unite only the German nation to race consciousness he has roused the whole Jewish people to a national renaissance.

The appearance of the swastika symbol of a new Germany has called forth the Lion of Judah, the old battle symbol of Jewish defiance.

Fourteen million Jews dispersed throughout the world have banded together as one man to declare war on the German persecutors of their co-religionists. Sectional differences and antagonisms have been submerged in one common aim—to stand by the 600,000 Jews of Germany who are terrorised by Hitlerist anti-semitism, and to compel Fascist Germany to end its campaign of violence and suppression directed against its Jewish minority.

World Jewry has made up its mind not to rest quiescent in face of this revival of medieval Jew-baiting.

Coupled with his voracious reading, this led Churchill to arrive at an early appreciation of the extraordinary role of Jews in history, particularly as a progenitor and agent of Western civilization, a conviction that imbued his attitude toward Zionism in the present. This, rather than Jewish historical and religious attachment to the land of Israel, which Churchill also came to value, was the prime mover in Churchill's Zionist sympathies. CHAMBERLAIN'S PROCLAMATION

LONDON, Sept. 3 (Sunday) (Delayed by Censor) (AP) — Prime Minister Chamberlain today proclaimed Great Britain is at War with Germany after expiration of a British ultimatum to Germany to withdraw her troops from Poland. The declaration was broadcast to the world fifteen minutes after the deadline given Hitler expired at 10 a. m. (5 a. m. Chicago time). In opening the broadcast Chamberlain said: "I have to tell you now that this country is at war with Germany."

AMERICA IS 'PREPARED FOR EMERGENCY'; WAR BULLETINS PREMIER ACTS AS NAZIS

**(The US would not enter the war until ~2 years later,
after the "surprise" attack on Pearl Harbor in December 1941.)**

Did you know that the concept of "The Final Solution" of extermination so vehemently forced into our minds by the Jewish propagandists was not proposed by a German Nazi, but rather by a Jew?

In 1940, long before the beginning of the alleged Holocaust (the Wannsee Conference, allegedly authorizing the "Holocaust" was held in February 1942) and also before the USA entered World War II, the American Jew Theodore Newman Kaufman wrote a book titled Germany Must Perish in which he proposes the Jewish Final Solution to the Germans as well as other gentiles. In the book which was published in 1941, Theodore Kaufman advocates and devises a plan for the extermination of all of the German people through a forced sterilization program in what he calls the "Final Solution".

Charles A. Lindberg Des Moines Speech (September 11, 1941)

It is now two years since this latest European war began. From that day in September, 1939, until the present moment, there has been an over-increasing effort to force the United States into the conflict.

That effort has been carried on by foreign interests, and by a small minority of our own people; but it has been so successful that, today, our country stands on the verge of war.

At this time, as the war is about to enter its third winter, it seems appropriate to review the circumstances that have led us to our present position. Why are we on the verge of war? Was it necessary for us to become so deeply involved? Who is responsible for changing our national policy from one of neutrality and independence to one of entanglement in European affairs?

Personally, I believe there is no better argument against our intervention than a study of the causes and developments of the present war. I have often said that if the true facts and issues were placed before the American people, there would be no danger of our involvement.

Here, I would like to point out to you a fundamental difference between the groups who advocate foreign war, and those who believe in an independent destiny for America.

If you will look back over the record, you will find that those of us who oppose intervention have constantly tried to clarify facts and issues; while the interventionists have tried to hide facts and confuse issues.

We ask you to read what we said last month, last year, and even before the war began. Our record is open and clear, and we are proud of it.

We have not led you on by subterfuge and propaganda. We have not resorted to steps short of anything, in order to take the American people where they did not want to go.

What we said before the elections, we say [illegible] and again, and again today. And we will not tell you tomorrow that it was just campaign oratory. Have you ever heard an interventionist, or a British agent, or a member of the administration in Washington ask you to go back and study a record of what they have said since the war started? Are their self-styled defenders of democracy willing to put the issue of war to a vote of our people? Do you find these crusaders for foreign freedom of speech, or the removal of censorship here in our own country?

The subterfuge and propaganda that exists in our country is obvious on every side. Tonight, I shall try to pierce through a portion of it, to the naked facts which lie beneath.

When this war started in Europe, it was clear that the American people were solidly opposed to entering it. Why shouldn't we be? We had the best defensive position in the world; we had a tradition of independence from Europe; and the one time we did take part in a European war left European problems unsolved, and debts to America unpaid.

National polls showed that when England and France declared war on Germany, in 1939, less than 10 percent of our population favored a similar course for America. But there were various groups of people, here and abroad, whose interests and beliefs necessitated the involvement of the United States in the war. I shall point out some of these groups tonight, and outline their methods of procedure. In

doing this, I must speak with the utmost frankness, for in order to counteract their efforts, we must know exactly who they are.

The three most important groups who have been pressing this country toward war are the British, the Jewish and the Roosevelt administration.

Behind these groups, but of lesser importance, are a number of capitalists, Anglophiles, and intellectuals who believe that the future of mankind depends upon the domination of the British empire. Add to these the Communistic groups who were opposed to intervention until a few weeks ago, and I believe I have named the major war agitators in this country.

I am speaking here only of war agitators, not of those sincere but misguided men and women who, confused by misinformation and frightened by propaganda, follow the lead of the war agitators.

As I have said, these war agitators comprise only a small minority of our people; but they control a tremendous influence. Against the determination of the American people to stay out of war, they have marshaled the power of their propaganda, their money, their patronage.

Let us consider these groups, one at a time.

First, the British: It is obvious and perfectly understandable that Great Britain wants the United States in the war on her side. England is now in a desperate position. Her population is not large enough and her armies are not strong enough to invade the continent of Europe and win the war she declared against Germany.

Her geographical position is such that she cannot win the war by the use of aviation alone, regardless of how many planes we send her. Even if America entered the war, it is improbable that the Allied armies could invade Europe and overwhelm the Axis powers. But one thing is certain. If England can

draw this country into the war, she can shift to our shoulders a large portion of the responsibility for waging it and for paying its cost.

As you all know, we were left with the debts of the last European war; and unless we are more cautious in the future than we have been in the past, we will be left with the debts of the present case. If it were not for her hope that she can make us responsible for the war financially, as well as militarily, I believe England would have negotiated a peace in Europe many months ago, and be better off for doing so.

England has devoted, and will continue to devote every effort to get us into the war. We know that she spent huge sums of money in this country during the last war in order to involve us. Englishmen have written books about the cleverness of its use.

We know that England is spending great sums of money for propaganda in America during the present war. If we were Englishmen, we would do the same. But our interest is first in America; and as Americans, it is essential for us to realize the effort that British interests are making to draw us into their war.

The second major group I mentioned is the Jewish.

It is not difficult to understand why Jewish people desire the overthrow of Nazi Germany. The persecution they suffered in Germany would be sufficient to make bitter enemies of any race.

No person with a sense of the dignity of mankind can condone the persecution of the Jewish race in Germany. But no person of honesty and vision can look on their pro-war policy here today without seeing the dangers involved in such a policy both for us and for them. Instead of agitating for war, the Jewish groups in this country should be opposing it in every possible way for they will be among the first to feel its consequences.

Tolerance is a virtue that depends upon peace and strength. History shows that it cannot survive war and devastations. A few far-sighted Jewish people realize this and stand opposed to intervention. But the majority still do not.

Their greatest danger to this country lies in their large ownership and influence in our motion pictures, our press, our radio and our government.

I am not attacking either the Jewish or the British people. Both races, I admire. But I am saying that the leaders of both the British and the Jewish races, for reasons which are as understandable from their viewpoint as they are inadvisable from ours, for reasons which are not American, wish to involve us in the war.

We cannot blame them for looking out for what they believe to be their own interests, but we also must look out for ours. We cannot allow the natural passions and prejudices of other peoples to lead our country to destruction.

The Roosevelt administration is the third powerful group which has been carrying this country toward war. Its members have used the war emergency to obtain a third presidential term for the first time in American history. They have used the war to add unlimited billions to a debt which was already the highest we have ever known. And they have just used the war to justify the restriction of congressional power, and the assumption of dictatorial procedures on the part of the president and his appointees.

The power of the Roosevelt administration depends upon the maintenance of a wartime emergency. The prestige of the Roosevelt administration depends upon the success of Great Britain to whom the president attached his political future at a time when most people thought that England and France would easily win the war. The danger of the Roosevelt administration lies in its subterfuge. While its members have promised us peace, they have led us to war heedless of the platform upon which they were elected.

In selecting these three groups as the major agitators for war, I have included only those whose support is essential to the war party. If any one of these groups--the British, the Jewish, or the administration--stops agitating for war, I believe there will be little danger of our involvement.

I do not believe that any two of them are powerful enough to carry this country to war without the support of the third. And to these three, as I have said, all other war groups are of secondary importance.

When hostilities commenced in Europe, in 1939, it was realized by these groups that the American people had no intention of entering the war. They knew it would be worse than useless to ask us for a declaration of war at that time. But they believed that this country could be entered into the war in very much the same way we were entered into the last one.

They planned: first, to prepare the United States for foreign war under the guise of American defense; second, to involve us in the war, step by step, without our realization; third, to create a series of incidents which would force us into the actual conflict. These plans were of course, to be covered and assisted by the full power of their propaganda.

Our theaters soon became filled with plays portraying the glory of war. Newsreels lost all semblance of objectivity. Newspapers and magazines began to lose advertising if they carried anti-war articles. A smear campaign was instituted against individuals who opposed intervention. The terms "fifth columnist," "traitor," "Nazi," "anti-Semitic" were thrown ceaselessly at any one who dared to suggest that it was not to the best interests of the United States to enter the war. Men lost their jobs if they were frankly anti-war. Many others dared no longer speak.

Before long, lecture halls that were open to the advocates of war were closed to speakers who opposed it. A fear campaign was inaugurated. We were told that aviation, which has held the British fleet off the

continent of Europe, made America more vulnerable than ever before to invasion. Propaganda was in full swing.

There was no difficulty in obtaining billions of dollars for arms under the guise of defending America. Our people stood united on a program of defense. Congress passed appropriation after appropriation for guns and planes and battleships, with the approval of the overwhelming majority of our citizens. That a large portion of these appropriations was to be used to build arms for Europe, we did not learn until later. That was another step.

To use a specific example; in 1939, we were told that we should increase our air corps to a total of 5,000 planes. Congress passed the necessary legislation. A few months later, the administration told us that the United States should have at least 50,000 planes for our national safety. But almost as fast as fighting planes were turned out from our factories, they were sent abroad, although our own air corps was in the utmost need of new equipment; so that today, two years after the start of war, the American army has a few hundred thoroughly modern bombers and fighters--less in fact, than Germany is able to produce in a single month.

Ever since its inception, our arms program has been laid out for the purpose of carrying on the war in Europe, far more than for the purpose of building an adequate defense for America.

Now at the same time we were being prepared for a foreign war, it was necessary, as I have said, to involve us in the war. This was accomplished under that now famous phrase "steps short of war."

England and France would win if the United States would only repeal its arms embargo and sell munitions for cash, we were told. And then [illegible] began, a refrain that marked every step we took toward war for many months--"the best way to defend America and keep out of war." we were told, was "by aiding the Allies."

First, we agreed to sell arms to Europe; next, we agreed to loan arms to Europe; then we agreed to patrol the ocean for Europe; then we occupied a European island in the war zone. Now, we have reached the verge of war.

The war groups have succeeded in the first two of their three major steps into war. The greatest armament program in our history is under way.

We have become involved in the war from practically every standpoint except actual shooting. Only the creation of sufficient "incidents" yet remains; and you see the first of these already taking place, according to plan [ill.]-- a plan that was never laid before the American people for their approval.

Men and women of Iowa; only one thing holds this country from war today. That is the rising opposition of the American people. Our system of democracy and representative government is on test today as it has never been before. We are on the verge of a war in which the only victor would be chaos and prostration.

We are on the verge of a war for which we are still unprepared, and for which no one has offered a feasible plan for victory--a war which cannot be won without sending our soldiers across the ocean to force a landing on a hostile coast against armies stronger than our own.

We are on the verge of war, but it is not yet too late to stay out. It is not too late to show that no amount of money, or propaganda, or patronage can force a free and independent people into war against its will. It is not yet too late to retrieve and to maintain the independent American destiny that our forefathers established in this new world.

The entire future rests upon our shoulders. It depends upon our action, our courage, and our intelligence. If you oppose our intervention in the war, now is the time to make your voice heard.

Help us to organize these meetings; and write to your representatives in Washington. I tell you that the last stronghold of democracy and representative government in this country is in our house of representatives and our senate.

There, we can still make our will known. And if we, the American people, do that, independence and freedom will continue to live among us, and there will be no foreign war.

Lindbergh and his speeches were heavily demonized by the Jewish-owned press.

Jews get kicked out of every country they have been in

"The Jewish Idea has a tremendous infiltrating force and a serious degenerative power. It is a powerfully disintegrating influence. It eats the substance out of the civilization which it attacks, destroys its moral virility, throws don its reverence, saps its respect for authority, casts a shadow on every basic principle. This is the way the Jewish idea works in American civilization...They have built their international power upon the exact opposite of the Mosaic law." (The International Jew, Dearborn Publication (1922), Vol. IV, p. 227).

Jews are not white people, or why Jews support the Left (a response to Dennis Prager)

by Tom Teicholz
Posted on Sep. 2, 2016 at 11:13 am

Jews will always believe Black Lives matter because Jews do not think of themselves as "White People." You have but to walk down a street in Tel Aviv to see the multiplicity of Jewish skin colors. You have but to live as a Jew in any time in history, in any country including the United States, to recognize we are not the White People – we were not the White People allowed into certain clubs, schools, neighborhoods for most of American history.

Jews will always agitate for and support causes of the Left, because we are commanded to be a beacon unto others and to see social activism and seeking Justice, Tikkun Olam and Tzedaka, as part of the Jewish DNA. We are chosen to do so.

“Liberalism is a disease whose first symptom is an inability to believe in conspiracies.”
Friedrich Wilhelm IV (1795-1861)

It is almost as though these various diseases were in remission due to factors *outside* of vaccines.

The antibodies created from taking a vaccine diminishes over time. How did our grandmothers make it this far with their 2 or 3 vaccines, vs the 24 now “suggested”? If a company makes $10 per vaccine, how much money is to be made by scaring an entire populace into additional [unnecessary?] vaccines? US=~325m people. 24 vaccines X 325,000,000 people X $10 = $78B dollars.

Apologetics

To the Jews who are not consciously *or subconsciously* participating in the subversion of Western Culture and nations, and who are truly shocked or saddened by this writing: You must recognize the truth laid out in this work, and if you wish for a good future for Jews among Western nations, you must renounce the Jewish aspects of your self that might aid in subversion, and make a conscious effort to fight it. If you do not fight it, here are what I think are probable outcomes:

1. **Western nations (WN) become aware** of Jewish subversion, and Jews are persecuted and/or expelled; whereupon the WN regain culture and a healthy pride, and trust among people increases, thereby allowing all transactions (love, business, friendship, economic) to flourish.
2. **Western nations (WN) become aware** of Jewish subversion but tolerate it due to apathy and fear of reprisal. How long a people can tolerate another distinct entity and fear it, before that fear turns to loathing and action is unknown.
3. **WN *do not* become aware**, and self-extinguish due to the subversion. All transactions become more costly from loss of trust, and society (including pleb Jews) flourishes less than it does now.
4. **WN *do not* become aware**, and do not self-extinguish, but maintain their birthrate

"We must realize that our parties most powerful weapon is racial tension. By propounding into the consciousness of the dark races that for centuries they have been oppressed by whites, we can effectively mold them to the program of the Communist party." ~ Israel Cohen, Jewish-Zionist leader

"We Jews, we are the destroyers, and will remain the destroyers. Nothing you can do will meet our demands and needs. We will forever destroy because we want a world of our own." ~ Maurice Samuel, from the book 'You Gentiles' page 155

"Non-Jews were born only to serve us. Without that, they have no place in the world; only to serve the people of Israel." ~ Rabbi Ovadia Yosef, Israeli Sephardic leader

"Historically, Jews had always thrived in nations and empires with multicultural, pluralistic and tolerant environments, while they fared badly in strong ethnic or nationalistic societies. European Jews have always been the emblematic stranger or 'other'. Therefore, by definition, a society where the stranger is welcome is good for the Jews. The future of European Jewry is dependent on our ability to shape a multicultural, pluralistic and diverse society." ~ Goran Rosenberg, Jewish author and journalist, on why Jews always push for open borders and Marxism in all nations except their own

"I believe that Jews have a mission in life. They must see to it that the nations of the world get together in vast federation and become subservient to the Jews. But how can you achieve this and get peace if Germany exists? So let us sterilize all Germans, let us wage a war more horrible than war itself." ~ Theodore Kaufman, Notable Jewish author and Zionist

"The Bolshevik revolution in Russia was the work of Jewish brains, of Jewish dissatisfaction, of Jewish planning, whose goal is to create a new order in the world. What was performed in so excellent a way in Russia, shall also, through the same Jewish mental and physical forces, become a reality all over the world." ~ The American Hebrew, 1920

Conclusion

If the following were shown to be true of the Chinese, or of Russians, or of an extraterrestrial race that descended to earth, what logical response must be given by a healthy people?

That this entity, which comprises ~2% of its host nation:

1. Shows high in-group preference (highly racially discriminatory)
2. Has obtained control of the host's money-lending practices. (bank ownership & control)
3. Has obtained control of the host's corporate news dissemination companies.
4. Has obtained ability to act as a government official of the host nation, even while being the citizen of a potentially-competing nation.
5. Has obtained control of the hosts systems of public internet discourse. (Facebook, Youtube, Twitter, Reddit. *Others controlled through the use of outside organizations, such as J-owned media, or ADL, SPC, JIDF, etc.
6. Promotes injustice and conflict among the races of the host nation, by elevating wrong-doers, or by highly prejudiced reporting.
7. Promotes abortion or abstaining of having children for some races, while promoting children for other races.
8. Funds protests (which have a probability of turning into riots)
9. Denigrate, malign, and debase the primary religion of the creators of the host culture.
10. **There is historical documentation of this entity's philosophy that justifies and encourages the debasing and destruction of all races, cultures, and peoples outside of its own. (Talmud)**

It is about control. Ultimately, the the entity wants control over your destiny. If you do not care, then there is no conflict. But if the individual or race maintains that it has a right to control its destiny, then there will be conflict.

What should you do? /Help end “White” (Jewish) Guilt and Supremacy

1. Act ethically, honorably, and take responsibility and pride in the control of your individual destiny, and the shared destiny of your community (your race/culture).
2. Vote in such a way as to preserve freedom of speech.
3. **Do not take this information personally!! You must remember this.** The topics here cover a narrative of an exchange of warfare of ideological generalities. Almost never are the generalities summed up in a single individual. Do not let not hate enter your heart. Hate can blind you to truth, and it harms all parties that come in contact with it. Remember that many people are operating without conscious conspiracy with those who wish to do evil, and that there are “useful idiots” on both sides of nearly all major conflicts. Be informed as best as you can. Help truth to prevail.
4. If you are Jewish, break the conditioning. Note the evidence presented in this writing, and push back against Jewish supremacy and racist Jewish actions and media. Cede power (of press, of banking, of governance, etc) back to the people. Step down or do not take positions which would elevate you to control the destiny of another.
5. Search and find the truth. Be the honest observer, and search it out without bias.
6. Download or save information!! (Do not simply save “playlists” within youtube, FB, or twitter where they can be removed.) Those in power love to delete information that shows evidence that can harm them! You must save it! Use archive.is (not .org! Archive.is seems safe at time of this writing) Yout.com can be used to save video from youtube.
7. Share truthful information. Take advantage of ANY means. Get creative!
8. Stand up for people’s right to freedom of speech, even if you or someone else is uncomfortable! The truth can often be uncomfortable! To avoid truth is to avoid potential growth.
9. Buy and/or retain firearms. The Second Amendment protects the First. Sure, any evil controlling force has fighter jets, bombs, etc, but evil governments typically disarm their population first. They also typically do not carpet bomb their entire country, hoping to kill only those that disagree with them. An evil power that wishes to control the people of a nation does not want to confront an armed people. They would rather be in control of the arms, and the people not be armed. Might “makes right”, in the sense that might can do what it wants, whether good or evil, because the mightiest can defeat all other powers, by definition, and then as the victors, often write history.

Jewish presence in Organizations

Power is affectiveness. The ability to affect change in the world.

Facets of power: government (laws), media/ ”public conversation”

Should be based on ***affectiveness*** of organization. (It's ability to affect change.) Access to money could be seen as good measure of *potential* affectiveness.

Most media corporations are owned and/or run by Jews.
Jews are vastly over-represented as "journalists"

Organizations and Key people

1. **Center for Responsive Politics** (site: Opensecrets.org)...seems like it is run by a Jew. Her twitter feed indicates clear bias toward Democrats.
2. FDA: headed by Scott Gottlieb, Jewish.
3. Human Rights Watch: executive director is Kenneth Roth, Jew.

Universities

Ivy League universities (creme de la creme) are important because the graduates are held in esteem, and are hired to the highest positions of power structures. The graduates of these schools are often the presidents, CEO's, (executive officers) in Government organizations, monetary-control organizations (banks) and "non-partisan" social pressure groups.

Of the 4,627 title IV-granted institutions in the US only 8 are "Ivy League". Extrapolating: in 2011 only 0.4 percent of [U.S.] undergraduates attended Ivy League schools.
